Peltz and May so that after payment of such excise taxes, Messrs. Peltz and May will be in the same after-tax position as if no excise tax had been imposed. The agreements also provide that in the event that employment is terminated without "cause" by the Corporation, by Messrs. Peltz or May for "good reason," or under other specified circumstances (including a change of control), all non-vested stock options and other non-vested stock or stock-based awards then owned by the executives will, subject to certain limitations, vest immediately and (i) subject to certain limitations, all of such awards granted on or after February 24, 2000 and (ii) all of the Company stock options granted before February 24, 2000 with an exercise price greater than \$17.6875 per share (the closing price of the Company's common stock on such date), will remain exercisable until the earlier of one year following termination or the award's stated expiration date.

John L. Barnes, Jr., Eric D. Kogan and Brian L. Schorr. Each of Messrs. Barnes, Kogan and Schorr, the Company's Executive Vice President and Chief Financial Officer, Executive Vice President - Corporate Development and Executive Vice President and General Counsel, respectively, are parties to employment agreements with the Company entered into effective as of February 24, 2000. The agreements provide for a three year term, unless otherwise terminated as provided therein, with automatic annual one year renewals unless either the Company or the employee gives written notice not later than 180 days preceding the date of any such extension that such party does not wish to extend the term. The agreements provide for annual base salaries of \$475,000 per year, subject to increase but not decrease from time to time. In addition, the executives are eligible to receive bonuses during each of the Company's fiscal years from time

to time as appropriate, in the sole discretion of the Company, and to participate in the 1999 Executive Bonus Plan. In the event employment is terminated by the Company without "cause," or by an executive for certain specified reasons (including following a "change of control" or for "good reason"), the agreements provide that each executive will be entitled to receive within ten days of termination, among other things, an amount equal to the sum of: (i) the executive's then current base salary through the date of termination, any bonus amounts payable, accrued vacation pay, and two and one-half times the sum of Company contributions paid or accrued on the executive's behalf to any defined contribution retirement plans during the year preceding termination; (ii) the executive's then current salary through the remainder of the employment term (but in no event for more than two and one-half years); and (iii) two and one-half times the highest bonus, as calculated under the agreements. In addition, the executives will be entitled to receive a pro rata bonus for the year in which the termination occurs. Under the agreements, in the event that any benefit paid to Messrs. Barnes, Kogan or Schorr becomes subject to excise tax imposed under Section 4999 of the Internal Revenue Code, the Company will indemnify Messrs. Barnes, Kogan and Schorr so that after payment of such excise taxes, Messrs. Barnes, Kogan and Schorr will be in the same after-tax position as if no excise tax had been imposed. The agreements also provide that in the event that employment is terminated without "cause" by the Company, by Messrs. Barnes, Kogan or Schorr for "good reason," or under other specified circumstances (including a change of control), all non-vested stock options and other non-vested stock or stock-based awards of the Company or any subsidiary then owned by the executives will, subject to certain limitations, vest immediately and (i) all of such awards granted on or after February 24, 2000 and (ii) all of the Company stock options granted before February 24, 2000 with an exercise price greater than \$17.6875 per share (the closing price of the Company's common stock on such date), will remain exercisable until the earlier of one year following termination or the award's stated expiration date.

1999 EXECUTIVE BONUS PLAN

The Company's 1999 Executive Bonus Plan is designed to provide incentive compensation for designated executive officers and key employees of the Company and its subsidiaries that is directly related to the financial performance of the Company. The plan was approved by the Company's stockholders on September 23, 1999. The 1999 Executive Bonus Plan, which is effective as of May 3, 1999, provides for two types of bonuses to be awarded to designated participants: "Formula Bonus Awards" and "Performance Goal Bonus Awards". Formula Bonus Awards are

based solely on the Company's operating performance using certain predetermined factors outlined in the plan. Performance Goal Bonus Awards are based on the Company achieving certain performance goals which are established annually by the Performance Committee, based on specific categories of criteria set forth in the 1999 Executive Bonus Plan. Such criteria include the successful completion of acquisitions, dispositions, recapitalizations, financings and refinancings, return on the Company's investment portfolio and other market and operating performance measures, including, among other things, earnings per share, market share, margins, productivity improvement and stock price. The

