ALTERNATE MARKETING NETWORKS, INC. AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)

1. Summary of Significant Accounting Policies:

The interim financial data is unaudited; however, in the opinion of management, the interim data includes all adjustments, consisting only of normal recurring adjustments, necessary for a fair presentation of financial position, cash flows, and the results of operations for the interim periods. The financial statements included herein have been prepared by the Company pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures included herein are adequate to make the information presented not misleading. The results of operations for the three months ended March 31, 2003 are not necessarily indicative of the results of operations expected for the year ending December 31, 2003.

Certain prior year amounts have been reclassified to conform with current year classifications.

The year-end consolidated balance sheet data was derived from audited financial statements, but does not include all disclosures required by generally accepted accounting principles. The organization and business of the Company, accounting policies followed by the Company and other information are contained in the notes to the Company's financial statements filed as part of the Company's Form 10-KSB for the fiscal year ended December 31, 2002. This quarterly report should be read in conjunction with the Form 10-KSB.

Recent Accounting Pronouncements

In June 2002 the Financial Accounting Standards Board ("FASB") approved for issuance SFAS No. 146, "Accounting for Costs Associated with Exit or Disposal Activities." SFAS No. 146 requires companies to recognize costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. This statement is effective for fiscal years beginning after December 31, 2002. The adoption of SFAS No. 146 did not have a material effect on the Company's financial position or results of operations.

2. Net Loss Per Share:

Basic earnings (loss) per share is calculated by dividing net income (loss) by the weighted average shares of common stock outstanding during the period. Diluted earnings (loss) per share is calculated by dividing net income by the weighted average number of common shares used in the basic earnings per share calculation plus the number of common shares that would be issued assuming conversion of all potentially dilutive shares outstanding. The anti-dilutive effects of all outstanding stock options for 1,885,100 shares were excluded from the calculation of the diluted loss per share at March 31, 2003.

3. Segment Information and Significant Customers:

For evaluation of profitability and allocation of assets and resources,

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

the Company is divided into three operating segments by product areas: (i) advertising and marketing, which includes newspaper advertising; (ii) logistics, which includes the delivery of telephone directories and tracking, verification and transportation services; and (iii) technology, which includes enterprise application consulting services. Management evaluates the segments' profitability primarily based on their gross profits. Substantially all of the Company's revenues are generated in the United States.

During the three months ended March 31, 2003, the advertising and marketing segment had one customer that accounted for a total of approximately 27% of the segment revenues, the logistics segment had one customer that accounted for a total of approximately 89% of the segment revenues, and the technology segment had two customers that accounted for a total of approximately 87% of the segment revenues.

Segment analysis for the three months ended March 31, 2003 and 2002 is provided in the tables below.

4. Stock based compensation:

On March 6, 2003, the Board of Directors of the Company increased the number of shares reserved and authorized for issuance under the 1995 Long-Term Incentive Stock Option Plan (the "Incentive Plan") from 1,500,000 to 3,000,000, subject to stockholder approval. This proposal was approved at the annual shareholder meeting on May 8, 2003.

For all of the Company's stock based compensation plans as of March 31, 2003, options for 1,865,100 shares were outstanding. During the quarter ended March 31, 2003, options for 1,700,000 shares were granted and options for 5,000 shares expired. Included in the options granted for 1,700,000 shares were 330,100 subject to approval at the annual shareholder meeting. Shares of 1,169,900 remain reserved and available for future grants.

The Company applies APB Opinion No. 25 and related interpretations in accounting for its stock option plans. All options granted to date were granted with exercise prices not less than the fair market value of the Company's common stock on the date of grant. Therefore, no compensation expense for stock options has been recognized in any year. If compensation cost for the Company's stock based plans had been determined based on the fair value of the options at the grant dates, consistent with the method prescribed by SFAS No. 123, "Accounting for Stock Based Compensation", the Company's net loss and loss per share would have been adjusted to the pro forma amounts indicated in the following table:

	Three months ended

	2003	2002
	-----	-----
Net Loss		
As Reported	\$ (405,104)	\$ (1,288,886)

Pro Forma	(\$0.04)	(\$0.28)

5. Change in Accounting for Goodwill Impairment and Amortization:

In July 2001, the FASB issued SFAS No. 142 "Goodwill and Intangible Assets," which required the cessation of amortization of goodwill and "indefinite-lived" intangible assets, and impairment testing and potential loss recognition, at least annually, for goodwill and non-amortized intangible assets, effective for the Company as of January 1, 2002.

In connection with the adoption of SFAS No. 142, the Company allocated goodwill to each of its reporting units and tested this goodwill for impairment as of January 1, 2002. The Company completed the testing during the second quarter ending June 30, 2002. As a result, a charge of \$1,204,058 was recorded to goodwill assigned to the Logistics reporting unit. The remaining goodwill of \$885,942 is assigned to the Advertising and Marketing reporting unit, as well as \$7,087,739, related to the Hencie acquisition, assigned to the Technology reporting unit.

