This proxy statement and the accompanying proxy card are being mailed to stockholders of Norwood Financial Corp. commencing on or about March 22, 2007 in connection with the solicitation by our Board of Directors of proxies for use at

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

our 2007 Annual Meeting of Stockholders which will be held at the administrative office of Wayne Bank, 717 Main Street, Honesdale, Pennsylvania on Tuesday, April 24, 2007, at 11:00 a.m., local time.

VOTING AND PROXY PROCEDURES

WHO CAN VOTE AT THE ANNUAL MEETING

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 16, 2007 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 2,792,151 shares of Common Stock were outstanding. Each share of Common Stock has one vote in each matter presented.

VOTING BY PROXY

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed Proxy Card. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy Card. If you sign, date and return the Proxy Card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF ITS NOMINEES FOR DIRECTOR AND A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BEARD MILLER COMPANY LLP AS OUR INDEPENDENT AUDITORS.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Proxy Card will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Proxy Card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must either advise the Company's Secretary in writing before your Common Stock has been

1

voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in "street name," you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement.

PARTICIPANTS IN THE WAYNE BANK EMPLOYEE STOCK OWNERSHIP PLAN

If you are a participant in the Wayne Bank Employee Stock Ownership Plan

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

(the "ESOP"), you will receive a voting instruction form that reflects all shares you may vote under the ESOP. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustees, but each participant in the ESOP may direct the trustees on how to vote the shares of Common Stock allocated to his or her account. Unallocated shares and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustees in the same proportion as the shares for which the trustees have received timely voting instructions, provided that in the absence of any voting directions as to allocated stock, the Board of Directors of the Bank will direct the ESOP trustees as to the voting of all shares of stock in the ESOP. The deadline for returning your voting instruction form to the ESOP trustees is April 19, 2007.

VOTE REQUIRED

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return valid proxy instructions or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or vote in favor of all nominees except nominees from whom you specifically withhold your vote. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of Beard Miller Company LLP as our independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this proposal requires the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on this proposal.

PRINCIPAL HOLDERS OF OUR COMMON STOCK

Persons and groups beneficially owning more than 5% of the Common Stock are required to report on their ownership to Securities and Exchange Commission. A person is the beneficial owner of shares of Common Stock over which he or she has or shares voting or investment power or which he or she has the right to acquire at any time within 60 days from the Record Date.  PROPOSAL 1 - ELECTION OF DIRECTORS

The Board of Directors currently consists of nine members, each of whom also serves as a director of our principal subsidiary, Wayne Bank. Our Articles of Incorporation provide that the Board of Directors must be divided into three classes as nearly equal in number as possible. At each annual meeting of stockholders, each of the successors of the directors whose terms expire at the meeting will be elected to serve for a term of three years expiring at the third annual meeting of stockholders following the annual meeting of stockholders at which the successor director was elected.

Richard L. Snyder and Ralph A. Matergia (collectively, the "Nominees") have been nominated by the Board of Directors for terms of three years each. The Nominees currently serve as directors of the Company. Russell L. Ridd, whose term as director will also expire at the Annual Meeting is retiring from the Board of Director and will not stand for re-election. The size of the Board will be reduced to eight at that time.

The persons named as proxies in the enclosed proxy card intend to vote for the election of the nominees listed below, unless the proxy card is marked to indicate that such authorization is expressly withheld. Should any of the nominees withdraw or be unable to serve (which the Board of Directors does not expect) or should any other vacancy occur in the Board of Directors, it is the intention of the persons named in the enclosed proxy card to vote for the election of such person as may be recommended to the Board of Directors by the Nominating Committee of the Board. If there is no substitute nominee, the size of the Board of Directors may be reduced.

The following table sets forth the names, ages, positions with the Company, terms of, and length of board service, number and percentage ownership of the Common Stock for:

- o each of the persons nominated for election as directors of the Company at the Annual Meeting;
- o each other director of the Company who will continue to serve as director after the Annual Meeting; and
- o each executive officer.

