PROXY STATEMENT**

**PROXY SOLICITATION**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Cambrex Corporation (the Company) for use at the 2007 Annual Meeting of Stockholders to be held on April 26, 2007, and at any adjournment of the meeting. The address of the Company's principal executive office is One Meadowlands Plaza, East Rutherford, New Jersey 07073. This Proxy Statement and the form of proxy are being mailed to stockholders commencing on or about March 30, 2007.

The costs of soliciting proxies will be borne by the Company. Brokerage houses, banks, custodians, nominees and fiduciaries are being requested to forward the proxy material to beneficial owners, and their reasonable expenses therefore will be reimbursed by the Company. Solicitation will be made by mail and also may be made personally, by telephone or electronic mail by the Company's officers, directors and employees without special compensation for such activities.

**REVOCABILITY AND VOTING OF PROXY**

A proxy given by a stockholder may be revoked at any time before it is exercised by giving another proxy bearing a later date or by notifying the Company in writing of such revocation or by a vote in person at the Annual Meeting. The execution of a proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person, but attendance at the Annual Meeting will not, by itself, revoke a proxy. Properly executed proxies received by the Company will be voted in accordance with the instructions indicated thereon and if no instructions are indicated, will be voted for the election of the four (4) nominees for director named herein; for the selection of BDO Seidman as independent accountants for the Company; and for the amendments to our Restated Certificate of Incorporation to declassify the Board of Directors and authorize (a) the annual election of all members of the Board of Directors; (b) stockholders to remove a director with or without cause by a majority vote of the then outstanding shares of common stock entitled to vote generally in the election of directors; and (c) the removal of provisions requiring a supermajority vote of our common stock to effect certain amendments to our Restated Certificate of Incorporation and By-Laws. The Company knows of no reason why any of the nominees named herein would be unable to serve for the terms indicated. In the event, however, that any such nominee should, prior to the election, become unable to serve as a director, unless the Board of Directors decides to decrease the size of the Board, the proxy will be voted for such substitute nominee as the Board of Directors shall propose.

The Board of Directors knows of no matters to be presented at the meeting other than those set forth in the foregoing Notice of Annual Meeting. The Proxy Card conveys discretionary authority to vote on any other matter not presently known by management that may properly come before the Annual Meeting. If other matters properly come before the meeting, the persons named in the accompanying form of proxy intend to vote the shares subject to such proxies in accordance with their best judgment.

## **Transactions with Related Persons**

One of the members of our Board of Directors, Mr. Ilan Kaufthal, is a Vice Chairman of Bear Stearns & Co. Inc. ( Bear Stearns ). Pursuant to an engagement letter dated September 19, 2005, as amended October 22, 2006 (the Engagement Letter ), Cambrex, upon authorization of the Board of Directors, retained Bear Stearns to act as its exclusive financial advisor in connection with the consideration by the Board of Directors of the Company s strategic alternatives, including the process leading to the signing of the Stock Purchase Agreement with Lonza Group Limited announced on October 24, 2006 with respect to the Company s Bio Companies Businesses, which transaction closed on February 6, 2007 (the Transaction ). The Engagement Letter provided for the payment of a customary fee for Bear Stearns services, a substantial portion of which was contingent on successful consummation of the Transaction. In addition, Cambrex agreed to indemnify Bear Stearns against certain liabilities arising out of the engagement. Bear Stearns received \$4,156,336.74 (including \$231,336.74 of out of pocket expenses) in connection with its services in relation to the Transaction.

In selecting Bear Stearns, our Board of Directors considered, among other things, the fact that Bear Stearns is an internationally recognized investment banking firm with substantial experience advising companies in the health care products and services industry and companies in the chemicals and industrial products and services industry, as well as substantial experience providing strategic advisory services. Although Mr. Kaufthal is a Vice Chairman of Bear Stearns, the Board of Directors concluded that Bear Stearns familiarity with the Company and its business segments and the industries in which the Company conducts business made Bear Stearns the logical and appropriate choice as financial advisor. In light of Mr. Kaufthal s dual roles, the Board of Directors also authorized the Company to retain a second bank to render, in addition to Bear Stearns, an opinion to the Board of Directors with respect to the consideration to be received by the Company in any transaction for which Bear Stearns served as the Company s financial advisor. Mr. Kaufthal abstained from the Board of Directors vote related to the approval of the Transaction.

