ITEM 15T. CONTROLS AND PROCEDURES

DISCLOSURE CONTROLS AND PROCEDURES

An evaluation was performed under the supervision and with the participation of the Company's management, including Mr. Grosso, the Company's Chief Executive Officer, and Mr. Lang, the Company's Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures pursuant to Rules 13a-15(b) and 15d-15(b) of the Securities Exchange Act of 1934 (the "Exchange Act") as of December 31, 2006. Based upon that evaluation, Messrs. Grosso and Lang, concluded that the Company's disclosure controls and procedures are effective to ensure that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms.

MANAGEMENT'S ANNUAL REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

The Company's management, including Mr. Grosso, the Company's Chief Executive Officer, and Mr. Lang, the Company's Chief Financial Officer, is responsible for establishing and maintaining adequate internal control over the Company's financial reporting, as such term is defined in Rule 13a-15(f) under the Exchange Act. The Company's internal control system was designed to provide reasonable assurance to the Company's management and its board of directors regarding the reliability of financial reporting and the preparation and fair presentation of published financial statements for external purposes in accordance with generally accepted accounting principles. All internal control systems, no matter how well designed, have inherent limitations. Therefore, even those systems determined to be effective can provide only reasonable assurances with respect to financial statement preparation and presentation. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may decline.

The Company's management, (with the participation of Mr. Grosso, the Company's Chief Executive Officer, and Mr. Lang, the Company's Chief Financial Officer), conducted an evaluation, pursuant to Rule 13a-15(c) under the Exchange Act, of the effectiveness, as of the end of the period covered by this Annual Report, of the Company's internal control over financial reporting based on the criteria set forth in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on the results of this evaluation, management assessed the effectiveness of the Company's internal control over financial reporting as at December 31, 2006 and concluded that its internal control over financial reporting was effective as of December 31, 2006.

## Edgar Filing: IMA EXPLORATION INC - Form 20-F/A

This Annual Report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the Company's registered public accounting firm pursuant to temporary rules of the SEC that permit the Company to provide only management's report in this Annual Report.

### CHANGES IN INTERNAL CONTROL OVER FINANCIAL REPORTING

During the fiscal year ended December 31, 2006, there were no changes in the Company's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.