Beneficial ownership of the executive officers and directors of the Company as a group, is also set forth below.

CORPORATE GOVERNANCE

DIRECTOR INDEPENDENCE

The Board of Directors has determined that Directors Snyder, Phillips, Matergia, Ridd, Marshall, Rickard, O'Neill and Gumble-Cottell are independent under the independence standards of The Nasdaq Global Market on which the Common Stock is currently listed. In determining the independence of directors, the Board of Directors considered the deposit and loan relationships which various directors have with Wayne Bank and certain business relationships between Wayne Bank and organizations in which certain directors have an interest. In determining whether Mr. Matergia is independent, the Board of Directors considered work occasionally done by his law firm for the Bank but determined that due to the small volume of work done, his independence was not affected. There are no members of the Audit Committee who do not meet the independence standards of the The Nasdaq Global Market for Audit Committee members and no members of the Audit Committee are serving under any exceptions to these standards.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors conducts its business through meetings of the Board and through activities of its committees. All committees act for both the Company and the Bank. During the fiscal year ended December 31, 2006, the Board of Directors of Norwood Financial Corp. held five regular meetings and the Board

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

of Directors of the Wayne Bank held twelve regular meetings. No director attended fewer than 75% of the total meetings of the Boards of Directors of the Company and committees on which such director served during the fiscal year ended December 31, 2006.

AUDIT COMMITTEE. The Audit Committee is comprised of Directors Snyder, Phillips, Matergia, Marshall and Gumble-Cottell. The Board of Directors has determined that each of the members of the Audit Committee is independent in accordance with the listing requirements for The Nasdaq Global Market. The Board of Directors has adopted a written audit charter which is included as Appendix A to this proxy statement. A current copy of the Audit Committee charter is not available on our website. The Audit Committee is a standing committee and, among other matters, is responsible for developing and maintaining the Company's audit program. The Audit Committee also meets with the Company's independent auditors to discuss the results of the annual audit and any related matters.

6

In addition to regularly scheduled meetings, the Audit Committee is available either as a group or individually to discuss any matters that might affect the financial statements, internal controls or other financial aspects of the operations of the Company. The Audit Committee met four times during the fiscal year ended December 31, 2006.

COMPENSATION COMMITTEE. The Compensation Committee consists of Directors Ridd, Marshall and Matergia. This standing committee met once during the fiscal year ended December 31, 2006 to review the compensation of the chief executive officer and other executive officers. The members of the Compensation Committee are independent in accordance with the listing requirements of The Nasdaq Global Market. For a discussion of the committee's processes and procedures for determining director and executive officer compensation, see the "Compensation Discussion and Analysis" below. The Compensation Committee has not adopted a written charter.

AUDIT COMMITTEE FINANCIAL EXPERT

The Board of Directors has determined that Richard L. Snyder, a member of the Company's Audit Committee, is an "Audit Committee Financial Expert" as that term is defined in the Securities Exchange Act of 1934. The Board of Directors has also determined that Mr. Snyder is independent as that term is used in the Securities Exchange Act of 1934.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consisted of Directors Ridd, Marshall and Matergia at December 31, 2006. Director Ridd is Chairman of the Board of the Company and the Bank, serves as Chairman of the Compensation Committee, and was President and Chief Executive Officer of the Bank until May 1993. Members of the Compensation Committee are non-employee directors of the Company and the Bank. No member of the Committee or any other director is, or was during 2006, an executive officer of another company whose board of directors has a comparable committee on which one of the Company's executive officers serves. None of the executive officers of the Company is, or was during 2006, a member of the board of directors or a comparable compensation committee of a company of which any of the directors of the Company is an executive officer.

DIRECTOR NOMINATION PROCESS

The Nominating Committee consists of Directors Ridd, Marshall and Matergia, each of whom is independent within the meaning of the rules of The Nasdaq Global Market. The Nominating Committee met once during the year ended December 31,

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

2006. The Board of Directors has adopted a charter for the nominating committee which is included as an appendix to this proxy statement. The Nominating Committee Charter is not available on our website.

