The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. The Fund's Nominating Committee is composed of directors who are not interested persons of the Fund (as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act)) (Independent Directors), and independent (as defined in the NYSE listing standards), and its actions are governed by the Fund's Nominating Committee Charter, attached hereto as Appendix B. Persons recommended by the Fund's Nominating Committee as candidates for nomination as directors are required to possess such knowledge, experience, skills, expertise and diversity so as to enhance the Board's ability to manage and direct the affairs and business of the Fund, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or any listing requirements of the NYSE.

The Fund's Board of Directors has a Fair Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The Fund's Fair Valuation Committee is composed of directors who are not interested persons of the Fund as well as certain employees of the Fund's Adviser, HSBC Global Asset Management (Taiwan) Limited. The

current Directors who are members of the Fair Valuation Committee are Messrs. Holland, Lo and Rogers. The Fair Valuation Committee met once during the fiscal year ended August 31, 2009.

The Fund's Board of Directors has an Investment Management Oversight Committee which is responsible for overseeing and evaluating the nature and quality of the investment services provided to the Fund by the Adviser in order to assist the Board in overseeing the investment services being provided to the Fund by the Adviser. The Investment Management Oversight Committee convened four times during the fiscal year ended August 31, 2009.

The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Rogers, Holland and Shen. The Share Repurchase Program Committee convened twice during the fiscal year ended August 31, 2009.

The Board of Directors of the Fund held four regular meetings during the fiscal year ended August 31, 2009. For the fiscal year ended August 31, 2009, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he or she served.

For annual or special stockholder meetings, directors may but are not required to attend the meetings; and for the Fund's last annual stockholder meeting, all of the Directors attended the meeting.

PROPOSAL 2

**APPROVAL OF PROPOSED INVESTMENT ADVISORY AND
MANAGEMENT AGREEMENT**

On January 20, 2010, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to shareholders an Investment Advisory and Management Agreement (the Proposed Agreement) between the Fund and the proposed investment advisor for the Fund, Martin Currie Inc., (Martin Currie or the Proposed Adviser). The Proposed Agreement, if approved, will replace the current Discretionary Investment Management Agreement, dated [April 3], 2009 (the Current Agreement) pursuant to which HSBC Global Asset Management (Taiwan) Limited (the Adviser) manages the assets of the Fund. The Current Agreement was approved by a vote of the Fund s stockholders during an annual meeting of the Fund s stockholders on March 24, 2009.

The Proposed Agreement provides for the Proposed Adviser to provide substantially the same investment advisory and management services as provided under the Current Agreement. The Proposed Adviser s duties under the Proposed Agreement include making investment decisions, supervising the acquisition and disposition of investments and selecting brokers or dealers to execute these transactions in accordance with the Fund s investment objective and policies and within the guidelines and directions established by the Fund s Board of Directors.

Under both the Proposed Agreement and the Current Agreement, the Fund bears expenses for legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise in the Proposed Agreement); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholders' and other meetings. Under the Proposed Agreement, as is the case under the Current Agreement, the Proposed Adviser bears all other expenses associated with the performance of its duties (including employee salaries and overhead) other than expenses to be paid by the Fund, as specifically provided above. The Proposed Adviser also would pay the salaries and expenses of such of the Fund's officers and employees and any fees and expenses of such of the Fund's directors who are managers, members, officers or employees of the Proposed Adviser or any of its affiliates, *provided, however*, that the Fund, and not the Proposed Adviser, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of the Proposed Adviser to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

The Proposed Agreement may be terminated at any time, without payment of penalty by the Proposed Adviser or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty (60) days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by the Proposed Adviser. The Proposed Agreement will also terminate (i) automatically if the Proposed Adviser ceases to be a member of the Financial Services Authority of the United Kingdom (the "FSA") or any successor organization or (ii) upon proper notice if the Proposed Adviser is required to terminate the Proposed Agreement on the FSA's instructions.

If approved by stockholders, the Proposed Agreement would remain in effect for an initial period of two years from the date of its execution by the Fund. Thereafter, the Proposed Agreement would continue in effect from year to year if its continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

Fee Provisions of the Proposed Agreement

The advisory fee rate to be paid by the Fund under the Proposed Agreement is lower than the base fee rate currently being paid by the Fund under the Current Agreement and, unlike the Current Agreement, would not increase or decrease under the Proposed Agreement if the Fund outperformed or underperformed its benchmark.