Edgar Filing: TRIARC COMPANIES INC - Form 10-K405/A

Performance Committee establishes the performance goals as to each participant for each plan year and, if more than one performance goal is established, the weighting of the performance goals. Messrs. Peltz and May are eligible to receive Formula Bonus Awards and each of Messrs. Peltz, May, Barnes, Kogan and Schorr has been designated by the Performance Committee as being eligible to receive a Performance Goal Bonus Award under the 1999 Executive Bonus Plan for plan year 2001. Performance Goal Bonus Awards may not exceed \$5,000,000 to any single participant for any plan year. The Performance Committee may, in its sole and absolute discretion, adjust or modify the calculation of the performance goals in certain circumstances. In addition, the 1999 Executive Bonus Plan provides that the Performance Committee may reduce or eliminate a Performance Goal Bonus Award even if certain performance goals have been achieved if the Performance Committee, in its sole discretion, determines to do so. The Performance Committee may also amend, suspend, or terminate the 1999 Executive Bonus Plan or any portion thereof at any time; provided that no such amendment or alteration shall be made that would impair the rights of any participant without the participant's consent. Payments of awards under the 1999 Executive Bonus Plan are intended to be exempt from the tax deduction limitation of Section 162(m) of the Internal Revenue Code, which generally limits deductions for compensation paid to senior executive officers to \$1.0 million per year.

DISCRETIONARY BONUSES

From time to time, the Compensation Committee of the Triarc Board may award discretionary or special bonuses or deferred compensation based on performance to certain executive officers. The amounts of such bonuses or deferred compensation will be based on the Compensation Committee's evaluation of each such individual's contribution.

DEFERRAL PLAN FOR SENIOR EXECUTIVE OFFICERS OF TRIARC COMPANIES, INC.

The Deferral Plan for Senior Executive Officers of Triarc Companies, Inc. (the "Deferral Plan") was approved by the Compensation Committee of the Board of Directors effective December 14, 2000. Pursuant to the Deferral Plan, the Company establishes one or more bookkeeping accounts to reflect bonuses awarded to participants the payment of which has been deferred. These accounts are adjusted from time to time for earnings and investment gains and losses. Deferred bonus accounts for each participant are deemed invested in certain approved investments selected by the participant or an investment manager chosen by the Company and reasonably acceptable to the participant. The Company may replicate any deferred bonus account in a trust, in which event the value of the deferred bonus account on the books of the Company will be equal to the value of the actual approved investments related to such account in the trust. A participant may receive the value of a deferred bonus account, in cash or approved investments, or any combination thereof, from the Company upon the earliest of: (i) the first business day in January of the fourth calendar year following the calendar year in which the related bonus was awarded to the participant; (ii) no later than five business days following the participant's "separation from service" (as defined in the Deferral Plan) and (iii) such time as the payment would be deductible by the Company for Federal income tax purposes without regard to the limitation of Section 162(m) of the Internal Revenue Code of 1986, as amended. On or before the June 30 preceding the payment date specified in clause (i) above, a participant may elect to defer such date for up to three additional whole years. A participant may make such an election more than one time. Although a participant is at all times fully vested in his or her deferred bonus accounts, participants have the status of general unsecured creditors of the Company with respect to the Company's obligation to make payment to them under the Deferral Plan and any assets contained in a trust formed under the Deferral Plan are subject to claims by creditors of the Company. As of April 15, 2001, deferred bonus accounts have been established for Messrs. Peltz and May.