The Company does not currently pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The Committee's process for identifying and evaluating potential nominees includes soliciting recommendations from directors and officers of the Company and its wholly-owned subsidiary, Wayne Bank. Additionally, the Committee will consider persons recommended by stockholders of the Company in selecting the Committee's nominees for election. There is no difference in the manner in which the Committee evaluates persons recommended by directors or officers and persons recommended by stockholders in selecting Board nominees.

7

To be considered in the Committee's selection of Board nominees, recommendations from stockholders must be received by the Company in writing by at least 120 days prior to the date the proxy statement for the previous year's annual meeting was first distributed to stockholders. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. The Committee believes potential directors should be stockholders, should have the highest personal and professional integrity and should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage.

STOCKHOLDER COMMUNICATIONS

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. In addition, Directors are accessible to stockholders on an informal basis throughout the year and formally at the Annual Meeting. The Board encourages, but does not require, directors to attend the Annual Meeting of stockholders. Seven directors attended the 2006 Annual Meeting of Stockholders.

COMPENSATION DISCUSSION AND ANALYSIS

PHILOSOPHY AND OBJECTIVES

The Company's compensation programs are designed to effectively attract, retain, motivate and reward Named Executive Officers (NEOs) and all employees for their performance. The Company believes in maintaining a competitive compensation package to insure continuity of the management team with the goal of increasing shareholder value over the long-term.

The objectives of the compensation package include the following:

- o Create an overall compensation package that is competitive with those offered by other financial institutions in our market area while providing appropriate incentives for the achievement of short and long term performance goals.
- o Encourage achievement of short-term performance goals through cash incentive programs

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

- o Use stock incentive plans to reward long-term performance and align interests of management with stockholders
- o Encourage long-term management continuity and loyalty through the accrual of post-employment benefits

Financial services is a competitive industry and the Company operates in a market area which is headquarters to many other community banks as well as much larger institutions. The NEOs officer compensation package is therefore structured to keep the current team in place. The Company feels this is important due to the following attributes of the NEOs:

8

- o In depth knowledge of the local markets
- o Familiarity with Norwood's operations
- o Strong customer relationships
- o Management succession planning
- o Proven success
- o Ten consecutive years of earnings growth and dividend increases

The Company has a balanced package of short-term cash based compensation and longer-term stock based plans and retirement plans. The Company's Executive Compensation package includes the following key elements:

- o Base Salary
- o Cash Incentive Bonus Plan
- o Long Term Equity-Based Incentive Compensation
- o Employment and Change-In-Control Agreements
- o Post-Employment and Retirement Programs
- o Insurance and Other Benefits
- o Perquisites and other Personal Benefits

ADMINISTRATION OF COMPENSATION PROGRAM

The Compensation Committee of the Company is responsible for the administration of the compensation program of the President and Chief Executive Officer, Executive Vice President and Chief Financial Officer and the other Named Executive Officers.

The Compensation Committee meets in November of each year to determine annual salary adjustments, cash bonus and stock option awards for NEOs. The Company does not have a formal policy addressing each specific type of compensation.

The Committee does consider a variety of factors as it evaluates compensation for each NEO, including:

- o Overall company performance as compared to budget and prior year's performance;
- o Bank regulatory examination results;
- o Bank performance metrics compared to peers, including return on assets, return on equity, charge-offs, level of non-performing loans and efficiency ratio; and
- o The individual achievements of each NEO in their respective areas of responsibility.

In establishing base salaries and increases, the committee has access to various compensation surveys to ensure a competitive salary level. These include:

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

- o The Conference Board Salary increase survey
- o The Nash and Company PA Bank and Thrift Compensation Report
- o SNL Executive Compensation Review

The Company does not specifically benchmark compensation to any specific group of companies.

9

Annual salary increases are generally made in amounts deemed necessary to maintain the competitiveness of the salary structure. Absent a material increase in duties or a significant change in the economic or competitive landscape, salaries are not increased materially from year to year.

