**PROSPECTUS SUPPLEMENT**

**(To Prospectus and Consent Solicitation Statement dated September 5, 2006)**

**THE HARTFORD FINANCIAL SERVICES GROUP, INC.**

**Offers to Exchange Notes Issued by Hartford Life, Inc.  
 and  
 Solicitation of Consents to Amend the Related Indenture**

<b>Outstanding Principal Amount</b>	<b>Description of HLI Notes</b>	<b>CUSIP No.</b>
\$ 250,000,000	7.65% Hartford Life, Inc. Debentures due 2027	416592AC7
\$ 400,000,000	7.375% Hartford Life, Inc. Senior Notes due 2031	416592AE3

**The expiration date of the exchange offers has been extended to 12:00 midnight, New York City time, on October 4, 2006, unless further extended by us.**

This prospectus supplement supplements our prospectus and consent solicitation statement dated September 5, 2006 relating to our offers to exchange all of the issued and outstanding Hartford Life, Inc. 7.65% Debentures due 2027 (the 7.65% debentures ) and 7.375% Senior Notes due 2031 (the 7.375% notes, and together with the 7.65% debentures, the HLI notes ), for a new series of our Senior Notes due 2041 and cash (the exchange offers ) and our related solicitation of consents (the exchange consent solicitation ) to a proposed amendment to the indenture governing the HLI notes (the proposed amendment ). We encourage you to read this prospectus supplement carefully with the prospectus and consent solicitation statement.

**Waiver of Condition to Exchange Offers Relating to the Tender of 7.65% Debentures**

The exchange offers and exchange consent solicitation are subject to certain conditions, including, among other things, that at least a majority in aggregate principal amount of each of the 7.65% debentures and the 7.375% notes are validly tendered and not withdrawn (the minimum tender condition ) on or prior to the expiration of the exchange offers.

As of the close of business on September 26, 2006, we had received tenders and consents from holders of \$302,095,000 in aggregate principal amount, or approximately 76%, of the 7.375% notes and \$101,087,000 in aggregate principal amount, or approximately 40%, of the 7.65% debentures. Accordingly, the minimum tender condition has been satisfied with respect to the 7.375% notes but not the 7.65% debentures.

We are conducting a separate consent solicitation (the separate consent solicitation ) with respect to the 7.65% debentures, and have received consents from holders of 7.65% debentures pursuant to the separate consent solicitation that, together with the consents received pursuant to the exchange consent solicitation, constitute a majority of the principal amount of the outstanding 7.65% debentures, thereby approving the proposed amendment with respect to the 7.65% debentures.

Accordingly, we have waived the minimum tender condition to the exchange offers with respect to the 7.65% debentures.

### **Extension of Expiration Date of the Exchange Offers**

We are extending the expiration date of both exchange offers to 12:00 midnight, New York City time, on October 4, 2006. The price determination time (as defined in the prospectus and consent solicitation statement) will be 2:00 p.m., New York City time, on October 2, 2006 and the settlement date for the exchange offers will be October 10, 2006.