1993 EQUITY PARTICIPATION PLAN

The 1993 Plan, which expired on April 24, 1998, provided for the grant of options to purchase Class A Common Stock, stock appreciation rights ("SARs"), restricted shares of Class A Common Stock and, to non-employee directors of Triarc, at their option, shares of Class A Common Stock in lieu of annual retainer fees and/or Board of Directors or committee meeting attendance fees ("Fees") that would otherwise be payable in cash. Directors, selected officers and key

employees of, and key consultants to, Triarc and its subsidiaries were eligible to participate in the 1993 Plan. A maximum of 10,000,000 shares of Class A Common Stock (subject to certain adjustments) were authorized to be delivered by the Company pursuant to options, SARs and restricted shares granted under the 1993 Plan. The 1998 Plan provides for the granting of stock options, SARs and restricted stock to officers and key employees of, and consultants to, Triarc and its subsidiaries and affiliates. The 1998 Plan provides for automatic awards of options to non-employee directors of Triarc and permits non-employee directors to elect to receive all or a portion of their Fees in shares of Class A Common Stock. Subject to certain antidilution adjustments, a maximum of 5,000,000 aggregate shares of Class A Common Stock may be granted on the exercise of options or SARs or upon a director's election to receive Fees in Triarc shares pursuant to the 1998 Plan. In addition, the maximum number of shares of Class A Common Stock that may be granted to any individual in a calendar year is 1,000,000 shares. As of April 15, 2001, options to acquire 2,067,332 shares of Class A Common Stock were outstanding under the 1998 Plan. The 1998 Plan is administered by the Performance Committee. The term during which awards may be granted under the 1998 Plan will expire on April 30, 2003.

SNAPPLE BEVERAGE GROUP, INC. 1997 STOCK OPTION PLAN

The SBG Option Plan was adopted in August 1997 and amended in May 1999, and provided for the grant of options to acquire common stock of Snapple Beverage Group, Inc. ("SBG") which, prior to its sale in October 2000, was a 99.9% owned subsidiary of the Company. Key employees, officers, directors and consultants of SBG and its subsidiaries and affiliates, and of Triarc and its other subsidiaries and affiliates, were eligible to participate in the SBG Option Plan. All of the 149,284 outstanding options remained the responsibility of SBG following the completion of the sale of the Snapple Beverage Group to Cadbury Schweppes plc. The Company has been advised that all of such options were either exercised subsequent to the sale of the Snapple Beverage Group or, in the case of certain employees of SBG, exchanged for the right to receive shares of Cadbury Schweppes plc. The SBG Option Plan was administered by the Performance Committee.

(1) All options granted to Named Officers during 2000 were granted under the 1998 Plan. One third of the options granted under the 1998 Plan will vest on each of the first, second and third anniversaries of the date of grant and the options will be exercisable at any time between

the date of vesting and the tenth anniversary of the date of grant. The option agreements evidencing options to purchase shares of Class A Common Stock awarded to directors of Triarc, the Chairman and Chief Executive Officer, the President and Chief Operating Officer, and all officers of Triarc at the level of Senior Vice President or above provide that the options may be transferred by the optionee pursuant to a domestic relations order or to certain permitted transferees.

(2) The percentages are based on the aggregate number of options granted in fiscal 2000 to purchase Class A Common Stock.

(3) These values were calculated using a Black-Scholes option pricing model. The actual value, if any, that an executive may realize will depend on the excess, if any, of the stock price over the exercise price on the date the options are exercised, and no assurance exists that the value realized by an executive will be at or near the value estimated by the Black-Scholes model. The following assumptions were used to calculate the present value of the option grants with respect to Class A Common Stock:

- (a) assumed option term of seven years;
- (b) stock price volatility factor of .2006;
- (c) annual discount rate of 5.19%; and
- (d) no dividend payment.

These estimated option values, including the underlying assumptions used in calculating them, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 (the "Reform Act") and involve risks, uncertainties and other factors which may cause the actual value of the options to be materially different from those expressed or implied herein. For those statements, Triarc claims the protection of the safe-harbor for forward-looking statements contained in the Reform Act.

OPTION VALUES AT END OF FISCAL 2000

The following table sets forth certain information concerning each exercise of options by the Named Officers during fiscal 2000, as well as the value as of December 31, 2000 of unexercised in-the-money options to purchase shares of Class A Common Stock granted to the Named Officers and outstanding as of the end of fiscal 2000.

The SBG Options remained the responsibility of SBG following its sale to Cadbury Schweppes plc. The Company has been advised that all of such options were exercised subsequent to the sale of SBG. Accordingly, "Value Realized" for the SBG options represents the net proceeds received by these executives from SBG.