At each meeting, Mr. Davis discusses with the Committee the performance evaluations of each of the NEOs excluding himself, and presents his recommendations. Mr. Davis is not present for any discussion involving his compensation.

Depending on the Company's performance for the year, the Compensation Committee establishes a cash incentive bonus pool based on a percentage of pre-tax earnings. Specific bonus amounts are awarded to each NEO based on performance. The Company realizes that all employees contribute to its success, and therefore, cash bonuses are also distributed to employees at all levels based on merit. The Company has never been required to materially adjust or restate the pre-tax earnings on which the bonus pool has been calculated and does not have a policy regarding the adjustment or recovery of bonuses in such an event.

The Committee also grants stock option awards under the Norwood Financial Corp. 2006 Stock Option Plan. The Stock Option Plan was designed to provide long-term incentives to NEOs, directors and other key employees that contribute to the success of the Company. The ten-year life of the options is structured to retain the NEOs and promote the long-term success of the Company.

The Board of Directors believes that equity-based compensation is important in aligning the interests of management with those of shareholders and has established the Wayne Bank Employee Stock Ownership Plan and 2006 Stock Option Plan to help it achieve this objective. Although each of the NEOs has a substantial personal investment in the Common Stock, the Board of Directors does not have formal equity ownership requirements or guidelines for executive officers.

COMPONENTS OF COMPENSATION PROGRAM

The components of compensation for 2006 are as follows:

Salary

As a result of the Company's ongoing success and the continuity of the management team, current base salary levels are above the median. The Compensation Committee approved a 3.5% increase in salaries at the November meeting. This level was based on information from the Conference Board which indicated commercial banks would increase officer salaries by 3.5%. NEOs salary increases ranged from 2.5% to 3.5%. Messrs. Davis and Critelli currently have base salary amounts under their employment agreements of \$226,000 and \$146,500, respectively, with minimum annual increases of \$6,000 and \$3,000 respectively.

Bonus

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

For 2006, the Board approved a bonus pool equal to 4% of pre-tax earnings to be distributed to all NEOs, other officers and employees. Historically, this bonus pool percentage has varied from 3.8% to 4.5% of pre-tax earnings. In establishing this bonus pool, the Committee considered the 9.6% increase in pre-tax earnings and improvement in ROA, ROE, the efficiency ratio and loan quality as compared to the prior year.

Stock Based Awards

The Compensation Committee approved stock option awards under the Norwood Financial Corp 2006 Stock Option Plan. The purpose of the plan is to provide incentives and rewards to officers, employees

10

and directors that contribute to the success and growth of the Company. In 2006, a total of 47,700 options were granted to 19 key employees including the NEOs. Of the total options granted in 2006, 25,200, which represents 0.90% of total shares outstanding, related to the Company's 2005 performance and 22,500 options, which represents 0.81% of total shares outstanding related to the Company's 2006 performance. The NEOs were awarded 45.3% of the total options granted. The percentage awarded to NEOs has declined over time as more key employees have been included in the plan.

Timing of Grants

Stock awards are typically granted annually as part of the individual performance review process. This takes place at the Compensation Committee Meeting in November. The full board ratifies the actions of the Committee in December and establishes the grant date. The exercise price is based upon the last sale price of the Company's stock at the closing on the effective date of grant or if there is no trading on such date then the last trading day prior to such date of grant. As described above, grants for 22,500 shares were awarded effective December 29, 2006. In addition, 25,200 awards were recommended by the Compensation Committee in November 2005 and were granted effective April 25, 2006 which coincided with the Shareholder Meeting and the approval of 2006 Norwood Financial Corp. Stock Option Plan.