As previously announced, the Company will continue to evaluate strategic opportunities for the Human Health business as they arise and the Company will continue using Bear Stearns as financial advisor to Cambrex with respect to the evaluation of any such opportunities.

## **Company Policies and Procedures related to Review, Approval and Ratification of Transactions with Related Persons**

Pursuant to the Company s *Corporate Governance Guidelines*, the Board expects Cambrex directors, officers and employees to act ethically at all times and to adhere to the Company s *Code of Business Conduct and Ethics*, including the company s policies on Business Ethics Conflicts of Interest. A conflict of interest occurs when an individual s personal interests interfere in any way (or even appear to interfere) with the interests of the Company. A conflict situation can arise when a director takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest also arise when a director, or a member of his or her family, receives improper personal benefits as a result of his or her position in the Company.

A potential conflict of interest with respect to a proposed transaction is required to be reported to the Company s General Counsel, Chief Executive Officer and the Board s Governance Committee. The Governance Committee will evaluate the circumstances surrounding the potential conflict of interest and recommend action to the full Board, which will consider any such recommendation. The Board is responsible for the ultimate determination as to whether the transaction giving rise to the potential conflict of interest can proceed.

## **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's securities, to file reports of ownership and transactions in the Company's securities with the Securities and Exchange Commission and the New York Stock Exchange. Such directors, executive officers and ten percent stockholders are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms received by it, and on written representation from certain of the Company's directors and executive officers that no other reports were required, the Company believes that during 2006 all Section 16(a) filing requirements applicable to its directors, executive officers and ten percent stockholders were complied with during the 2006 fiscal year except that Mr. Mossman filed one Form 4 late, reporting a transaction in Company stock.

## CORPORATE GOVERNANCE

The Board of Directors is responsible for directing the management of the business and affairs of the Company. The Board holds regular meetings five times each year and holds additional special meetings as required. During 2006 the Board held 17 meetings. Directors are expected to attend board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. The Board recognizes that occasional meetings may need to be scheduled on short notice when the participation of a director is not possible and that conflicts may arise that may prevent a director from attending a regularly scheduled meeting. The Board expects, however, that each director will make every reasonable effort to keep absences to a minimum. Although participation by conference telephone or other communications equipment is allowed, personal attendance is encouraged. Nine directors attended the Company's annual meeting of stockholders in July of 2006.

Our Board has affirmatively determined, after considering all of the relevant facts and circumstances, that all of the directors, other than James A. Mack and Ilan Kaufthal, are independent from our management under the standards set forth in the Company's *Independence Standards for Directors*, which was adopted by the Board in January 2004 and is attached to this proxy statement as Exhibit 1. This means that none of the independent directors have any direct or indirect material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company. As a result, the Company has a majority of independent directors on our Board as required by the listing standards of the New York Stock Exchange. The Board of Directors has also adopted the *Code of Business Conduct and Ethics*, which is applicable to all directors, officers and employees of the Company, including the Chief Executive Officer, the Chief Financial Officer and the principal accounting officer.

Under the retirement policy for non-employee directors established by the Board of Directors in 1989, a non-employee director (other than incumbent directors when the policy was adopted) must not have attained age 72 at the time of election and may not serve as a director beyond the Annual Meeting next following such person's 72nd birthday.

Non-management directors have regularly scheduled executive sessions in which they meet without the presence of members of management. These executive sessions occur before or after each regularly scheduled meeting of our Board and may also occur in conjunction with special meetings. The Lead Director of these executive sessions is John R. Miller.

*Shareholder Communications with our Board.* The Company is committed to providing stockholders and other interested persons with an open line of communication for bringing issues of concern to the Company's non-management directors. In January 2004, the Board approved the following process by which such communications may be made and for handling any such communications received by the Company:

Any stockholder or interested person may communicate with the Company's non-management directors as a group by sending a communication to the Board of Directors, c/o Corporate Secretary, Cambrex Corporation, One Meadowlands Plaza, 15th Floor, East Rutherford, New Jersey 07073. All communications will be reviewed by the Company's Corporate Secretary who will send such communications to the non-management directors unless the Corporate Secretary determines that the communication does not relate to the business or affairs of the Company, or the function of the Board or its Committees, or relates to insignificant matters that do not warrant the non-management directors' attention or is not otherwise appropriate for delivery to the non-management directors.