Under the terms of the Current Agreement, the Adviser is entitled to receive for its services, a monthly basic fee, payable in NT dollars, at an annual rate of 1.00% of the Fund's average daily net assets. In addition, the basic fee payable to the Adviser is subject to performance adjustments which may increase or decrease the basic fee (up to 0.30% per annum of the Fund's average net assets) on a monthly basis, depending on the performance of the Fund's investment compared to the performance of the Taiwan Stock Exchange Index during a rolling performance period of 36 months. Under the Proposed Agreement, the Proposed Adviser would be entitled to receive a fee for its services, computed weekly and payable monthly in US dollars, at the annual rate of 0.90% on the first \$150 million in total net assets under management, 0.80% on the next \$150 million in total net assets under management and 0.70% on total net assets under management over \$300 million. The proposed fee would not be subject to a performance adjustment.

The table below shows the aggregate amount of advisory fees paid by the Fund for the fiscal year ended August 31, 2009, along with the amount that would have been paid during the same period had the Proposed Agreement been in effect (Pro Forma), and the percentage decrease that the pro forma fee represents. The average daily net assets for the Fund during the fiscal year ended August 31, 2009 were US\$[_____]. The average weekly net assets for the Fund during the fiscal year ended August 31, 2009 were US\$[_____].

	Current Advisory Fee	Pro Forma Advisory Fee	Difference
Base Fee	US\$[]	US\$[]	[]%
Adjusted Fee	US\$[]	US\$[]	[]%

There were no additional payments made to the Adviser by the Fund for the fiscal year ended August 31, 2009.

[If the Fund's stockholders approve the Proposed Agreement, the proposed fees are expected to go into effect on or about May 1, 2010 or such later date following stockholder approval as is reasonably practicable if the stockholder meeting is held on or adjourned to a later date than currently expected.]

The Factors Considered by The Board of Directors Regarding the Proposed Agreement

The Board was asked to approve the Proposed Agreement with substantially the same terms and conditions as the Current Agreement, except with respect to advisory fees as described above. The Board was assured by the Proposed Adviser that the Fund would continue to be managed in substantially the same manner under the Proposed Agreement as under the Current Agreement. The Proposed Agreement is legally required to be reviewed and re-approved by the Board once a year, after its initial two year term.

Approval Process

At its meeting in July 2009, the Board of Directors of the Fund (the Board), all of whom are Independent Directors, determined that it would be appropriate for the Board to review the arrangements for the management of the Fund's assets and consider engaging a different investment adviser for the Fund. At that time, the Board appointed a committee (the Committee) to oversee the process of reviewing alternative investment advisers. The Committee retained a consultant to assist the Committee in identifying appropriate candidates to serve as investment adviser for the Fund and in preparing a request for proposal to be sent to the candidates. Approximately eight candidates were identified, on the

basis that each candidate was known to have experience managing portfolios consisting of Taiwan equity securities and was believed to have performed well in managing those portfolios, and requests for proposals were sent to those candidates. Four candidates (each a Candidate and together the Candidates) submitted responses to the requests for proposals. After reviewing the responses, the Committee requested additional information from each Candidate. After reviewing the additional information provided by the Candidates, the Committee determined that each should make a presentation at the January 20, 2010 meeting of the Board of Directors. In advance of that meeting, each of the Directors was supplied with all of the information provided by each Candidate in response to the request for proposal and the request for additional information. Included in the information supplied by each Candidate was information addressing its compliance structure and its ability to provide the Fund with certain administrative services, and this information was reviewed by the Fund's Chief Compliance Officer and Assistant Treasurer, respectively, each of whom provided his respective preliminary assessment of the Candidate's compliance structure and administrative capabilities based on such information. Throughout the process, the Board and the Committee were advised by counsel.