Retirement and Severance Arrangements

The Company has salary continuation plan agreements (SCP) with each NEO. The agreements provide that upon termination of employment on or after reaching age 62, or following a change-in-control, if earlier, the NEOs will be eligible to receive annual retirement benefits as detailed in the Pension Benefits Table below. The SCP was initially established in 1999. Benefit amounts were calculated based on the amount of supplemental retirement income needed to allow the NEO to retire on approximately 40-75% of projected final salary when such supplemental benefit is added to the Company's qualified retirement plans and social security. The range of 40% to 75% of final salary is based on total years of service with the Company from inception date of the plan. The target supplemental salary levels payable at normal retirement age as follows: up to 15 years of service - 40%, 15-25 years - 65% and 25 or more - 75%.

The NEOs participate in the Bank's defined contribution profit-sharing and 401(k) Plan which is open to all employees over the age of 21 after one year of employment. The 401(k) Plan permits employees to make pre-tax contributions of between 2% and 10% of their compensation to their accounts in the 401(k) Plan

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

and the Bank will match the first 2% of the contribution. In addition, in November 2006, the Compensation Committee approved an additional corporate contribution equal to 4% of each eligible employee's compensation. The Committee considers the financial performance of the company when it sets the Company's annual contribution under the plan. For each NEO, the Company contributed 6% of the NEO's base salary to the Plan.

Each of the NEOs participate in the Employee Stock Ownership Plan (ESOP) which is open to all employees who have met the eligibility requirements. The Company makes discretionary annual contributions to the ESOP in an amount necessary to service the loan outstanding to the ESOP. As the loan has been paid down, shares have been released from pledge and allocated to the accounts of participants based upon their base salary in relation to the total salary of all participants under the Plan subject to certain "top hat" rules which limit the amount that can be allocated to highly compensated employees. (See Note 8 of Notes to the Consolidated Financial Statements in the 2006 Annual Report to Stockholders.)

As part of the long-term compensation package, the Company and the Bank have entered into three-year employment agreements with Messrs. Davis and Critelli. The agreements have a two step change-in-control trigger under which, in case of a voluntary termination within 30 days of a change-in-control or an

11

involuntary termination or voluntary termination for good reason during the six months before or within one year after a change-in-control, the NEO would be paid a lump sum amount equal to three times the five-year average of his annual compensation less \$1.00. We believe that the change-in-control provision is desirable in order to ensure that Messrs. Davis and Critelli remain focused on the interests of the Company and its shareholders in the event of a pending change-in-control. In the event of a change in control, the Company will indemnify the NEOs for any 20% tax penalties that may be incurred by them for amounts payable that exceed the limitations under Sections 280G and 4999 of the Code. If the Company terminated Messrs. Davis or Critelli, without just cause, they would be entitled to a payment of salary for amounts due under the agreement with a minimum severance payment of one year's salary.

The Bank has entered into change-in-control severance agreements with Messrs. Kasper, Sanders and Kneller which provide for severance payments upon their termination of employment in connection with a change-in-control in the same circumstances as in the Employment Agreements of Messrs. Davis and Critelli. The NEOs have severance protection upon termination of employment following a change-in-control of two times their current annual compensation. See "Potential Payments upon Termination or Change-in-Control."

The Compensation Committee balances short-term and long-term compensation for the NEOs. Long term compensation includes stock option grants, salary continuation plan and other benefits available to all employees which include contributions to 401(k) Plan, ESOP and life insurance. For 2006, the target range for short-term compensation as a percentage of total compensation was 66% to 73% with long-term compensation at 27% to 34% of total compensation. We believe this formula is competitive within our market place and peer group.

William W. Davis and Lewis J. Critelli have each entered into three-year employment agreements with Wayne Bank. The employment agreements provide for annual one-year renewals on each anniversary date of the agreements unless either party provides prior written notice to the contrary. The agreements each provide that the Board of Directors will review their salaries not less often than annually and shall increase their base salary by no less than \$6,000 per year in the case of Mr. Davis and no less than \$3,000 per year in the case of Mr. Critelli. The employment agreements provide that Messrs. Davis and Critelli will participate equitably in discretionary bonuses that the Board of Directors may award to senior management from time to time. Messrs. Davis and Critelli are also entitled to participate in specified benefit plans and in any fringe benefits made available to senior management. Messrs. Kasper, Sanders and Kneller have each entered into three-year Change-in-Control Severance Agreements which provide payments in the event of their termination in certain circumstances but which do not create employment obligations. For additional information, see "Potential Payments Upon Termination or Change-in-Control."

