Be more than a customer. Be a stockholder.

At National Fuel Gas Company, we offer you an opportunity that goes beyond the more than 100-year track record our operating companies have of delivering service and value. We're inviting our New York and Pennsylvania utility customers to become stockholders in our integrated energy company through our stock purchase and dividend reinvestment plan.

Your natural gas utility, National Fuel Gas Distribution Corporation, is one segment of an exciting diversified and integrated energy company that has an uninterrupted, 107-year record of dividend payments to stockholders. We offer a convenient opportunity to customers who want to become stockholders, with the ability to purchase stock and reinvest dividends without paying brokerage commissions.