At the Board meeting on January 20, 2010, each of the Candidates made a presentation to the Board and responded to questions from the Board. Following the presentations, the Board discussed the relative merits of each Candidate and, after Martin Currie, Inc., the Proposed Adviser, agreed to reduce its proposed advisory fee and agreed to reductions in its fee as the Fund's assets grow, the Board approved the selection of the Proposed Adviser as the investment adviser for the Fund, approved the Proposed Agreement and agreed to submit the selection of the Proposed Adviser for approval by the Fund's stockholders at the next annual stockholder meeting in April 2010.

In making this selection, the Board noted the Proposed Adviser's above average performance in managing a portfolio of Taiwan equity securities, the considerable experience of the proposed portfolio manager for the Fund in managing portfolios of equity securities of companies in the China region and the Proposed Adviser's commitment to on-the-ground research of portfolio companies. The Board also noted that the advisory fee agreed to by the Proposed Adviser compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the China region and with the base advisory fee of the Adviser. The Board also considered the terms and conditions of the Proposed Agreement and the nature, scope and quality of services that the Proposed Adviser is expected to provide to the Fund, including compliance services. The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director attributed different weights to the various factors.

Nature, Extent and Quality of the Services provided by the Adviser. The Board reviewed and considered the nature and extent of the investment management services to be provided by the Proposed Adviser under the Proposed Agreement. The Board also reviewed and considered the nature and extent of the non-investment management, administrative services to be provided by the Proposed Adviser under the Proposed Agreement. The Board determined that the Proposed Adviser appeared to be capable of providing the Fund with investment management and administrative services of above average quality.

Performance, Fees and Expenses of the Fund. The Board noted that the Proposed Adviser had not yet begun providing services to the Fund and, therefore, that there were limitations on the Board's ability to evaluate the Proposed Adviser's performance. Based, however, on the performance of the Proposed Adviser in managing a fund of Taiwan equity securities, the Board concluded that there was reason to

believe that the Proposed Adviser could achieve above average performance over the long term in managing the Fund. The Board also considered that advisory fee rates under the Proposed Agreement would be lower than the base fee rate under the Current Agreement and, unlike the Current Agreement, would not increase under the Proposed Agreement if the Fund outperformed its benchmark. The Board also noted that other expenses of the Fund were not expected to increase as a result of the retention of the Proposed Adviser.

Economies of Scale. The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Proposed Investment Management Agreement declines as the Fund's assets grow.

Other Benefits of the Relationship. The Board considered whether there were other benefits that the Proposed Adviser and its affiliates may derive from their relationship with the Fund and concluded that any such benefits were likely to be minimal.

Resources of the Proposed Investment Adviser. The Board considered whether the Proposed Adviser is financially sound and has the resources necessary to perform its obligations under the Proposed Agreement, noting that the Proposed Adviser appears to have the financial resources necessary to fulfill its obligations under the Proposed Agreement.

General Conclusions. After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreement. In reaching this conclusion, the Board did not give particular weight to any single factor referenced above.

Required Vote

The 1940 Act requires that an investment advisory contract between an investment company and an investment adviser be in writing, that such contract specify, among other things, the compensation payable to the adviser pursuant thereto and that such contracts be approved by the holders of a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act and discussed below.

Approval of the Proposed Agreement will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of the outstanding shares means the lesser of 67% of the voting securities present at the Annual Meeting of Stockholders, if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the Proposed Agreement. If this proposal is not approved by stockholders, the Fund will continue under the Current Agreement while the Board of Directors considers other steps.

A form of the Proposed Agreement is attached as Appendix C.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO APPROVE THE PROPOSED AGREEMENT BETWEEN THE FUND AND MARTIN CURRIE.

PROPOSAL 3

APPROVAL OF AN AMENDMENT TO THE FUND'S RESTATED CERTIFICATE OF INCORPORATION, INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 TO 100,000,000

On January 19, 2010, the Board and all of the Independent Directors, voted to approve and recommend to stockholders an amendment to Article Fourth of the Fund's Restated Certificate of

Incorporation to increase the number of authorized shares of Common Stock from 20,000,000 to 100,000,000 (the Share Increase Amendment).

The text of the proposed amendment is set forth below.

RESOLVED, that Article Fourth of the Fund's Restated Certificate of Incorporation be amended to read as follows:

FOURTH: Capital Stock. The total number of shares of stock which the Corporation shall have authority to issue is 100,000,000 shares of Common Stock, par value \$.01 per share (Common Stock).