6. Acquisition of Hencie, Inc.:

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

On May 31, 2002, the Company entered into an Amended and Restated Agreement and Plan of Reorganization pursuant to which it acquired approximately 82% of the common stock of Hencie, Inc., a Delaware corporation ("Hencie"). Hencie is an information technology company offering Oracle software consulting, implementation, and support services for a broad range of clients and industry segments. The acquisition was approved at the annual shareholder meeting held July 23, 2002 and was effective August 1, 2002. In exchange for approximately 82% of Hencie's common shares, the Company issued 3,982,323 common shares utilizing an exchange ratio of 1 share of its common stock for 3.563 shares of Hencie common stock. The business of Hencie added a third operating segment to the Company's services. Costs directly related to this acquisition of \$212,283 are included in the total acquisition price.

The estimated fair value of the common shares issued by the Company in connection with this acquisition was approximately \$2.5 million (\$.646 per share), and Hencie's net liabilities assumed by the Company were approximately \$4.3 million, which resulted in goodwill and other intangible assets of approximately \$7 million. The Company plans to complete its annual impairment test of the goodwill related to Hencie as of September 30, 2003.

The unaudited pro forma combined historical results, as if Hencie had been acquired and the related common shares had been issued at the beginning of 2002, are provided as follows:

	Three months ended March 31,	
	2003	2002

	(unaudited)	
Revenues	\$ 5,202,584	\$ 6,526,636
Loss from continuing operations **	(405,104)	(502,049)
Net loss **	\$ (405,104)	\$ (502,049)
Basic and diluted loss per share	\$ (0.04)	\$ (0.06)

**The 2002 period excludes a charge for the cumulative effect of accounting change of \$1,204,058.

The pro forma results are not necessarily indicative of what actually would have occurred if the acquisition had been completed as of the beginning of 2002, nor are they necessarily indicative of future consolidated results.

7. Drawbridge Note Payable Settlement:

Effective as of January 1, 2003, the Company's CEO contributed 1,474,309 common shares outstanding to the Company. This capital contribution was accounted for as treasury stock, at the estimated fair value of the shares, and additional paid in capital of \$334,607.

On February 14, 2003 the Company granted options to the CEO to purchase 1,700,000 common shares at \$0.50 per share. On February 18, 2003, the Company entered into the Release Agreement by and among the Company, Hencie, Inc., Hencie Consulting Services, Inc., K2VC LTD., Adil Khan (CEO), Drawbridge Investment Partners, LLC, and certain directors and stockholders of the Company. The agreement provided for settlement of the Drawbridge note payable and accrued interest, \$991,734 and \$22,606, respectively, for a cash payment of \$120,000, issuance of 2,474,039 shares of the Company's Common Stock, registration rights for such shares, and a contingent obligation for the Company to repurchase \$100,000 of the Company's common stock, at a minimum price of \$0.50 per share, from Drawbridge annually for three years

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

beginning February 18, 2004 ("redeemable common stock put"). Management estimates the total cash and fair value of the equity consideration given as follows:

Common stock issued	\$ 577,245
Common stock options granted	153,295
Redeemable common stock put	163,800
Cash	120,000

	\$1,014,340
	=====

The total maximum cash redemption requirement of the redeemable common stock put of \$300,000 is classified in the balance sheet as temporary equity at March 31, 2003. This obligation may decrease, contingent on, among other things, the remaining number of the Company's common shares held by Drawbridge at the redemption dates in February 2004, 2005 and 2006.

8. Financing and Debt:

The Company has financing agreements for its subsidiaries. National Home Delivery, Inc., an Illinois corporation and a wholly owned subsidiary of the Company, amended its existing financing agreements with Fifth Third Bank (the "NHD Credit Facility") on April 29, 2003 to extend the maturity date under the NHD Credit Facility from May 1, 2003 to May 1, 2004. The NHD Credit Facility provides for borrowings up to \$1,000,000. Borrowings under the NHD Credit Facility accrue interest at Fifth Third's prime rate (4.25% as of April 21, 2003) plus 100 basis points. Available borrowings under the NHD Credit Facility are subject to conditions and restrictions, including, without limitation, eligible accounts receivable restrictions and other restrictive financial covenants and performance ratios applicable to National Home Delivery. The NHD Credit Facility is secured by substantially all of the assets of Alternate Marketing Networks, Inc. and National Home Delivery, Inc. As of March 31, 2003, borrowings of \$700,000 were outstanding under the prior agreement. As of April 30, 2003, borrowings of approximately \$700,000 were outstanding and credit in the amount of approximately \$300,000 was available under the NHD Credit Facility.