Item 13. Certain Relationships and Related Transactions

The Company has an investment in MCM Capital Group, Inc. ("MCM"). MCM is a financial services company specializing in the recovery, restructuring, resale and securitization of charged-off, delinquent and non-performing receivable portfolios acquired at deep discounts. On July 14, 1999 MCM consummated an initial public offering (the "MCM IPO") of 2,250,000 shares of its common stock resulting in a decrease in the Company's percentage ownership interest to 8.4% from 12.2%. On January 12, 2000 the Company entered into an agreement (the "Note Guaranty") to guarantee \$10,000,000 principal amount of senior notes maturing 2007 (the "MCM Notes") issued by MCM to a major financial institution in consideration for a fee of \$200,000 and warrants to purchase 100,000 shares of MCM common stock at \$.01 per share with an estimated fair

Edgar Filing: TRIARC COMPANIES INC - Form 10-K405/A

value on the date of grant of \$305,000. At April 15, 2001, the \$10,000,000 guaranteed amount has been reduced to \$6,698,000 and will be further reduced by (i) any repayments of the MCM Notes, (ii) any purchases of the MCM Notes by the Company and (iii) the amount of certain investment banking or financial advisory services fees paid to the financial institution or its affiliates or, under certain circumstances, other financial institutions by the Company, MCM or another significant stockholder of MCM or any of their affiliates. Certain officers of the Company, including entities controlled by them, collectively owned approximately 15.7% of MCM at the consummation of the MCM IPO and certain of these officers have made additional open market purchases subsequent to the MCM IPO. These officers are not parties to the Note Guaranty and could indirectly benefit therefrom. In addition to the Note Guaranty, the Company and certain other stockholders of MCM, including the officers of the Company referred to above, on a joint and several basis, have entered into guaranties (the "Bank Guaranties") and certain related agreements to guarantee an aggregate of \$15,000,000 of revolving credit borrowings of a subsidiary of MCM, of which the Company would be responsible for approximately \$1,800,000, assuming the full \$15,000,000 was borrowed and all of the parties other than the Company to the Bank Guaranties and the related agreements fully perform thereunder. The Company has placed \$15,000,000 of highly liquid United States government debt securities in a custodian account at the financial institution which, under the Bank Guaranties, is subject to set off under certain circumstances if the parties to the Bank Guaranties and related obligations fail to perform their obligations thereunder.

On October 31, 2000 the Company, the Company officers who invested in MCM and certain other stockholders of MCM, through a newly formed limited liability company, CTW Funding, LLC ("CTW"), entered into an agreement to make available to MCM a \$2,000,000 revolving credit facility (the "MCM Revolver") to be used through December 31, 2000 to meet working capital requirements. The Company owns an 8.7% interest in CTW and should any borrowings under the MCM Revolver occur all members of CTW are required to fund such borrowings in accordance with their percentage ownership interests. In return CTW received warrants to purchase 50,000 shares of MCM common stock at \$.01 per share with an estimated fair value on the date of grant of \$24,000. Any borrowings under the MCM Revolver bear interest at 12% and were due on December 31, 2001. Subsequent to December 31, 2000 the MCM Revolver was renewed twice, each time for one quarter, so that it now extends through June 30, 2001. In consideration for such extensions, CTW received, in the aggregate, warrants to purchase an additional 100,000 shares of MCM common stock at \$.01 per share. The MCM Revolver may be renewed quarterly thereafter through December 31, 2001 by MCM in which event CTW will receive for each quarterly extension warrants to purchase an additional 50,000 shares of MCM common stock at \$.01 per share. Through April 15, 2001 there were no borrowings under the MCM Revolver.

As part of its overall retention efforts, the Company provides certain of its officers and employees with the opportunity to co-invest in some of the investment opportunities available to the Company. In connection therewith, the Company advanced a portion of the funds for the purchases by certain of its officers and employees in two co-

Edgar Filing: TRIARC COMPANIES INC - Form 10-K405/A

investments, EBT Holding Company, LLC ("EBT") and 280 KPE Holdings, LLC ("280 KPE"). In connection with these two investments, the Company received notes due the Company aggregating \$1,946,000 (\$1,928,000 outstanding as of April 15, 2001), of which one-half of the principal of these notes, or \$964,000 (as of April 15, 2001), is non-recourse. The notes bear interest at the prime rate adjusted annually. Notes were issued to the Company by Messrs. Peltz, May, Barnes, Kogan, Schorr and Posner in the aggregate principal amounts of \$700,000, \$350,000, \$255,667, \$255,667, \$93,333 and \$103,333, respectively, in connection with these investments.