The Share Increase Amendment will not change any other aspect of Article Fourth.

At March 5, 2010, the Fund had [] shares of Common Stock outstanding. The Board has determined that the _____ shares of presently authorized but unissued Common Stock may be insufficient to permit the Fund to pay dividends in stock or to make additional offerings of its Common Stock in order to raise cash to take advantage of certain investment opportunities, if and as they become available. The Fund has a dividend reinvestment and cash purchase plan (the Plan) pursuant to which the Fund may issue additional shares to participants in the Plan. In addition, the Fund anticipates that it may, in the future, engage in equity offerings of its securities for cash through either rights offerings to existing stockholders or secondary public or private offerings, although the Fund does not have any current plans to make any such additional offerings. In order to permit the Fund greater flexibility to effect stock dividends, authorize issuance pursuant to the Plan or issue additional shares of Common Stock from time to time in order to raise capital in public offerings, private offerings or rights offerings, as well as for other similar purposes, the Board of Directors considers it advisable that the Fund be in a position to issue up to approximately [] additional shares without the requirement of stockholder approval.

Holders of capital stock of the Fund do not have any preemptive rights to subscribe for or purchase any shares of capital stock of the Fund, which means that current stockholders do not have a prior right to purchase any new issue of Common Stock of the Fund in order to maintain their proportionate ownership. Consequently, the issuance of additional shares of capital stock may dilute the interest of a current stockholder if additional shares are issued at less than the then current net asset value and the stockholder does not purchase, or is not offered the opportunity to purchase, additional shares. Under the 1940 Act, the Fund is not permitted to issue additional shares below their then current net asset value except by means of a rights offering made to the Fund's stockholders. Pursuant to any such rights offering, each stockholder would be given the opportunity to purchase an additional number of shares such that the stockholder's proportionate interest in the Fund would not be diluted.

Required Vote

Approval of the Share Increase Amendment will require the affirmative vote of a majority of the outstanding stock entitled to vote thereon. For this purpose, abstentions and broker non-votes will have the effect of a vote to disapprove the Share Increase Amendment.

**THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE
FOR THE SHARE INCREASE AMENDMENT.

 - (n) to receive reports from the principal executive officer and the principal financial officer, or persons performing similar functions, regarding: (i) all significant deficiencies in the design or operation of Fund internal controls that could adversely affect the Fund's ability to record, process, summarize, and report financial data and have identified for the Fund's independent accountants any material weaknesses in internal controls; (ii) any fraud, whether or not material, that involves Fund management or other employees who have a significant role in the Fund's internal controls; and (iii) whether or not there were significant changes in the Fund's internal controls or in other factors that could significantly affect the Fund's internal controls subsequent to the date of their evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses;

In fulfilling their responsibilities under this Audit Committee Charter, it is recognized that members of the Audit Committee are not full-time employees of the Fund. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures. The Taiwan Fund, Inc.
NOMINATING COMMITTEE CHARTER

Purpose of Committee

The purpose of the Nominating Committee (the Committee) of the Board of Directors (the Board) of The Taiwan Fund, Inc. (the Fund) is to recommend individuals to the Board for nomination as members of the Board and its committees. The Committee shall report to the Board on a regular basis and not less than once a year.

Committee Membership

The Committee shall consist solely of three or more members of the Board, each of whom is, in the business judgment of the Board, independent under the rules of the New York Stock Exchange, Inc. (the NYSE) and non-interested under the Investment Company Act of 1940.

Members shall be appointed by the Board and shall serve at the pleasure of the Board and for such term or terms as the Board may determine. In appointing members of the Committee, the Board will take into consideration such factors as it deems appropriate including, but not limited to, judgment, skill, business experience and diversity.

Committee Structure and Operations

The Board shall designate one member of the Committee as its chairperson. In the event of a tie vote on any issue, the chairperson's vote shall decide the issue. The Committee shall meet in person or telephonically at least once a year at a time and place determined by the Committee chairperson, with further meetings to occur when deemed necessary or desirable by the Committee or its chairperson. The Committee may request members of management or others to attend meetings and provide pertinent information as necessary.