The non-management directors who receive such communication will have discretion to determine the handling of such communication, and if appropriate, respond to the person sending the communication, and disclosure, which

shall be consistent with the Company's policies and procedures and applicable law regarding the disclosure of information.

The Board has established four standing committees: the Regulatory Affairs Committee, the Governance Committee, the Audit Committee and the Compensation Committee. Printable versions of the charters of such Committees as well as the *Corporate Governance Guidelines* and *Code of Business Conduct and Ethics* are available on our website ([www.cambrex.com](http://www.cambrex.com)), under the Governance link of the Investors section. The Company will also provide any of the foregoing information in print without charge upon written request to the Corporate Secretary, Cambrex Corporation, One Meadowlands Plaza, 15th Floor, East Rutherford, New Jersey 07073.

### ***Regulatory Affairs Committee***

The Regulatory Affairs Committee, comprised of three non-management directors, oversees the Company's compliance with Food and Drug Regulations and environmental and safety affairs. The Regulatory Affairs Committee held four meetings during 2006.

### ***Governance Committee***

The Governance Committee, comprised of four independent directors, is responsible for reporting to the Board of Directors concerning its evaluation of the performance of the Chief Executive Officer, individual directors and the Board as a whole. The Governance Committee makes recommendations to the Board of Directors concerning nominees for election to the Board at Annual Stockholder Meetings and candidates for newly created directorships and vacancies on the Board. The Charter of the Governance Committee has been adopted by the Committee and approved by the Board. All of the members of the Governance Committee are independent within the meaning of the listing standards of the New York Stock Exchange and the Company's *Independence Standards for Directors*. The Governance Committee held two meetings in 2006.

### ***Consideration of Director Nominees***

#### ***Director Qualifications***

The Company's *Corporate Governance Guidelines* set forth Board membership criteria. Under these criteria, members of the Board should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders. Their skills and backgrounds should include, among other things, experience in making decisions, a track record of competent judgment, the ability to function rationally and objectively, and experience in different businesses and professions. Directors must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the Board for an extended period of time. Directors should not serve on more than four other boards of public companies in addition to the Cambrex Board. Current positions in excess of these limits may be maintained unless the Board determines that doing so would impair the director's service on the Cambrex Board.

#### ***Identifying and Evaluating Nominees for Directors***

The Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Governance Committee considers various candidates for director. Candidates may come to the attention of the Governance Committee through current Board members, professional search firms, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Governance Committee, and may be considered at any point during the year. The Governance Committee also considers properly submitted stockholder nominations for candidates for the Board. In addition to the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, the Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee or other expertise and the evaluations of other prospective nominees. There are no differences in the manner in which the Governance Committee evaluates nominees for director based on whether or not the nominee is recommended by a stockholder.

#### ***Stockholder Nominees***

The Governance Committee will consider nominees recommended by stockholders. Such recommendations for the 2008 Annual Meeting should be sent to the Corporate Secretary of the Company not later than January 26, 2008, and should include such information as specified in the Company's By-Laws.

*Audit Committee*

The Audit Committee consists of four independent directors. The Board has determined that each member of the Audit Committee is (i) independent within the meaning of the Securities and Exchange Commission Rules and the New York Stock Exchange (NYSE) listing standards and the Company's *Independence Standards for Directors*, and (ii) satisfies the financial literacy requirements of the NYSE listing standards. Further, the Board has determined that at least one member of the Audit Committee satisfies the financial expertise requirements of the NYSE listing standards. The Board has also determined that Mr. Roy Haley, Audit Committee Chairperson is an Audit Committee Financial Expert, as that term is defined by current SEC rules.

The role of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee (i) the integrity of the Company's financial reporting process; (ii) the Company's systems of internal accounting and financial controls; (iii) the annual independent audit of the Company's financial statements; (iv) the independent auditors' qualifications and independence; and (v) the Company's compliance with legal and regulatory requirements. The Audit Committee's role is one of oversight and it recognizes that the Company's Management is responsible for preparing the Company's financial statements and that the Company's independent auditors are responsible for auditing those financial statements. The Audit Committee acts under a written charter adopted by the Committee and approved by the Board.