On January 19, 2000 the Company acquired 280 Holdings, LLC ("280 Holdings") for \$27,210,000 consisting of cash of \$9,210,000 and the assumption of an \$18,000,000 secured promissory note with a third-party commercial lender payable over seven years. 280 Holdings was a subsidiary of Triangle Aircraft Services Corporation ("TASCO"), a company owned by the Chairman and Chief Executive Officer and President and Chief Operating Officer of the Company (the "Executives"), that at the time of such sale was the owner and lessor to the Company of an airplane that had previously been leased from TASCO. The purchase price was based on independent appraisals and was approved by the Audit Committee and the Board of Directors. Prior thereto the Company leased the airplane and a helicopter from TASCO or subsidiaries of TASCO under a dry lease for a base annual rent, adjusted to \$3,310,000 as of December 29, 1997, plus annual cost of living (the "COLA") adjustments. Pursuant to this dry lease, the Company also paid the operating expenses, including repairs and maintenance, of the aircraft directly to third parties. As of January 19, 2000 the annual rent had increased to \$3,447,000, of which \$3,078,000 was deemed to represent rent for the airplane and \$369,000 was deemed to represent rent for the helicopter. The Company continues to lease the helicopter from a subsidiary of TASCO for the annual rent of \$369,000 from January 19, 2000 through September 30, 2000, increasing to \$382,000 as of October 1, 2000 in connection with the COLA adjustment, and owns the airplane through its ownership of 280 Holdings. In addition, in 1997 the Company paid TASCO \$2,500,000 for (1) an option (the "Option") to continue the lease for five years effective September 30, 1997 and (2) the agreement by TASCO to replace the helicopter then covered under the lease. In connection with the acquisition TASCO paid the Company \$1,200,000 representing the portion of the \$1,242,000 unamortized amount of the Option as of January 2, 2000 relating to the airplane now owned by 280 Holdings.

In December 2000, a director and certain of the Company's officers exercised stock options previously issued under the 1993 Plan and 1998 Plan and the Company repurchased the shares of its Class A Common Stock received by these individuals at a price per share equal to the closing price of the Class A Common Stock on the New York Stock Exchange on the respective exercise dates. These repurchases were made pursuant to a previously announced \$30 million stock repurchase program, and were approved by the Audit Committee. Pursuant to such repurchases, Mr. Levato received aggregate net consideration of \$1,251,250 (after payment of the aggregate exercise price of the related options) for 110,000 shares of Class A Common Stock, Mr. Barnes received aggregate net consideration of \$2,543,950 (after payment of the aggregate exercise price of the related options) for 210,000 shares of Class A Common Stock, Mr. Kogan received aggregate net consideration of \$2,774,255 (after payment of the aggregate exercise price of the related options) for 262,334 shares of Class A Common Stock, Mr. Schorr received aggregate net consideration of \$3,124,268 (after payment of the aggregate exercise price of the related options) for 278,334 shares of Class A Common Stock, Mr. McCarron received aggregate net consideration of \$669,050 (after payment of the aggregate exercise price of the related options) for 57,000 shares of Class A Common Stock, Mr. Posner received aggregate net consideration of \$262,408 (after payment of the aggregate exercise price of the related options) for 27,666 shares of Class A Common Stock, Mr. Rosen received aggregate net consideration of \$458,619 (after payment of the aggregate exercise price of the related options) for 41,500 shares of Class A Common Stock, Mr. Schaefer received aggregate net consideration of \$363,100

Mr. May has an equity interest in a franchisee that owns an Arby's restaurant in New Milford, CT. That franchisee is a party to a standard Arby's franchise license agreement and pays to Arby's fees and royalty payments that unaffiliated third-party franchisees pay.