Committee Duties and Responsibilities

The following are the duties and responsibilities of the Committee:

1. Make recommendations to the Board from time to time as to changes that the Committee believes to be desirable to the size of the Board.
 2. Identify individuals believed to be qualified to become Board members, and to recommend to the Board the nominees to stand for election as directors at the annual meeting of stockholders or, if applicable, at a special meeting of stockholders. In the case of a vacancy in the office of a director (including a vacancy created by an increase in the size of the Board), the Committee shall recommend to the Board an individual to fill such vacancy either through appointment by the Board or through election by stockholders. In nominating candidates, the Committee shall take into consideration such factors as it
-

deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the NYSE and the Securities and Exchange Commission (the SEC) to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. In the event the Fund is legally required, by contract or otherwise, to provide a third party with the ability to nominate a director, the selection and nomination of such director need not be subject to the Committee's review.

3. Identify Board members qualified to fill vacancies on any committee of the Board (including the Committee) and to recommend that the Board appoint the identified member or members to the respective committee. In nominating a candidate for committee membership, the Committee shall take into consideration the factors set forth in the charter of the committee, if any, as well as any other factors it deems appropriate, including without limitation the consistency of the candidate's experience with the goals of the committee, the interplay of the candidate's experience with the experience of other committee members, requirements of the NYSE for independent members to serve on the Fund's audit and compensation committees and the Committee, and requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee.
4. To periodically review director and committee member compensation and recommend any appropriate changes in compensation to the Board.
5. To fulfill any other duties or responsibilities expressly delegated to the Committee by the Board from time to time relating to the nomination of Board and committee members.

Performance Evaluation

The Committee shall produce and provide to the Board an annual performance evaluation of the Committee, which evaluation shall compare the performance of the Committee with the requirements of this charter and set forth the goals and objectives of the Committee for the upcoming year. The performance evaluation shall also recommend to the Board any improvements to the Committee's charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the chairperson of the Committee or any other member of the Committee designated by the Committee to make this report.

Delegation to Subcommittee

The Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

Resources and Authority of the Committee

The Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to retain counsel and other experts or consultants at the expense of the Fund. The Committee shall have the sole authority to select and retain a consultant or search firm, to terminate any consultant or search firm retained by it, and to approve the consultant or search firm's fees and other retention terms.

INVESTMENT ADVISORY AND MANAGEMENT AGREEMENT

This Agreement, dated as of [_____, 2010] between THE TAIWAN FUND, INC., a corporation organized under the Delaware Laws of the United States with a registered office at c/o State Street Bank and Trust Company, P.O. Box 5049, 2 Avenue de Lafayette, Boston, MA 02206-5409 (the Fund), and MARTIN CURRIE INC., a company incorporated in New York and registered as an investment adviser with the U.S. Securities and Exchange Commission and authorized and regulated by the Financial Services Authority of the United Kingdom, the regulator for financial services institutions in the United Kingdom (the FSA) (the Investment Manager).

The Fund is a closed-end, diversified management investment company registered under the Investment Company Act of 1940 (the 1940 Act), the shares of common stock of which are registered under the Securities Exchange Act of 1934 and listed on the New York Stock Exchange. The Fund's investment objective is long-term capital appreciation through investment primarily in securities of Republic of China companies listed on the Taiwan Stock Exchange.

The Fund desires to retain the Investment Manager to provide investment management services with respect to the Fund's assets, and the Investment Manager agrees to provide such services, based upon its professional investment judgment and within the scope of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants hereafter contained, the parties hereto hereby agree as follows:

1. Appointment of Investment Manager.

(a) The Fund hereby employs the Investment Manager for the period and on the terms and conditions set forth herein, subject at all times to the supervision of the Board of Directors of the Fund (the Board), to:

(i) Make all investment decisions for the assets of the Fund (the Fund Assets) and to manage the investment and reinvestment of the Fund Assets in accordance with the investment objective and policies of the Fund, as such investment objective and policies are amended from time to time by the Board (or with the concurrence of the Fund's shareholders, in each case in accordance with the requirements of the 1940 Act), and subject always to the restrictions of the Fund's Certificate of Incorporation and By-Laws, as amended or restated from time to time. Should the Board at any time make any definite determination as to investment policy and notify the Investment Manager thereof, the Investment Manager shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination has been revoked. The Investment Manager shall vote the Fund's proxies in accordance with the Fund's proxy voting policies, which may be amended from time to time by the Board and communicated to the Investment Manager. The Investment Manager shall make such reports to the Board concerning such proxy voting as the Board may deem necessary or advisable and as may be required by rules and regulations under the 1940 Act. The Fund acknowledges that no assurance has been or can be provided that the investment objective of the Fund can or will be achieved. The Investment Manager shall take, on behalf of the Fund, all actions that the Investment Manager deems necessary to implement the investment policies of the Fund and to place all orders for the purchase or sale of portfolio securities for the Fund with brokers or dealers selected by the Investment Manager, and in connection therewith, the Investment Manager is

authorized as agent of the Fund to give instructions to the custodians from time to time of the Fund Assets as to deliveries of securities and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Investment Manager is directed at all times to seek to use its best efforts to obtain for the Fund the most favorable net results available (best execution). In using its best efforts to obtain for the Fund best execution, the Investment Manager shall consider all factors it deems relevant, including, by way of illustration, price, the size of the transaction, the nature of the market security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transactions. Subject to such policies as the Fund may communicate to the Investment Manager in writing, the Investment Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Investment Manager or its affiliates an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Investment Manager determines in good faith that such amount of commission was reasonable;

(ii) Assist the administrator of the Fund, as requested, in the preparation of the Fund's periodic financial statements and in the valuation of the Fund Assets and the determination of its liabilities;

(iii) Prepare and make available to the Fund pertinent research and statistical data;

(iv) Maintain or cause to be maintained for the Fund all books and records required under the 1940 Act, to the extent that such books and records are not maintained or furnished by administrators, custodians or other agents of the Fund; and

(v) Provide the Fund with such other services and advice, consistent with the foregoing, as the Board may reasonably request.

(b) The Investment Manager accepts such appointment and agrees during the term of this Agreement to render such services, to permit any of its managers, members, officers or employees to serve without compensation as directors or officers of the Fund if elected to such positions and to assume the obligations herein for the compensation herein provided. The Investment Manager shall for all purposes herein provided be deemed to be an independent contractor and, unless otherwise expressly provided or authorized, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

2. Compensation. For the services and facilities described in Section 1, the Fund agrees to pay to the Investment Manager, a fee in U.S. dollars in accordance with the schedule set forth as Exhibit A hereto. For the month and year in which this Agreement becomes effective or terminates, there shall be an appropriate proration on the basis of the number of days that this Agreement is in effect during such month and year, respectively.

3. Investment in Fund Stock. The Investment Manager agrees that it will not make a short sale of any shares of the Fund.

4. Non-Exclusivity of Services. Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into

investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Taiwanese or Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby, except that, without the prior written consent of the Fund the Investment Manager may not act as the investment adviser or investment manager to any other investment company that is listed on the New York Stock Exchange and that has the same investment strategy as the Fund. The Investment Manager is not obligated to purchase or sell for the Fund any security which the Investment Manager or its affiliates may purchase or sell for their own accounts or the accounts of other clients.

5. Standard of Care; Indemnification. The Investment Manager may rely on information reasonably believed by it to be accurate and reliable. Neither the Investment Manager nor its officers, managers, members, employees, agents or controlling persons (as defined in the 1940 Act) shall be subject to any liability for any act or omission, error of judgment or mistake of law, or for any loss suffered by the Fund, in the course of, connected with or arising out of any services to be rendered hereunder except by reason of willful misfeasance, bad faith or gross negligence on the part of the Investment Manager in the performance of its duties or by reason of reckless disregard on the part of the Investment Manager of its obligations and duties under this Agreement. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager. In no event shall the Investment Manager have any responsibility for the acts or omissions of any other adviser of the Fund.

The Fund shall indemnify and hold harmless the Investment Manager, its officers, managers, members, employees, agents, controlling persons or other affiliates (each, an Indemnified Party) for any losses, costs and expenses incurred or suffered by any Indemnified Party arising from any action, proceeding or claims that may be brought against such Indemnified Party in connection with the performance or non-performance of its functions under this Agreement, except for such losses, costs and expenses resulting from willful misfeasance, bad faith or gross negligence in the performance of such Indemnified Party's duties or from reckless disregard on the part of such Indemnified Party of such Indemnified Party's obligations and duties under this Agreement.