The Audit Committee met 12 times in 2006. The Audit Committee met individually with Management, with PricewaterhouseCoopers LLP ( PwC ), the Company's independent public accountants, and with the Company's internal auditors, as appropriate. The Audit Committee also reviewed and had discussions with Company Management and PwC regarding the audited financial statements, including a discussion of accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. Further, the Audit Committee has been updated quarterly on management's process to assess the adequacy of the Company's system of internal control over financial reporting, the framework used to make the assessment, and management's conclusions on the effectiveness of the Company's internal control over financial reporting. The Audit Committee has also discussed with the independent auditor the Company's internal control assessment process, management's assessment with respect thereto and the independent auditor's evaluation of the Company's system of internal control over financial reporting.

The Audit Committee also reviewed and had discussions with PwC regarding the matters required to be discussed by Statement of Auditing Standards No. 61. Further, the Audit Committee received the letter from PwC required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with representatives of PwC their independence.

The Committee also received PwC's Report dated March 15, 2007 concerning the Company's financial statements and PwC's assessment of the Company's internal controls (the PwC Opinion ), which is included in the Company's Annual Report on Form 10-K for fiscal year ended December 31, 2006. Based on the reviews and discussions with PwC and Management, and the PwC Opinion, and subject to the limitations on the role and responsibilities of the Audit Committee as set forth in the Audit Committee Charter, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements for the fiscal year ended December 31, 2006 be included in Cambrex's 2006 Annual Report on Form 10-K.

Each member of the Committee meets the independence requirements specified by the New York Stock Exchange, by Section 162(m) of the Internal Revenue Code of 1986, as amended

and within the meaning of the Company's *Independence Standards for Directors*. Each year the Committee develops a calendar-year annual schedule for the coming year. The Chair reports the Committee's actions and recommendations to the full Board following each Committee meeting. The Committee held six meetings during 2006.

The Charter of the Compensation Committee has been adopted by the Committee and approved by the Board. The Committee's charter is to work with executive management in developing a compensation philosophy; to evaluate and approve compensation and bonus programs for the Chief Executive Officer, other officers, subsidiary general managers and those employees, whose salary is greater than \$175,000 per year. The Committee also oversees the Company's general employee benefit programs, including the Company's employee equity plans. At its July 2006 meeting the Committee reviewed and discussed its own performance for the prior year in order to benefit from self-evaluation and encourage continuous improvement. For its self-evaluation the Committee referred to materials provided by the Governance Committee. The Committee conducts these reviews annually.

On March 16, 2007, the Audit Committee of Cambrex Corporation (the Company or Cambrex) selected BDO Seidman to be the Company's independent public accountants for 2007, subject to the completion of BDO Seidman's client acceptance procedures and ratification by the stockholders. A representative of BDO Seidman is expected to be present at the meeting, will be afforded an opportunity to make a statement if such representative desires to do so and is expected to be available to respond to appropriate questions.

Edgar Filing: CAMBREX CORP - Form PRE 14A

During the fiscal years ended December 31, 2006 and December 31, 2005, and through March 16, 2007, neither Cambrex nor anyone on its behalf consulted with BDO Seidman regarding any of the matters described in Item 304(a)(2)(i) and (ii) of Regulation S-K.

***Previous Independent Registered Public Accounting Firm***

On March 16, 2007, the Audit Committee approved the decision to dismiss PricewaterhouseCoopers LLP ( PwC ) as the Company 's independent registered public accounting firm.

During the fiscal years ended December 31, 2006 and 2005, PwC 's reports on the Company 's financial statements did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principle.

During the fiscal years ended December 31, 2006 and December 31, 2005 and through March 16, 2007, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in its reports on Cambrex 's financial statements for such years.

Except as noted below, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K for the fiscal years ended December 31, 2006 and 2005 and through March 16, 2007. The following material weakness in internal controls was disclosed by the Company in Item 9A of the Company 's Form 10-K for the year ended December 31, 2005 and in the Item 4 sections of each of the Company 's Forms 10Q for 2006:

The Company 's management identified a material weakness in its internal controls over the accounting for income taxes. As result of this material weakness, management concluded that the Company 's internal controls over financial reporting were not effective.

