To finance the payment of the aggregate merger consideration, the Company used a combination of proceeds from borrowings under the Loan Agreement (as defined below) described in Item 2.03 below, proceeds from the issuance and sale of Preferred Stock (as defined below) described in Item 3.02 below and cash on hand.

Additional information and details of the Merger Agreement were previously disclosed in Item 1.01 of the Company’s Current Report on Form 8-K filed on July 10, 2008, and are incorporated by reference herein.