For fiscal year 2006, the Board of Directors increased the base salaries of the Named Executive Officers by approximately 2.5% to 3.5% each based on projected average salary increases in the banking industry and individual

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

performance. The Board of Directors established a bonus pool for all employees equal to 4% of pre-tax earnings. Cash bonuses were awarded to the Named Executive Officers based on a percentage of the total pool relating to the Compensation Committee's judgment as to their relative contribution to the success of the Company.

14

Consistent with its objective of using equity-based compensation as incentives for long-term performance and to align the interests of management with those of stockholders, the Board of Directors awarded options to the Named Executive Officers in December 2005 and December 2006. Because the December 2005 awards could not become effective until stockholders approved the 2006 Stock Option Plan at the 2006 Annual Meeting in April, the 2005 grants were not effective until that date. The 2006 grants were made effective as of the last trading day on the year. In each case, the options do not vest and become exercisable until one year from the date of grant. Award amounts were based on the Compensation Committee's assessment of the relative contribution to the Company's success. Approximately 45% of options awarded in 2006 were awarded to the Named Executive Officers with the remaining options granted to other officers of the Bank. Using the Black-Scholes Option Pricing Model and the assumptions described on Note 12 of Notes to the Consolidated Financial Statements, we determined that the fair value of each option granted in April 2006 was \$8.12 and the fair value of each option granted in December 2006 was \$8.09.

In accordance with SEC regulations, the Summary Compensation Table treats the increase in the present value of the Named Executive Officer's retirement benefit under the Salary Continuation Plan as an item of compensation. The Salary Continuation Plan provides that the Named Executive Officers will receive a fixed annual payment beginning at retirement at age 62 for a period of 15 years. The increase in present value is a function of the annual accrual to fully vest the Named Executive Officer at retirement age.

The Summary Compensation Table includes various miscellaneous income items under "All Other Compensation." Under the Company's 401(k) Plan, eligible employees may annually contribute between 2% and 10% of their compensation to their accounts in the 401(k) Plan. The Company generally matches employee contributions up to 2% of salary. In 2006, the Company made an additional contribution of 4% of salary. Since the Named Executive Officers each contributed at least 2% of salary, a contribution of 6% was made to each of their accounts. The Company pays premiums on life insurance coverage for all eligible employees including the Named Executive Officers with insurance coverage of three times base salary. Each Named Executive Officer also participates in the Wayne Bank Employee Stock Ownership Plan. Each plan year, the Bank makes a contribution to the ESOP which is used to purchase Common Stock that is allocated to the accounts of participants in approximate proportion to their wages subject to certain IRS rules which limit the maximum amount that can be allocated to a participant's account.

PENSION BENEFITS. The following table provides information with respect to each defined benefit pension plan in which a Named Executive Officer may receive payments or other benefits at, following, or in connection with retirement.

The Bank has entered into salary continuation agreements with the Named Executive Officers. The purpose of the salary continuation plan is to provide the Named Executive Officers with an additional retirement benefit in excess of the maximum benefit payable under the tax-qualified 401(k) plan. The agreements provide that upon termination of employment on or after reaching the age of 62, Messrs. Davis, Critelli, Kasper, Sanders and Kneller will be entitled to an annual retirement benefit equal to \$46,000, \$61,000, \$29,000, \$14,000 and \$24,000, respectively, payable over 15 years. The retirement benefit is fixed and not dependent on pre-retirement compensation. In the event of death during active service, the Named Executive Officer's beneficiary will be entitled to the normal retirement benefit commencing on the date of death. In the event of disability or early termination for a reason other than death, disability, cause or following a change-in-control, the Named Executive Officers are entitled to a reduced benefit payable beginning with 90 days of disability in the case of disability or at normal retirement age in the case of early termination. The amounts payable under early termination and disability are based upon the plan years in which the event occurred. If the Named Executive Officers work past age 62, they are eligible for an increased benefit of 4% per year, pro rated at 0.3274% per month compounded up to age 65. The Named Executive Officers are not entitled to benefits in the event they are terminated for cause. On a change of control of the Company, the Company will pay the normal retirement benefit to the Named Executive