During 2006, management carried out an evaluation, with the participation of the Company 's principal executive officer and principal financial officer, of changes in the Company 's internal control over financial reporting, as defined in Exchange Act Rule 13a-15(f). Based on this evaluation, management determined the material weakness had been remediated as of December 31, 2006 by implementing the following corrective actions:

Strengthened procedures whereby the current income tax payable account and deferred income tax asset and liability accounts are reconciled on a regular and timely basis;

Increased level of review and discussion of significant tax matters and supporting documentation with senior finance management;

Hired additional permanent personnel in the tax department; and

Identified interim personnel to augment existing corporate tax staff to ensure there are adequate resources to reconcile all tax-related accounts for each reporting period.

The Company has authorized PwC to respond fully to the inquiries of the successor accountant concerning the subject matter of this material weakness.

The Company has provided a copy of the above disclosure related to PwC and requested that PwC furnish the Company with a letter addressed to the United States Securities and Exchange Commission stating whether or not PwC agrees with this disclosure, and, if not, stating the respects in which it does not agree. A copy of PwC 's letter will be filed upon receipt in the Definitive Proxy.

**The Board of Directors recommends a vote FOR the proposal.**

The Audit Committee has reviewed the billings by PricewaterhouseCoopers LLP and has determined that they do not affect the auditor's independence.

### **PROPOSAL NO. 3**

#### **AMENDMENTS TO OUR RESTATED CERTIFICATE OF INCORPORATION**

Our Board of Directors, after careful consideration, has adopted and now recommends stockholder approval to declassify the Board of Directors and proposes the following amendments to our Restated Certificate of Incorporation to authorize:

annual election of all members of our Board of Directors;

stockholders to remove a director with or without cause by a majority vote of the then outstanding shares of common stock entitled to vote generally in the election of directors; and

removal of provisions requiring a supermajority vote of our common stock to effect certain amendments to our Restated Certificate of Incorporation and By-Laws.

As a result of continuing investor interest in issues relating to annual elections of directors, our Board of Directors has reviewed our Restated Certificate of Incorporation and determined to recommend to our stockholders the amendment of various provisions relating to the election and removal of members of the Board of Directors and to the vote required to amend certain provisions of our Restated Certificate of Incorporation and By-Laws. The amendments proposed below, if all are adopted, will permit the annual election of each member of the Board of Directors (after an appropriate phase-in period) and the removal of other ancillary provisions that implement the classified board structure.

At our 2006 annual meeting held on July 27, 2006, a stockholder proposal was submitted requesting that our Board of Directors take the necessary steps in accordance with applicable state law to declassify the Board of Directors so that all directors are elected annually, provided that such declassification be carried out in a manner that does not affect the unexpired terms of directors previously elected. The stockholder proposal received favorable votes from the holders of more than 80% of the shares of our common stock outstanding and voting at the 2006 annual meeting.

Our Board of Directors is committed to good corporate governance and, on several occasions, has considered the advantages and disadvantages of maintaining a classified board. In the past, our Board of Directors has concluded that a classified board structure was in the best interests of the Company and its stockholders. In light of the vote on the declassification proposal at the 2006 annual meeting and evolving corporate governance practices, our Board of

Directors requested that the Governance Committee again consider the various positions for and against a classified board. Based on that review, the Governance Committee and the full Board of Directors have reconsidered the merits of retaining a classified board. The Board of Directors recognizes that many investors believe that the election of directors is the primary means for stockholders to influence corporate governance policies and hold management accountable for implementing those policies. The Board of Directors also takes note of the fact that annual elections of directors are in line with emerging corporate governance practices providing

stockholders with the opportunity to register their views on the performance of the entire Board of Directors each year.

The Governance Committee consulted the Company's outside advisors when it considered the various positions for and against a classified board. Based upon the analysis and recommendation of the Governance Committee, the Board of Directors has concluded that amending our Restated Certificate of Incorporation to provide for the annual election of all directors (after an appropriate phase-in period) will be in the best interests of the Company and our stockholders.

Adoption of each proposed amendment requires the affirmative vote of the holders of at least two-thirds of our outstanding shares of common stock. Accordingly, both abstentions and broker non-votes with respect to any of these proposal amendments will count as votes against such proposed amendment. It is important to note that each proposal to amend our Restated Certificate of Incorporation will be voted upon separately, but that none of these proposals will be effectuated unless all are adopted by stockholders. If all the proposals to amend our Restated Certificate of Incorporation described in this proxy statement are approved, the Board of Directors then will adopt corresponding changes to the By-Laws.