Alternate Postal Direct, Inc., a Michigan corporation and a wholly owned subsidiary of the Company, entered into a new financing agreement with Accord Financial, Inc., (the "APD Credit Facility") on April 30, 2003 to replace the financing agreements between Alternate Postal Direct, Inc. and Fifth Third that expired on May 1, 2003. The APD Credit Facility provides for the sale of accounts receivable by Alternate Postal to Accord at a 1.5% discount and aggregate advances up to \$750,000. Advances under the APD Credit Facility accrue interest at the prime commercial rate of interest established from day to day by Bank of America, Inc. for short term unsecured loans to substantial borrowers. Sales of accounts receivable and advances under the APD Credit Facility are subject to conditions and restrictions, including, without limitation, accounts receivable eligibility restrictions, and accounts receivable verification and approval. The APD Credit Facility is secured by substantially all of the assets of Alternate Postal Direct, Inc. As of March 31, 2003, advances of \$225,000 were outstanding under the prior agreement. As of April 30, 2003, no advances were outstanding, and advances of approximately \$170,000 were available under the APD Credit Facility.

Hencie Consulting Services, Inc., a Delaware corporation and an indirect majority owned subsidiary of the Company, amended its existing financing agreement with Accord Financial, Inc., (the "HCS Credit Facility") on April 29, 2003. The HCS Credit Facility provides for the sale of accounts

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

receivable by Hencie Consulting to Accord at a 1.5% discount and aggregate advances up to \$750,000. Sales of accounts receivable and advances under the HCS Credit Facility are subject to conditions and restrictions including, without limitation, accounts receivable eligibility restrictions, and accounts receivable verification and approval. The HCS Credit Facility is secured by substantially all of the assets of Hencie Consulting. As of March 31, 2003, advances of \$314,651 were outstanding under the prior agreement. As of April 30, 2003, advances in the amount of approximately \$174,000 were outstanding and advances of approximately \$173,000 were available under the HCS Credit Facility.

Overview

The Company is a business services company serving Fortune 500 and middle market companies, through three complementary lines of business services: software implementation and support services; logistics process management; and advertising and marketing process management. Services are provided throughout the United States to clients such as General Motors, Verizon, Raytheon, and Lone Star Steel.

Our Services

Technology

The technology segment provides software consulting, implementation, and support services related to Oracle Corporation's suite of enterprise business applications to help its customers improve their business performance by applying direct industry experience, expertise in Oracle technology, and in-depth knowledge of business processes to create mission-critical business solutions for these companies. As an Oracle-certified service provider, this segment also provides enterprise resource planning, supply chain management, customer relationship management, application integration, and enterprise portal solutions. Customers of the technology segment include companies in the manufacturing, energy, and distribution industries. A majority of these customers are middle market companies with annual revenues greater than \$100 million. The technology segment generates a majority of its revenue on an hourly fee basis in connection with the implementation of Oracle software applications. The balance of its revenues are derived from providing pre-implementation consulting services and post-implementation support services. Revenues are recognized as services are performed, primarily on a time and materials basis.

Logistics

The logistics segment delivers and tracks and verifies the delivery of various products, including telephone directories, and provides brokered transportation of various goods for national and regional companies. This segment's internet-based itrackdirectoriesSM system allows it to electronically monitor and update its customers on the delivery status of their products. Customers of the logistics segment include companies in the telecommunications, publishing, and packaged goods industries. Logistics segment revenues are recognized primarily as distribution services and verification services are completed.

Advertising and Marketing

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

The advertising and marketing segment forms newspaper advertising networks and sells and places print advertising and advertising inserts in suburban newspapers for national advertisers. This segment has been placing advertising in suburban newspapers for over 30 years, and has long-term relationships with its customers as well as the newspapers in which the advertising is placed. Customers of this segment are able to choose from approximately 1,100 newspapers in over 50 markets nationwide and may focus advertising on specific regions and demographic segments. This segment handles all of the customary back room advertising functions ensuring that the ads run correctly and provides customers with a "one-order one-bill" service. Customers in the advertising and marketing segment include companies in the telecommunications, automotive, travel, and hospitality industries. Revenues for this segment are recognized primarily as the print advertising and advertising inserts are distributed with the newspapers.

Critical Accounting Policies and Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Assumptions and estimates of future earnings and cash flow are used in the periodic analyses of the recoverability of goodwill, deferred tax assets, and property, plant and equipment. Historical experience and trends are used to estimate reserves, including reserves for bad debts. To the extent that future earnings, cash flows and costs and losses are determined to be different from the assumptions and estimates used, adjustments may be required.

There have been no significant changes to the critical accounting policies, estimates and judgments disclosed in the Company's Form 10-KSB for the year ended December 31, 2002.

Total net revenues increased \$1,121,039 (27%) from \$4,081,545 for the three months ended March 31, 2002 to \$5,202,584 for the three months ended March 31, 2003. The technology segment accounted for net revenues of \$1,738,462 during the first quarter of fiscal 2003. This segment was added with the acquisition of Hencie, Inc. effective August 1, 2002. The combined net revenues of the advertising and marketing and logistics segments decreased \$617,423 (15%) from \$4,081,545 for the three months ended March 31, 2002 to \$3,464,122 for the three months ended March 31, 2003. Net revenues of the logistics segment decreased \$164,394 (21%) for the three months ended March 31, 2003 compared to the comparable period of 2002 primarily due to reduced sales of transportation logistics services. Revenues from the advertising and marketing segment decreased \$453,029 (14%) due to changes in the customer base of this segment, including the loss of higher volume customers. Pricing in the advertising and marketing and logistics segments remained constant.

Cost of revenues by segment and percentage of total cost of revenues for the three months ended March 31, 2003 and 2002 were as follows:

	Three months ended March 31, 2003		2002	
	Amount	%	Amount	%
Technology	\$1,147,560	30%	\$ --	--
Advertising and Marketing	2,405,493	62%	2,720,704	86%
Logistics	299,708	8%	451,225	14%
Total cost of revenues	\$3,852,761	100%	\$3,171,929	100%

Cost of revenues increased \$680,832 (21%) for the three months ended March 31, 2003 compared to the three months ended March 31, 2002. This increase was attributable to the increase in net revenues from the recently acquired technology segment. The combined cost of revenues of the advertising and marketing and logistics segments decreased \$466,728 (15%) due primarily to lower revenues.

Gross profit per segment and percentage of total gross profit for the three months ended March 31, 2003 and 2002 were as follows:

	Three months ended March 31, 2003		2002

Logistics marketing	52.0%		42.8%

Total Gross Profit	25.9%		22.3%	
	=====		=====	

Gross profit increased \$440,207 (48%) for the three months ended March 31, 2003 compared to the three months ended March 31, 2002. This increase was attributable to the acquisition of the technology segment. Total gross profit of the other segments decreased \$150,695. The logistics segment recognized an increase in gross margin of 9.2% from 42.8% for the three months ended March 31, 2002 to 52.0% for the three months ended March 31, 2003, while the gross margin in the advertising and marketing segment decreased 2.1% from 17.4% for the three months ended March 31, 2002 to 15.3% for the three months ended March 31, 2003.

Selling, general, and administrative expenses increased \$700,303 (70%) for the three months ended March 31, 2003 to \$1,700,473 from \$1,000,170 for the three months ended March 31, 2002. This increase was primarily due to the acquisition of the technology segment and the resulting increased number of employees, as well as related overhead expenses. In addition, the Company incurred increased expenses in legal and professional services, primarily due to increases associated with public company reporting.

As a result of the foregoing, losses from operations increased \$260,096 for the three months ended March 31, 2003 to (\$350,650) from (\$90,554) for the three months ended March 31, 2002.

Interest income for the three months ended March 31, 2003 and 2002 was \$657 and \$7,814, respectively. Interest expense for the three months ended March 31, 2003 and 2002 was \$55,111 and \$0, respectively. The reduction in interest income, net of interest expense was due to the decrease in cash available for investing as well as interest expense attributable to borrowings in 2003 not present in 2002.

As of January 1, 2002 the Company adopted SFAS No. 142, allocated goodwill of \$2,004,447 to each of its reporting units, and tested this goodwill for impairment. The Company completed the testing during the second quarter ending June 30, 2002. As a result, a charge of \$1,204,058 was recorded for the goodwill assigned to the logistics reporting unit as a cumulative effect of accounting change.

Pro forma Results of Operations

The unaudited pro forma combined historical results, as if Hencie had been acquired at the beginning of 2002, are provided as follows:

Three months ended March 31,

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

	2003	2002
	-----	-----
	(unaudited)	
Revenues	\$ 5,202,584	\$ 6,526,636
Loss from continuing operations **	(405,104)	(502,049)
Net loss **	\$ (405,104)	\$ (502,049)
Basic and diluted loss per share	\$ (0.04)	\$ (0.06)

**The 2002 period excludes a charge for the cumulative effect of accounting change of \$1,204,058.

The pro forma results are not necessarily indicative of what actually would have occurred if the acquisition had been completed as of the beginning of 2002, nor are they necessarily indicative of future consolidated results.

The pro forma revenues included above from the Hencie acquisition were \$2,445,091 for the three months ended March 31, 2002 compared to the current revenues of \$1,738,462 included in the period ended March 31, 2003. This decrease of \$706,629 (41%) was largely attributable to an overall spending decrease for capital expenditures by companies, which purchase the enterprise software applications which Hencie implements. The gross margin declined as the existing customers negotiated discounts on certain contract extensions to expand the scope of work on current projects.

Quarterly Fluctuations and Seasonality

Although the logistics segment and the advertising and marketing segment experience some seasonality in operations corresponding with holiday advertising, such variations have not been material to the overall results of operations of the Company. Revenues from the delivery of telephone directories also fluctuate quarterly with the contractual delivery schedules of customers, and vary during the course of the year.

Revenues and operating results from the technology segment have fluctuated significantly in the past. The Oracle Implementations services category of the technology segment historically has experienced greater revenues during the first and second quarters, and significantly lower revenues in the third and fourth quarters. Accordingly, although a comparison of any given fiscal quarter to the same fiscal quarter of a previous year may be meaningful, other period-to-period comparisons, including comparisons of fiscal quarters in the same fiscal year, of the operating results of the technology segment may not be meaningful.

This fluctuation between quarters is attributable to the project cycles of customers of the technology segment, most of whom have calendar-based fiscal years and are more likely to start project cycles during the first half of the year. Further, because most of the technology segment's expenses, including expenses associated with its employees, are relatively fixed in the short-term, several other factors can cause significant variations in the quarterly operating results, including:

- fluctuations in the number of customer projects it is awarded;
- cancellations or delays by its customers of planned projects;
- its employee utilization rate; and
- number of billable days in a given quarter.

The Company believes that the technology segment will experience similar

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

fluctuations in operations in the future. If the Company is unable to predict the cyclical customer demand in a slower growth or distressed economic environment, expenses may be disproportionate to and/or exceed revenues.

Liquidity and Capital Resources

The Company has historically funded its operations and working capital needs from operating cash flows and borrowings. During the three months ended March 31, 2003, cash decreased \$288,808. This decrease was primarily attributable to debt service payments on our existing lines of credit during this period. Net cash used in financing activities was \$281,305 for the three months ended March 31, 2003 and included debt service payments of \$200,000 on our existing lines of credit. Net cash used in operating activities was \$6,859 for the three months ended March 31, 2003. The Company used working capital to fund operating losses during this period.

The Company currently funds its operations and working capital needs from operating cash flows and borrowings under financing agreements between its subsidiaries and lenders. As of May 8, 2003, the Company is in compliance with all of these financing agreements.

National Home Delivery, Inc., an Illinois corporation and a wholly owned subsidiary of the Company, amended its existing financing agreements with Fifth Third Bank (the "NHD Credit Facility") on April 29, 2003 to extend the maturity date under the NHD Credit Facility from May 1, 2003 to May 1, 2004. The NHD Credit Facility provides for borrowings up to \$1,000,000. Borrowings under the NHD Credit Facility accrue interest at Fifth Third's prime rate (4.25% as of April 21, 2003) plus 100 basis points. Available borrowings under the NHD Credit Facility are subject to conditions and restrictions, including, without limitation, eligible accounts receivable restrictions and other restrictive financial covenants and performance ratios applicable to National Home Delivery. The NHD Credit Facility is secured by substantially all of the assets of Alternate Marketing Networks, Inc. and National Home Delivery, Inc. As of April 30, 2003, borrowings in the amount of approximately \$700,000 were outstanding and credit in the amount of approximately \$300,000 was available under the NHD Credit Facility.

Alternate Postal Direct, Inc. ("APD"), a Michigan corporation and a wholly owned subsidiary of the Company, entered into a new financing agreement with Accord Financial, Inc., (the "APD Credit Facility") on April 30, 2003 to replace the financing agreements between APD and Fifth Third Bank that expired on May 1, 2003. The APD Credit Facility provides for the sale of accounts receivable by APD to Accord at a 1.5% discount and aggregate advances up to \$750,000. Advances under the APD Credit Facility accrue interest at the prime commercial rate of interest established from day to day by Bank of America, Inc. for short term unsecured loans to substantial borrowers. Sales of accounts receivable and advances under the APD Credit Facility are subject to conditions and restrictions, including, without limitation, accounts receivable eligibility restrictions, and accounts receivable verification and approval. The APD Credit Facility is secured by substantially all of the assets of APD. As of April 30, 2003, no advances were outstanding, and advances in the amount of approximately \$170,000 were available under the APD Credit Facility.

Hencie Consulting amended its existing financing agreement with Accord (the "HCS Credit Facility") on April 29, 2003. The HCS Credit Facility provides for the sale of accounts receivable by Hencie Consulting to Accord at a 1.5% discount and aggregate advances up to \$750,000. Advances under the HCS Credit Facility accrue interest at the prime commercial rate of interest established from day to day by Bank of America, Inc. for short term unsecured loans to substantial borrowers. Sales of accounts receivable and advances

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

under the HCS Credit Facility are subject to conditions and restrictions, including, without limitation, accounts receivable eligibility restrictions, and accounts receivable verification and approval. The HCS Credit Facility is secured by substantially all of the assets of Hencie Consulting. As of April 30, 2003, advances in the amount of approximately \$174,000 were outstanding and advances in the amount of approximately \$173,000 were available under the HCS Credit Facility.