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

Officers in 12 equal monthly installments payable on the first day of each month commencing with the month following attaining age 62 and continuing for 179 additional months. The Named Executive Officers will not be entitled to any benefit if they violate certain non-compete provisions including becoming employed by or participating in the management of another bank or thrift following a termination of employment. These non-compete provisions, however, do not apply following a change-in-control.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL. The Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. EMPLOYMENT AGREEMENTS. Under their Employment Agreements, the Company or the Bank may terminate Mr. Davis's and Mr. Critelli's employment at any time for "just cause" as defined in the Agreement without further liability. If the Company or the Bank terminated Messrs. Davis and Critelli without just cause,

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

they would be entitled to a continuation of their salaries for the remaining term of the Agreement with a minimum of one year from the date of termination as well as the continuation of other benefits. In the event of an involuntary termination or voluntary termination with good reason during the period beginning six months prior and ending one year after a change in control, Messrs. Davis and Critelli will be paid in a lump sum an amount equal to three times the five-year average of his annual compensation minus \$1.00. Under

18

the Agreements, Messrs. Davis and Critelli are prohibited from competing with the Bank for one year if their employment is terminated for just cause or they resign for a reason other than good reason.

SEVERANCE AGREEMENTS. The Bank has entered into change-in-control severance agreements with Messrs. Kasper, Kneller and Sanders which provide for severance payments in connection with a change-in-control in the same circumstances as the Employment Agreements of Messrs. Davis and Critelli. The severance agreements have terms of three years, renewable annually, and severance protection upon a termination of employment in connection with a change in control of the Bank, with such payment equaling two times the current annual compensation of Messrs. Kasper, Kneller and Sanders.

SALARY CONTINUATION PLAN. For a description of the Salary Continuation Plan, see " - Pension Benefits" above.

STOCK OPTION PLAN. The stock option plan provides that each outstanding stock option will become immediately vested in the event of the death or disability of the optionee or upon a change-in-control of the Company.

The Company does not presently compensate its directors. Each director of

Edgar Filing: NORWOOD FINANCIAL CORP - Form DEF 14A

the Company is also a director of the Bank and receives fees accordingly. Mr. William W. Davis, Jr., President and Chief Executive Officer of the Company and the Bank, does not receive board or committee fees for his participation thereon. Each non-employee member of the Bank's Board of Directors receives a retainer of \$1,675 per month. In addition, fees are paid for various committee meetings as follows: Trust Committee (\$300); Audit Committee (\$300); Compensation Committee (\$300); and Loan Committee (\$300). For the fiscal year ended December 31, 2006, fees paid to all directors totaled approximately \$181,525, all of which were paid by the Bank. The Company pays for life insurance coverage of \$50,000 for each director.

Under the 2006 Stock Option Plan, stock options for 525 shares each were awarded to non-employee directors effective upon stockholder approval of the plan for 2005 and options for 500 shares were awarded on December 29, 2006. The exercise price of these options was in each case equal to the fair market value of the underlying Common Stock on the effective date of grant. In each case, the options vest and become exercisable one year from the date of grant. Additional options may be granted to non-employee directors on an annual basis on a date established by the Compensation Committee.

RELATED PARTY TRANSACTIONS

Certain directors and executive officers of the Bank, their families and their affiliates are customers of the Bank. Any transactions with such parties including loans and commitments are made on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other persons, and do not include more than the normal risk of collectibility or present other unfavorable features. All loans to directors and executive officers are approved by the entire Board of Directors in advance with the director or executive officer abstaining from participating directly or indirectly in the voting.

Beard Miller Company LLP was the Company's independent auditors for the 2006 fiscal year.