The text of the proposed amendments to our restated Certificate of Incorporation is attached as Appendix A to this Proxy Statement, with deletions indicated by strikethroughs and additions indicated by underline. The discussion on the following pages regarding these proposals is qualified in its entirety by reference to Appendix A

**(a) Proposal to amend our Restated Certificate of Incorporation to declassify the Board of Directors and to authorize annual election of all members of the Board of Directors.**

Our Restated Certificate of Incorporation currently divides the Board of Directors into three classes of directors of approximately equal number. Directors are elected for three-year terms that are staggered among the three classes so that only one class is up for election at any annual meeting. If this proposal is approved, our Restated Certificate of Incorporation will provide that in future years, *as directors' current terms expire*, nominees for director will be elected for one-year terms at the annual meeting of stockholders.

If this proposal is approved by stockholders at the special meeting:

the director nominees for Class II director, which Class' current term expires at the 2007 Annual Meeting, will, if elected at that meeting, serve until their term expires at the 2010 annual meeting of stockholders and would be subject to annual re-election thereafter.

Class III directors will continue to serve until their current terms expire at our 2008 annual meeting, at which time the Class III director nominees will be elected to serve one-year terms and will be subject to annual re-election thereafter.

Class I directors, who were elected at our 2006 annual meeting, will continue to serve until their current terms expire at our 2009 annual meeting, at which time the Class I director nominees will be elected to serve one-year terms and will be subject to annual re-election thereafter.

As noted above, immediately following the effectiveness of the proposed amendments to our Restated Certificate of Incorporation described in this Proxy Statement, the Board of Directors will amend our By-Laws to provide for corresponding changes to declassify the Board of Directors.

**The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to our Restated Certificate of Incorporation to declassify the Board of Directors and to authorize annual election of the**

**directors.**

**(b) Proposal to amend our Restated Certificate of Incorporation to remove the supermajority voting requirement for removal of a director for cause and to permit directors to be removed by stockholders with or without cause by a majority vote.**

Our Restated Certificate of Incorporation currently provides that removal of a director may only be for cause and that such removal requires the affirmative vote of the holders of at least two-thirds of the combined voting

power of the then outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class.

If this proposal is approved, our Restated Certificate of Incorporation will be amended to provide that a director can be removed with or without cause by the holders of a majority of the shares of stock entitled to vote at an election of directors in accordance with the Delaware General Corporation Law. As noted above, immediately following the effectiveness of the proposed amendments to our Restated Certificate of Incorporation described in this Proxy Statement, the Board of Directors will amend the By-Laws to provide for corresponding changes.

**The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to our Restated Certificate of Incorporation to remove the supermajority voting requirement for removal of a director for cause and to permit removal of a director with or without cause by a vote of the holders of a majority of the shares of stock entitled to vote at an election of directors.**

**(c) Proposal to amend our Restated Certificate of Incorporation to remove the supermajority voting requirement to alter, amend or repeal certain sections of our Restated Certificate of Incorporation and By-Laws.**

Our Restated Certificate of Incorporation currently provides that stockholders may alter, amend or repeal either (i) Article VI of our Restated Certificate of Incorporation (which Article deals with, among other items, the classified board, vacancies on the Board of Directors and removal of directors) or (ii) our By-Laws, whether or not adopted by stockholders, if holders of at least two-thirds of the combined voting power of the then outstanding shares of stock entitled to vote generally in the election of directors affirmatively vote to do so.

If this proposal is approved, our Restated Certificate of Incorporation will be amended to (i) delete the provision requiring a supermajority vote to alter, amend or repeal Article VI of our Restated Certificate of Incorporation and (ii) provide that our By-Laws may be altered, amended or repealed by the holders of a majority of the shares of stock entitled to vote at an election of directors. As noted above, immediately following the effectiveness of the proposed amendments to our Restated Certificate of Incorporation described in this Proxy Statement, the Board of Directors will amend the By-Laws to provide for corresponding changes.

**The Board of Directors unanimously recommends a vote FOR the adoption of the amendment to our Restated Certificate of Incorporation to remove the supermajority voting requirement to alter, amend or repeal certain sections of our Restated Certificate of Incorporation and By-Laws.**

#### **Amendment to the By-Laws to Provide for Majority Voting of Directors**

In addition, our Board of Directors has approved an amendment to our By-Laws to adopt a majority vote standard for the election of directors in uncontested elections, beginning with the next election of directors at our 2008 annual meeting. This new standard would require that each nominee receives a majority of the votes cast with respect to that nominee in order to be elected. In other words, if the votes withheld from any nominee's election exceeds the vote in favor of such election, then the nominee would not be elected.

Contested elections (where there are more nominees than directors to be elected) will continue to use the plurality vote standard. Currently, in accordance with the Delaware General Corporation Law, directors are elected under a plurality vote standard, meaning that candidates in an uncontested election who receive the most votes would be elected, without regard to whether those votes constitute a majority of the shares of common stock voting at the meeting. In other words, all candidates for election in an uncontested election who receive any votes in favor of their candidacies will be elected, regardless of the number of votes withheld from their candidacies, so long as a quorum is present.

As is the case with the proposal to declassify our Board of Directors, our Board of Directors believes that a majority voting standard is in line with current trends in corporate governance and is appropriate for and in the best interests of the Company and its stockholders.

Under the Delaware General Corporation Law, if an incumbent director is not elected, that director continues to serve as a holdover director until the director's successor is duly elected and qualified. To address this potential outcome, our Board of Directors has also adopted a director resignation policy in our By-Laws. Under this policy, if

an incumbent director is not elected by a majority of the votes cast (because the votes withheld from such director's candidacy exceed the votes in favor of that candidacy), that director will be required to offer his or her resignation to the Board of Directors. The Governance Committee would then make a recommendation to the Board of Directors on whether to accept or reject that resignation, or whether other action should be taken. The Board of Directors will publicly disclose its decision and the rationale behind it within 90 days following the certification of the election results.

### **STOCKHOLDER PROPOSALS FOR 2008**

Stockholder proposals intended to be presented at the 2008 Annual Meeting must be received by the Company not later than November 30, 2007 as well as satisfy certain eligibility requirements established by the Securities and Exchange Commission, in order to be included in the Company's Proxy Statement for the 2008 Annual Meeting.

Under the Company's By-laws, any stockholder wishing to present a nomination for the office of director before the 2008 Annual Meeting for a vote must give notice to the Company on or prior to January 23, 2008; and any stockholder wishing to bring a proposal or other business before the 2008 Annual Meeting for a vote must give the Company not less than 60 days nor more than 90 days advance notice (provided that in the event that less than 70 days notice or prior public disclosure of the date of the 2008 Annual Meeting is given or made to stockholders, notice must be received not later than the close of business on the 10th day following the date on which such notice of the date of the 2008 Annual Meeting was mailed or such public disclosure was made) prior to the date of the 2008 Annual Meeting (which date has not yet been determined by the Company), and that both such notices must meet certain other requirements as stated in the Company's By-laws. Any stockholder interested in making such a nomination or proposal should request a copy of such By-law provisions from the Secretary of Cambrex Corporation. If the Company does not receive notice of a stockholder's proposal within this time frame, the individuals named in the proxies solicited by the Board of Directors for that meeting may exercise discretionary voting power with respect to that proposal.

By Order of the Board of Directors.

Secretary

**Independence Standards for Directors**

Pursuant to the New York Stock Exchange listing standards and the Sarbanes-Oxley Act of 2002, our Board of Directors has adopted a formal set of categorical standards with respect to the determination of director independence. To be considered independent for purposes of these standards, a director must be determined, by resolution of the Board as a whole, after due deliberation, to have no material relationship with the Company or its subsidiaries other than as a director. In each case, the Board shall broadly consider all relevant facts and circumstances and shall apply the following standards:

1. The Board has defined an independent director as a director who meets all of the following criteria:
  - a. is not currently an employee or member of management of the Company or any of its subsidiaries;
  - b. has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). For this purpose material relationships can, for example, include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships;
  - c. has no other relationships with the Company or its subsidiaries that would interfere in the exercise of independent judgment as a director;
  - d. does not accept any consulting, advisory, or other compensatory fee from the Company or its subsidiaries except fees received for service as a director, and has no personal services contract(s) with the Company or its subsidiaries;
  - e. is and is not affiliated with a company that is an adviser or consultant to the Company or its subsidiaries;
  - f. is not affiliated with a not-for-profit entity that receives significant contributions from the Company.
2. Any person who, or whose immediate family member(s), has within the prior three years had any of the following relationships with the Company does not qualify as an independent director.
  - a. Former Employees. A person who has been an employee, or whose immediate family member has been an executive officer, of the Company or its subsidiaries, cannot be an independent director until three years after the end of the employment.
  - b. Direct Compensation. A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from the Company or its subsidiaries, other than director and committee fees, cannot be an independent director until three years after he ceases to receive more than \$100,000 per year in such compensation.
  - c. Significant Customers and Vendors. A director who is an executive officer or an employee of, or whose immediate family member is an executive officer of, a company that makes payments to, or receives payments from, the Company or its subsidiaries for property or services in excess of, in any single fiscal year, the greater of (i) \$1 million or (ii) 2% of the other company's consolidated gross revenues, cannot be an independent director until three years after falling below the threshold.
  - d. Former Auditor. A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company cannot

be an independent director until three years after the end of the affiliation or the auditing relationship.

e. Interlocking Directorships. A director who is employed as, or whose immediate family member is employed as, an executive officer of another company where any of the Company's present executive officers serve on that company's compensation committee cannot be an independent director until three years after the end of such service or the employment relationship.

INCORPORATION OF CAMBREX CORPORATION**

*Article SIXTH of the Restated Certificate of Incorporation of the Company would be amended to read as follows:*

*SIXTH:* (a) Except as otherwise fixed by or pursuant to the provisions of Article FOURTH hereof relating to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect additional directors under specified circumstances, the number of the directors of the Corporation shall be fixed from time to time by or pursuant to the By-Laws of the Corporation. **Subject to the provisions of this Article SIXTH below, until the 2010 annual meeting of stockholders when the following classification shall cease, the** directors, other than those who may be elected by the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, shall be classified, with respect to the time for which they severally hold office, into three classes, as nearly equal in number as possible, as shall be provided in the manner specified in the By-Laws of the Corporation, one class to hold office initially for a term expiring at the annual meeting of stockholders to be held in 1988, another class to hold office initially for a term expiring at the annual meeting of stockholders in 1989, and another class to hold office initially for a term expiring at the annual meeting of stockholders to be held in 1990, with the members of each class to hold office until the successors are elected and qualified. At each annual meeting of the stockholders of the Corporation **until the 2008 annual meeting of stockholders,** the successors of the class of directors whose term expires at that meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. **Directors elected at and after the 2008 annual meeting of stockholders shall hold office until the first annual meeting of stockholders following their election and until a successor shall have been elected and qualified or until the director s prior death, resignation or removal.**

(b) Advance notice of stockholder nominations for the election of directors shall be given in the manner provided in the By-Laws of the Corporation.

(c) Except as otherwise provided for or fixed by or pursuant to the provisions of Article FOURTH hereof relating to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect directors under specified circumstances, newly created directorships resulting from any increase in the number of directors and any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other cause shall be filled solely by the affirmative vote of a majority of the directors or the sole director then remaining in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office **until the next succeeding annual meeting of stockholders following such director s election** and until such director s successor shall have been elected and qualified, **including in circumstances where such director s predecessor was elected to a longer term.** No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(d) Subject to the rights of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation to elect directors under specified circumstances, any director may be removed from office, **with or without** cause, by the affirmative vote of the holders of a majority of the combined voting power of the then outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class.

(e) Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent in writing by such holders. Except as otherwise required by law and subject to the rights of the holders of any class or series of stock having a preference over the Common Stock as to dividends or upon liquidation, special meetings of stockholders of the

Corporation may be called only by the Chairman of the Board or President or the Board of

Directors pursuant to a resolution approved by a majority of the entire Board of Directors or as otherwise provided in the By-Laws of the Corporation.

(f) In furtherance and not in the limitation of the powers conferred by statute, the Board of Directors is expressly authorized to make, alter, amend or repeal the By-Laws of the Corporation, but the stockholders may adopt additional By-Laws and may amend or repeal By-Laws whether or not adopted by them provided that the affirmative vote of the holders of **a majority** of the combined voting power of the then outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class, is required for any such adoption of additional By-Laws, amendment or repeal.

(g) Notwithstanding any other provision of this Certificate of Incorporation or the By-Laws of the Corporation (and notwithstanding the fact that a lesser percentage may be specified by law, the Certificate of Incorporation or the By-Laws of the Corporation), the affirmative vote of the holders of **a majority** of the voting power of all the shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to alter, amend or repeal this Article SIXTH or to adopt any provision inconsistent herewith.