On February 18, 2003, the Company entered into an agreement regarding settlement of approximately \$1 million of liabilities owed by Hencie to Drawbridge. The agreement provided for a cash payment of \$120,000, issuance of 2,474,039 shares of common stock by the Company to Drawbridge, registration rights for the shares, and an obligation for the Company to repurchase \$100,000 of the shares, at a minimum of \$0.50 per share, from Drawbridge annually for three years beginning February 18, 2004.

The Company believes that its existing financing arrangements and estimated operating cash flows will be sufficient to fund its operations and working capital needs for at least the next 12 months. There can be no assurance, however, that a failure to comply with the provisions of our existing financing arrangements, changes in operating plans, the acceleration or modification of expansion plans, lower than anticipated revenues, increased expenses, potential acquisitions, or other events will not cause the Company to seek additional financing sooner than anticipated, prevent the Company from achieving the goals of its expansion strategy, force the closure of unprofitable segments or portions of these segments, or prevent the Company from operating profitably. In addition, there can be no assurance that any additional financing, if needed, will be available on terms acceptable to the Company or at all.

There have been no significant changes to the cash obligations table as presented in the Company's Form 10-KSB for the year ending December 31, 2002, except for the notes payable to bank. One note has been renewed for \$1,000,000 and matures May 1, 2004. The balance outstanding as of March 31, 2003 was \$700,000. The other note was paid in full on April 30, 2003, and was not renewed.

Outlook for the Future

The Company will continue with its expansion plans for the technology segment through the Fulcrum Strategy as described in the Company's Form 10-KSB for the year ending December 31, 2002. As part of the Fulcrum Strategy, the Company expects to offer new enterprise resource services, such as Sarbanes-Oxley processes, to customers who have existing enterprise applications to add new functionality to their systems. In addition, the Company intends to offer lower cost maintenance, support and outsourcing services as businesses are seeking to reduce their technology costs. In order to maintain its margins and offer the reduced costs, the Company plans to enter into an alliance with an offshore IT service provider of low cost, highly qualified professionals in countries such as India.

The Company continues to seek the right opportunity to acquire other enterprise software service providers to augment the services currently offered which will enable the Company to meet the "technology life cycle" needs of its clients and expand its service offerings, territory, and industry expertise.

FACTORING AGREEMENT

RICHARDS CAPITAL CORPORATION
5950 Berkshire Lane, Suite 1200
Dallas, Texas 75225

LADIES AND GENTLEMEN:

We hereby request that you, as secured party, act as sole factor for the undersigned (the "Company") upon the following terms:

1. The Company hereby agrees to offer to you accounts, chattel paper, documents, instruments, and general intangibles (all herein called "accounts"), arising out of sales of merchandise, services rendered, or labor performed by the Company during the term of this Agreement, and to sell to you such accounts as you may approve for purchase. You shall purchase all such accounts which may be acceptable to you. The Company may from time to time submit orders to you for credit approval prior to acceptance by you; however, you shall not be obligated to purchase the account arising out of any such order if such account is not acceptable to you when submitted for purchase. All accounts purchased by you shall be purchased with out recourse against the Company as to the financial ability of the account debtors to pay, except for those accounts designated by you on any Schedule of Accounts presented by the Company to you (Schedule) by marking an "R" to the right of the account listing. Accounts so marked with an "R" shall be purchased by you with full recourse against the Company. You shall notify the Company that you are purchasing the designated accounts "with recourse" by returning a copy of the Schedule to the Company so marked.

2. Except as you may otherwise consent, the terms of all accounts submitted to you for purchase shall be as follows: N-45

After an account has been purchased by you, the Company shall not have the right to vary the terms of sale set forth in the invoice relating to such account without your consent. If any such variation in terms is requested by the Company, it is recognized that you will incur the same bookkeeping expense as if you had purchased a new and separate account, as you shall therefore be entitled to receive as a condition precedent to approving such change a sum equal to (1) any decrease in "net amount", as herein defined, of such account, which would result from such variation in terms, plus (2) an additional factoring commission computed in the same manner as if the account had been newly purchased by you on the date of the Company requested a variation in the terms of the sale. The said additional factoring commission may be referred to in accounting records as a dating charge, and may in your sole discretion, if in your opinion the circumstances justify a reduction, be less than the full factoring commission determined as if the account had been newly purchased.

3. Each account accepted by you for purchase shall be purchased by you for a purchase price equal to the net amount of such account, less your factoring commission equal to 2.75% of the net amount of such account. The "net amount" of each account purchased by you hereunder shall mean the gross amount payable thereunder, less all permitted discounts, calculated on the basis of the shortest selling terms provided. The purchase price of each account shall be paid on the date (the "Payment Date") which shall be the earlier of (a) 5 days after your receipt of payment of the account from the account debtor; or (b) the last day of the third month following the due date thereof.

At any time after you have purchased an account and prior to the Payment Date, the Company shall have the right at its option to borrow from you up to

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

80.00% of the purchase price thereof, subject to the adequacy of the Reserve Fund. The term of any such loan requested by the Company shall be the period of time from date upon which the funds are advanced by you to the Company to the Payment Date. The principal amount of any such loan shall bear interest at a fluctuating annual rate from the date of such loan until maturity, which annual rate shall be 3.50 percentage points above the prime commercial rate of interest ("Prime Rate") established from day to day by your Bank for short-term unsecured loans to substantial and responsible commercial borrowers. Each change in the rate charged Company shall be effective without notice to Company on the first day of the calendar month following that calendar month in which a change in the Prime Rate shall have been made, but in no event shall the rate charged Company exceed the maximum rate of interest permitted by applicable law. Such interest shall be charged to the Company Account as defined in paragraph 4. Interest shall be calculated at a daily rate equal to 1/360 of the applicable annual rate.

Your factoring commission shall be consideration for all services in making credit investigations of the Company's customers whose accounts are offered to you for purchase, in accepting the risk of such payment by the Company's customers beyond the Payment Date, your services in handling all bookkeeping with respect to accounts which you purchase, your services in collecting all accounts purchased by you, and for assuming the complete credit risk on accounts purchased without recourse by you.

4. All transactions between you and the Company will be recorded in an account (herein referred to as "Company Account"). A copy of this Company Account, setting forth all debits and credits to the Company Account during each calendar month, shall be furnished to the Company within fifteen (15) days after the end of such calendar month. You shall have the right to create and maintain a reserve fund (herein referred to as "Reserve Fund") out of any payments or credits otherwise to be made by you to Company in an amount equal to 20.00% of the then aggregate unpaid gross amount of all accounts purchased by you hereunder, and to charge against the Reserve Fund any amount for which Company may become obligated to you, whether such obligation arises under this Agreement or otherwise. However, you are authorized, without giving prior notice to Company, to increase the amount or the percentage of the Reserve Fund at such times as you may deem same is reasonably necessary to cover and provide for account debtor claims as defined in paragraph 8 and/or present or potential indebtedness of Company to you.

The Company recognizes that nay balance in the Company Account and Reserve Fund represent bookkeeping entries and not cash funds. The total amount of the Company Account will include, without specifically showing, any amount held in the Reserve Fund. You, however, agree to advise the Company upon request of the exact amount of the Reserve Fund being maintained by you as of any particular date.

You, in addition to the outright ownership of those receivables purchased, are granted and shall have a continuing Security Interest in all other of the Company's accounts (which includes accounts, chattel paper, documents, instruments, and general intangibles), inventory, products, and proceeds, now or hereafter existing, and insurance proceeds covering all of same, together with all moneys credited to Company and any of Company's property at any time in your possession, as security for any and all obligations or indebtedness of Company to you of any kind, direct or contingent, however such obligations or indebtedness shall arise or be incurred or evidenced, whether now or hereafter existing, and whether under this Agreement or otherwise. You shall shave all of the rights and remedies provided in this Security Agreement and in the Uniform Commercial Code in force at the time of the execution of this Security Agreement and by any amendment thereof.

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

5. Notwithstanding any other provisions of this Agreement, you shall also be entitled at all times, both before and after any termination of this Agreement, to hold all sums to the credit of Company as security for any and all of the Company's obligations to you, no matter how arising, and any amount which you are authorized hereunder to charge to Company or for which Company is obligated to you may be withheld or deducted by you at any time in your sole discretion from any remittances, payments or credits otherwise to be made by you hereunder.

6. The Company agrees to deliver to you the original and one copy of all invoices relating to accounts purchased by you hereunder together with evidence of shipment of the related merchandise and a written assignment of such accounts, all in form satisfactory to you, and, upon your request, the original purchase order from its account debtor. Invoices delivered to you shall plainly state on their face that the amounts payable thereunder have been assigned to and are payable to you and billing on such invoices shall constitute an assignment to you of the accounts thereby represented whether or not a specific written assignment is executed. You shall mail at the Company's expense all invoices representing accounts accepted by you for purchase. If in your sole judgment the credit risk of any account debtor under any account purchased by you becomes impaired before delivery of the related merchandise, the company will, upon request and at its expense, use its best efforts to stop delivery.

7. The Company hereby sells, transfers and assigns to you all rights, title and interest of the Company in and to all accounts assigned to you together with all guaranties and security therefore and all rights, title and interest of the Company in the merchandise represented by such accounts, including all of the Company's rights to stoppage in transit, replevin and reclamation and as an unpaid vendor. The Company agrees to execute and deliver to you such notices of assignment and other documents and to make such entries and markings upon its books and records as you may request to better protect the sale and assignment of accounts hereunder.

8. The Company hereby warrants to you that assignment to you of each account purchased by you hereunder will vest absolute ownership of such account to you free from any liens, claims or equities of third parties; that each account shall on the date of assignment be based upon a bona fide sale and actual shipment of merchandise, services rendered, or labor performed by the Company during the term of this Agreement, and shall be a valid and enforceable obligation of the named account debtor; and that such merchandise shall be accepted and retained by the account debtor without assertion of any account debtor claim. The term "account debtor claim" shall mean any defense, dispute, offset, or claim asserted by an account debtor with respect to an account or the related merchandise, but the term "account debtor claim" shall not include the failure of an account debtor to pay due to financial inability. The Company shall immediately notify you of the assertion of any account debtor claim or of the breach of any other warranty hereunder. The Company shall at its own expense settle all account debtor claims, subject to your approval, but you shall have the right, in your discretion, to settle any account debtor claim directly with the account debtor involved upon such terms as you may deem advisable at the Company's expense. If you should so elect to settle an account debtor claim yourself, you are specifically vested with a power of attorney to act in Company's name, place and stead, the same as Company could of in person, and you are authorized hereby to execute all release, settlement or compromise agreements, and to receive and receipt for and in Company's name, all money or other property that you may receive in settlement, release, and/or compromise of account debtor claims. In the event of any account debtor claim or other breach of warranty hereunder as to any account, you may at your election reassign to the Company without recourse, the unpaid balance of such account (or any disputed portion

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

thereof) and charge the amount of such unpaid balance (or reassigned portion thereof) to the Company Account or Reserve Fund or at your option the Company agrees to pay such amount to you on demand.

9. If any account purchased "with recourse" as set forth in Paragraph 1 hereof remains unpaid thirty (30) days after the maturity date of such account, the Company agrees to repurchase that account from you and shall pay you the gross amount of the account remaining unpaid in cash at Dallas, Texas, within three business days after receipt of request for payment from you. If the Company has sufficient funds in the Reserve Fund maintained by you, you are authorized to take such payment directly from the Reserve Fund if payment is not received within three business days after receipt of such request from you.

10. If any remittances on an account purchased by you shall be received by the Company such remittances shall be held by the Company in trust for your, separate and apart from the Company's own properties and funds, and shall be immediately delivered to you in identical form in which received. In the event any merchandise represented by an account purchased by you shall be returned to or repossessed by the Company, such merchandise shall be held by the Company in trust for you, separate and apart from the Company's own property, and subject to your directions and control.

11. You and your agents shall have the right, at all times during normal business hours, to examine and make extracts from all books and records of the Company. The Company authorizes you and your agents to receive, open and dispose of mail addressed to the Company and to endorse the name of the Company upon checks and other instruments and documents, and in the name of and as agent for the Company to do all other acts and things necessary to carry out this agreement.

12. This Agreement shall become effective upon your acceptance hereof, shall be deemed dated as of the date of your acceptance, and shall continue in full force and effect for 6 months from the effective date hereof, and from year to year thereafter, unless terminated as to future transactions by either party giving to the other not less than thirty days advance written notice by mail, but any such notice given by the Company shall not be effective prior to the end of the initial period, or prior to the end of any succeeding year, as the case may be, and in any event, the Company shall have no right to terminate this Agreement until all obligations (direct or contingent, hereunder or otherwise) owing by the Company to you shall have been paid in full, whether or not such obligation is due or is to become due in the future. You may, at your election, immediately terminate this Agreement as to future transactions, without notice, if the Company shall fail to perform any of its obligations hereunder or shall breach any warranty contained herein, or if the Company shall become insolvent or suspend business or if a petition under any chapter of the Federal Bankruptcy Act or any other insolvency or debtor statute or receivership proceedings shall be filed by or against the Company, or if any guaranty of the obligations of the Company hereunder shall be terminated by the guarantor, or if you should otherwise deem yourself insecure. Termination of this Agreement shall not affect the rights and obligations of the parties accruing with respect to prior transactions. The Company agrees to reimburse you upon demand for all attorney's fees, court costs, and other expenses incurred by you in enforcing any of your rights against the Company under this Agreement. In the event that the Company shall have breached any provision of this Agreement or any other agreement with you or if this Agreement shall have been terminated, the Company Account, Reserve Fund any other monies, balances, or credits otherwise due by you to the Company may be retained and applied by you from time to time upon any indebtedness (direct or contingent) then or thereafter due from the Company, and the Reserve Fund shall upon such breach or termination be increased to an amount equal to the then aggregate unpaid

Edgar Filing: ALTERNATE MARKETING NETWORKS INC - Form 10QSB

gross amount of all accounts purchased by you hereunder. You shall have all of the right and remedies provide in this Agreement and in the Uniform Commercial code in force at the time of the execution of this Agreement and by any amendment thereof.