6. Allocation of Charges and Expenses.

(a) The Investment Manager shall assume and pay for maintaining its staff and personnel and shall at its own expense provide the equipment, office space and facilities necessary to perform its obligations hereunder. The Investment Manager shall pay the salaries and expenses of such of the Fund's officers and employees and any fees and expenses of such of the Fund's directors who are managers, members, officers or employees of the Investment Manager or any of its affiliates, *provided, however*, that the Fund, and not the Investment Manager, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of the Investment Manager to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

(b) In addition to the fee of the Investment Manager, the Fund shall assume and pay the following expenses: legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration, except as may be herein expressly provided otherwise; expenses for portfolio pricing services by a pricing

agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder's and other meetings.

7. Potential Conflicts of Interest.

(a) Subject to applicable statutes and regulations, managers, members, officers, employees, agents or owners of the Investment Manager may be interested in the Fund as a director, officer, agent or otherwise.

(b) If the Investment Manager considers the purchase or sale of securities for the Fund and other advisory clients of the Investment Manager at or about the same time, transactions in such securities shall be made for the Fund and such other clients in accordance with the Investment Manager's trade allocation procedures, as they may be amended from time to time and approved by the Board.

8. Compliance with FSA requirements. In order for the Investment Manager to comply with the requirements of the FSA, the Fund and the Investment Manager will execute a Terms of Business Letter, as such term is defined under the FSA rules. The Terms of Business Letter will serve as the Fund's acknowledgement that the Investment Manager has made to the Fund certain prescribed disclosures as required by the FSA.

9. Duration and Termination.

(a) This Agreement shall be effective for a period of two (2) years from the date hereof and shall continue in effect from year to year thereafter, *provided* that such continuance is specifically approved at least annually by (i) a majority of the members of the Board who are neither parties to this Agreement nor interested persons of the Fund or of the Investment Manager or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Investment Manager, cast in person at a meeting called for the purpose of voting on such approval, and (ii) separately by the Board (all directors voting) or by vote of a majority of the Fund's outstanding voting securities.

(b) This Agreement may nevertheless be terminated at any time, without payment of penalty, by the Investment Manager or by the Fund acting pursuant to a vote of the Board or by vote of a majority of the Fund's outstanding securities upon sixty (60) days' written notice. This Agreement shall automatically be terminated in the event of its assignment, *provided, however*, that a transaction that does not, in accordance with the 1940 Act and applicable rules thereunder, result in a change of actual control or management of the Investment Manager's business shall not be deemed to be an assignment for the purposes of this Agreement. This Agreement shall automatically be terminated if the Investment Manager ceases to be a member of the FSA or any successor organization. In addition, this Agreement shall be terminated upon proper notice if the Investment Manager is required to terminate the Agreement on the FSA's instructions.

(c) Termination of this Agreement shall not (i) affect the right of the Investment Manager to receive payments of any unpaid balance of the compensation described in Section 2 earned prior to such termination or (ii) extinguish the Investment Manager's right of indemnification under Section 5.

As used herein, the terms interested person, assignment and vote of a majority of the outstanding voting securities shall have the meanings set forth in the 1940 Act.

10. Amendment. This Agreement may be amended by mutual agreement, *provided* that if required by the 1940 Act or other applicable law any such amendment shall only become effective after the affirmative vote of (i) the holders of a majority of the outstanding voting securities of the Fund and (ii) a majority of the members of the Board who are not interested persons of the Fund or of the Investment Manager, cast in person at a meeting called for the purpose of voting on such approval.

11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, *provided, however*, that nothing herein shall be construed in a manner inconsistent with the 1940 Act.

12. Notices. Any communication hereunder must be in writing and must be made by letter, telex or facsimile. Any communication or document to be made or delivered by one person to another pursuant to this Agreement shall (unless that other person has by fifteen (15) days notice to the other specified another address) be made or delivered to that other person at the following relevant address:
