PROXY STATEMENT

**FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD NOVEMBER 10, 2010**

To Our Stockholders:

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Emerson Radio Corp., a Delaware corporation, to be used at our Annual Meeting of Stockholders to be held at the offices of our counsel, Lowenstein Sandler PC, located at 65 Livingston Avenue, Roseland, New Jersey 07068, on Wednesday, November 10, 2010, at 9:00 a.m. (local time), or at any adjournment or adjournments thereof. Our stockholders of record as of the close of business on September 30, 2010 are entitled to vote at our annual meeting. We expect to begin mailing this proxy statement and the enclosed proxy card to our stockholders on or about October 18, 2010.

Important Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on November 10, 2010.

Our proxy materials including our Proxy Statement for the 2010 Annual Meeting, 2010 Annual Report to Stockholders (which contains our Annual Report on Form 10-K for the year ended March 31, 2010) and proxy card are available on the Internet at <http://www.amstock.com/proxyservices/viewmaterial.asp?CoNumber=02008>.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the record date to vote on each of the proposals properly brought before the annual meeting. As of the record date, there were 27,129,832 shares of our common stock, par value \$.01 per share, issued and outstanding and entitled to vote at the annual meeting. Each outstanding share of our common stock is entitled to one vote.

The holders of a majority of our outstanding shares of common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. If a quorum is not present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a no vote on all other matters. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed routine by the New York Stock Exchange (NYSE), such as the ratification of auditors. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called broker non-votes.

An important change in the NYSE rule went into effect recently and is effective for this year's annual meeting. Pursuant to this rule change, the election of directors is not considered to be a routine matter and brokers are no longer permitted to vote in the election of directors if the broker has not received instructions from the beneficial owner. This represents a change from prior years, when brokers had discretionary voting authority in the election of directors. As a result, there may be a significant number of broker non-votes on the election of directors. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

Table of Contents

Assuming that a quorum is present, directors will be elected by a plurality vote and the seven nominees who receive the most votes will be elected. There is no right to cumulate votes in the election of directors. As a result, abstentions and broker non-votes (see below), if any, will not affect the outcome of the vote on this proposal.

Assuming that a quorum is present, the ratification of the appointment of MSPC as our independent registered public accountants for the fiscal year ending March 31, 2011 and approval of any other matter that may properly come before the annual meeting, the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and broker non-votes, if any, will not affect the outcome of the vote on these proposals. The Company believes that the proposal for the ratification of our independent registered public accounting firm is considered to be a routine matter, and hence the Company does not expect that there will be a significant number of broker non-votes on such proposal.

As of the record date, The Grande Holdings Limited (Grande Holdings) had the indirect power to vote approximately 56.2% of the outstanding shares of our common stock, and Grande Holdings has advised us that they intend to vote in favor of each of the proposals. As a result, we expect that we will have a quorum present at the annual meeting and that each of the proposals will be approved. Holders of our common stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the annual meeting.

The accompanying proxy card provides space for you to vote in favor of, or to withhold voting for: (i) the nominees for the Board of Directors identified herein and (ii) the ratification of the appointment of MSPC as independent registered public accountants of Emerson for the fiscal year ending March 31, 2011. The Company's Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder's instructions. The Company has designated Andrew L. Davis and Barry Smith as proxies for the stockholders. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the annual meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to the Company and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director identified herein and (ii) the ratification of the appointment of MSPC as the Company's independent registered public accountants for the fiscal year ending March 31, 2011 and, at the discretion of the proxies designated by the Company, on any other matter that may properly come before the annual meeting or any adjournment(s).

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying our Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the annual meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the annual meeting we have received notice of such revocation.

At least ten (10) days before the annual meeting, the Company will make a complete list of the stockholders entitled to vote at the annual meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at the Company's offices located at 85 Oxford Drive, Moonahcie, New Jersey 07074, and will also be made available to stockholders present at the meeting.

Table of Contents**PROPOSAL I: ELECTION OF DIRECTORS**

Seven directors are proposed to be elected at the annual meeting. If elected, each director will hold office until the next annual meeting of stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

The seven nominees for election as directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified are Christopher Ho, Adrian Ma, Duncan Hon, Eduard Will, Mirzan Mahathir, Kareem E. Sethi and Terence A. Snellings. All of the nominees named in this proxy statement are members of the Company's current Board of Directors. All nominees have consented to serve if elected and the Company has no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as the Company's Board of Directors may recommend, (ii) the Company's Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) the Company's Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

The current Board of Directors nominated the individuals named below for election to our Board of Directors, and information regarding the background and qualifications of each of the nominees is set forth below. See Security Ownership of Certain Beneficial Owners and Management for additional information about the nominees, including their ownership of securities issued by Emerson.

BOARD OF DIRECTORS AND COMMITTEES

Board of Directors and Committees

As of October 8, 2010, Grande Holdings beneficially owned an aggregate of 15,243,283 shares of the Company's common stock, which represents approximately 56.2% of the shares of common stock currently outstanding. Accordingly, the Company is a controlled company, as such term is defined in Section 801(a) of the NYSE Amex Company Guide (the Company Guide) (Controlled Company). Because the Company is a Controlled Company, it is exempt from (i) the requirement that at least a majority of the directors on its Board of Directors be independent as defined under the NYSE Amex listing standards, (ii) the requirement to have the compensation of the Company's executives determined by a compensation committee comprised solely of independent directors or by a majority of the board's independent directors and (iii) from the requirement to have director nominees selected by a nominating committee comprised entirely of independent directors or by a majority of the independent directors.

The Company's Board of Directors presently consists of seven directors Messrs. Ho, Ma, Hon, Will, Mahathir, Sethi and Snellings. Three of the seven current directors, Messrs. Mahathir, Sethi and Snellings, meet the definition of independence as established by the NYSE Amex listing standards and SEC rules.

The Board of Directors is responsible for the management and direction of the Company and for establishing broad corporate policies. The Board of Directors meets periodically during the Company's fiscal year to review significant developments affecting the Company and to act on matters requiring Board of Director approval. The Board of Directors held five formal meetings during Fiscal 2010 and also acted by unanimous written consent. During Fiscal 2010, each member of the Board of Directors participated in at least 75% of the aggregate of all meetings of the Board of Directors and the aggregate of all meetings of committees on which such member served, that were held during the period in which such director served during Fiscal 2010, except Mr. Mahathir, who attended only one of the meetings of the Board of Directors. The Company has a policy of encouraging, but not requiring, its Board members to attend annual meetings of stockholders. Last year, three of the Company's directors who were nominated for re-election attended the Company's 2009 Annual Meeting.

The Company's Board of Directors has three standing committees, the Audit Committee, which is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, the Corporate Governance, Nominating and Compensation Committee and the Related Party Transaction Review Committee.

Audit Committee. The Company's Audit Committee currently consists of Mr. Sethi and Mr. Snellings, each of whom meets the definition of independence as established by the NYSE Amex and SEC rules and its composition is unchanged since the beginning of Fiscal 2010. Mr. Sethi is currently the Chairman of the Audit Committee and the audit committee financial expert. Pursuant to Section 803(B)(2)(c) of the Company Guide, as a smaller reporting

company, the Company is required to have an audit committee of at least two independent members, as defined by the listing standards of the NYSE Amex.

The Audit Committee is empowered by the Board of Directors, among other things, to: (i) serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system; (ii) review and appraise the audit efforts of the Company's independent

Table of Contents

accountants; (iii) assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's management regarding financial reporting issues; and (iv) provide the opportunity for direct communication among the independent accountants, financial and senior management and the Board of Directors. During Fiscal 2010, the Audit Committee performed its duties under a written charter approved by the Board of Directors and formally met four times. A copy of the Company's Audit Committee Charter is posted on the Company's website: www.emersonradio.com on the Investor Relations page.

Report of the Audit Committee

This report shall not be deemed soliciting material or incorporated by reference in any filing by the Company under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under either act.

The Audit Committee has reviewed the Company's audited consolidated financial statements and has met and held discussions with management and MSPC, Emerson's independent auditors. Management has represented to the Audit Committee that Emerson's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Emerson's independent auditors are responsible for performing an independent audit of Emerson's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report on those financial statements. The Audit Committee is responsible for monitoring and overseeing these processes. The Audit Committee also discussed with MSPC matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of Emerson's financial statements:

methods to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for MSPC's conclusions regarding the reasonableness of those estimates; and

disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements (there were no such disagreements).

MSPC also provided the Audit Committee with written disclosures and the letter required by applicable standards of the PCAOB which relate to the independent registered Public Accounting firm's independence. In addition, the Audit Committee discussed with MSPC its independence from the Company. The standards further require the independent registered Public Accounting firm to disclose annually in writing all relationships that, in their professional opinion, may reasonably be thought to bear on their independence, confirm their perceived independence and engage in the discussion of independence.

Based on the Audit Committee's discussions with management and MSPC, as well as the Audit Committee's review of the representations of management and the report of MSPC to the Audit Committee, the Audit Committee recommended to the Board of Directors that Emerson's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended March 31, 2010, for filing with the Securities and Exchange Commission.

The Audit Committee has selected MSPC to be retained as Emerson's independent certified public accountants to conduct the annual audit and to report on, as may be required, the consolidated financial statements that may be filed by Emerson with the SEC during the ensuing year.

Corporate Governance, Nominating and Compensation Committee. Under Sections 804 and 805 of the Company Guide, the Company is exempt from the requirement to have the compensation of its executives determined by a compensation committee comprised solely of independent directors or by a majority of the board's independent directors and from the requirement to have director nominees selected by a nominating committee comprised entirely of independent directors or by a majority of the independent directors because the Company is a Controlled Company. From the beginning of Fiscal 2010 until September 8, 2010, the Corporate Governance, Nominating and Compensation Committee consisted of Messrs. Ma, Will and Mahathir. The Board of Directors resolved on September 8, 2010 to reconstitute the Corporate Governance, Nominating and Compensation Committee as being comprised of Messrs. Ho, Will and Mahathir, one of whom the Board had determined was independent as defined under the NYSE Amex listing standards. The Corporate Governance, Nominating and Compensation Committee met formally two times during Fiscal 2010.

The Company's Board of Directors currently is considering the adoption of a charter of the Corporate Governance, Nominating and Compensation Committee. The Company expects that the charter, as finally adopted, will provide that the Corporate Governance, Nominating and Compensation Committee will be responsible for, among other things (i) the development and implementation of a set of corporate governance principles applicable to the Company; (ii) the determination of the slate of director nominees for election to the Company's Board and recommendation to the Board individuals to fill vacancies occurring between annual meetings of stockholders; and (iii) the recommendation to the Board for compensation arrangements of the Company's directors and executive officers.

nomination notice must set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (b) information that will enable the Company's Board of Directors to determine whether the candidate satisfies the minimum criteria and any additional criteria established by the Company's Board of Directors.

Qualifications. The Company's Board of Directors has adopted guidelines describing the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee (i) must satisfy any legal requirements applicable to members of the Board of Directors; (ii) must have business, professional or other experience that will enable such nominee to provide useful input to the Board of Directors in its deliberations; and (iii) must have knowledge of the types of responsibilities expected of members of the board of directors of a public company.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board of Directors will be identified from all available sources, including recommendations made by stockholders, members of the Company's management and members of the Company's Board of Directors. The Company's Board of Directors has a policy that there will be no differences in the manner in which its Board of Directors evaluates nominees recommended by stockholders and nominees recommended by it or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board of Directors. The evaluation process for individuals other than existing members of the Board of Directors will include a review of the information provided to the Board of Directors by the proponent and a review of such other information as the Board of Directors shall determine to be relevant.

Third Party Recommendations. In connection with the Annual Meeting, the Board of Directors did not receive any nominations from any stockholder or group of stockholders which owned more than 5% of the Company's common stock for at least one year.

Diversity Considerations in Director Nominations

The Company does not have a formal diversity policy. The Company believes its Board of Directors represents a collection of individuals with a variety of complementary skills which, as a group, possess the appropriate skills and experience to oversee the Company's business. The Company's Corporate Governance, Nominating and Compensation Committee considers a wide variety of qualifications, attributes and other factors and recognizes that a diversity of viewpoints and practical experiences can enhance the effectiveness of the Company's Board.

Board Leadership Structure

The Company does not have a formal policy regarding whether the roles of the Chairman of the Board and Chief Executive Officer should be combined or separated. The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive environment in which the Company operates, the right Board leadership structure may vary as circumstances warrant. Currently, the roles of Chief Executive Officer and Chairman of the Board are separate; however, representatives of the Company's controlling stockholder serve in each role. Mr. Ma, a director of Grande Holdings, serves as the Company's Chief Executive Officer. Mr. Ho, Chairman of Grande Holdings, serves as the Company's Chairman of the Board.

Role in Risk Oversight

Although the Company's management is responsible for implementing systems and processes to identify and manage risks, the Company's Board has oversight responsibility for the Company's risk management

Table of Contents

processes. In carrying out its oversight responsibility, the Board has delegated to individual committees certain elements of its risk oversight function. This oversight is administered primarily through the following:

The Board's review and approval of the Company's annual budget (prepared and presented to the Board by the management team), including discussion of the opportunities and challenges facing its business;

The Audit Committee's oversight of the Company's internal control over financial reporting and its discussions with management and the independent accountants regarding the quality and adequacy of the Company's internal controls and financial reporting;

The Corporate Governance, Nominating and Compensation Committee's review and recommendations to the Board regarding executive officer compensation and its relationship to the Company's business plans; and

The Related Party Transaction Review Committee review and pre-approval of any proposed related party transaction in excess of \$100,000.

Process for Sending Communications to the Board of Directors

The Board of Directors has established a procedure that enables stockholders to communicate in writing with members of the Board of Directors. Any such communication should be addressed to the Company's Secretary and should be sent to such individual at c/o Emerson Radio Corp., 85 Oxford Drive, Moonachie, New Jersey 07074. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board of Directors. Under the procedures established by the Board of Directors, upon the Secretary's receipt of such a communication, the Company's Secretary will send a copy of such communication to each member of the Board of Directors, identifying it as a communication received from a stockholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board of Directors held more than two days after such communication has been distributed, the Board of Directors will consider the substance of any such communication.

Codes of Ethics

The Company has adopted a Code of Ethics for Senior Financial Officers (Code of Ethics) that applies to its Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller and Treasurer. This Code of Ethics was established with the intention of focusing Senior Financial Officers on areas of ethical risk, providing guidance to help them recognize and deal with ethical issues, providing mechanisms to report unethical conduct, fostering a culture of honesty and accountability, deterring wrongdoing and promoting fair and accurate disclosure and financial reporting.

The Company has also adopted a Code of Conduct for Officers, Directors and Employees of Emerson Radio Corp. and Its Subsidiaries (Code of Conduct). We prepared this Code of Conduct to help all officers, directors and employees understand and comply with its policies and procedures. Overall, the purpose of the Company's Code of Conduct is to deter wrongdoing and promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company; (iii) compliance with applicable governmental laws, rules and regulations; (iv) prompt internal reporting of code violations to an appropriate person or persons identified in the Code of Conduct; and (v) accountability for adherence to the Code of Conduct.

The Code of Ethics and the Code of Conduct are posted on the Company's website: www.emersonradio.com on the Investor Relations page. If the Company makes any substantive amendments to, or grant any waiver (including any

implicit waiver) from a provision of the Code of Ethics or the Code of Conduct, and that relates to any element of the Code of Ethics definition enumerated in Item 406 (b) of Regulation S-K, the Company will disclose the nature of such amendment or waiver on its website or in a current report on Form 8-K.

Including earlier invoices related to similar charges paid for by Akai Sales on Emerson s behalf, Emerson owed Akai Sales approximately \$0 at September 30, 2010 and \$26,000 at March 31, 2010, as a result of these invoices.

During September 2009, Nakamichi Corporation Ltd. (Nakamichi), a subsidiary of Grande, invoiced Emerson approximately \$1,000 for audio samples. As of March 31, 2010, Emerson owed Nakamichi \$0.

On April 7, 2010, upon a request made to the Company by its foreign controlling stockholder, S&T International Distribution Limited (S&T), a subsidiary of Grande, the Company entered into an agreement (the Agreement) with S&T whereby the Company returned to S&T on April 7, 2010 that portion of the taxes that the Company had withheld from the dividend paid on March 24, 2010 to S&T, which the Company believes is not subject to U.S. tax based on the Company s good-faith estimate of its accumulated earnings and profits. Per the terms of the Agreement, Emerson invoiced S&T in June 2010 approximately \$42,000 for reimbursement of legal fees incurred by Emerson with regard to the Agreement and approximately \$33,000 as a transaction fee for having entered into the Agreement. As of September 30, 2010, S&T owed Emerson approximately \$75,000 as a result of this invoice.

Review and Approval of Transactions with Related Parties

It is the policy of the Company that all proposed transactions between the Company and related parties which are greater than \$100,000 be reviewed and pre-approved by the Related Party Transaction Review Committee of the Board of Directors in accordance with the Related Party Transaction Review Committee charter. In reviewing and approving transactions between the Company and related parties, the Related Party Transaction Review Committee will determine whether the proposed transaction is entirely fair to the Company and in the Company s best interest. For purposes of this policy, related parties means (i) an officer or director of the Company or the member of the immediate family of any of them or (ii) any other corporation, partnership, association, limited liability company, limited liability partnership, trust or other entity or organization in which one or more of the Company s officers or directors are (a) directors, officers, trustees or other fiduciaries or (b) have a financial interest.

Legal Proceedings

In re: Emerson Radio Shareholder Derivative Litigation. In late 2008, the plaintiffs in two previously filed derivative actions (the Berkowitz and Pinchuk actions) filed a consolidated amended complaint naming as defendants two current and one former director of the Company and alleging that the named defendants violated their fiduciary duties to the Company in connection with a number of related party transactions with

affiliates of Grande Holdings, the Company's controlling stockholder. In January 2009, the individual defendants filed an answer denying the material allegations of the complaint. In May 2010, the plaintiffs and the defendants agreed in principle to settle the matter with a payment to the Company by or on behalf of the defendants of \$3.0 million less the amount of legal fees payable to plaintiffs' counsel and certain other expenses. The parties executed a definitive settlement agreement and filed it with the Delaware Court of Chancery. Finalization of the settlement is subject, among other things, to (i) written notification of the proposed settlement to shareholders in a form approved by the Delaware Court of Chancery and (ii) approval by the Delaware Court of Chancery, which has set a hearing date in January 2011, of the settlement and the award of legal fees payable to plaintiffs' counsel.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF
MSPC AS INDEPENDENT AUDITORS OF EMERSON
FOR THE FISCAL YEAR ENDING 2011**

The Audit Committee has appointed MSPC as the Company's independent registered accountants to audit the Company's financial statements for the fiscal year ending March 31, 2011, and has further directed that management submit the selection of independent registered accountants for ratification by the Company's stockholders at the annual meeting. Stockholder ratification of the selection of MSPC is not required by our by-laws or otherwise. However, the Company is submitting the selection of MSPC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain MSPC. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of Emerson and its stockholders.

Representatives of the firm of MSPC are expected to be present at the Company's annual meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by the Company's independent accountants, MSPC, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

o *Audit Fees.* Audit fees billed to the Company by MSPC for the audit of the financial statements included in the Company's Annual Reports on Form 10-K, and reviews by MSPC of the financial statements included in the Company's Quarterly Reports on Form 10-Q, for the fiscal years ended March 31, 2010 and 2009 totaled approximately \$283,500 and \$270,000, respectively.

o *Audit-Related Fees.* The Company was billed approximately \$131,2500 and \$125,000 by MSPC for the fiscal years ended March 31, 2010 and 2009, respectively, for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the caption *Audit Fees* above. Audit-related fees were principally related to procedures in connection with the audit of the Company's majority stockholder's consolidated financial statement for its fiscal years ended December 31, 2009 and December 31, 2008, portions of which were credited to the Company's audit fees for the audit of its financial statements for its fiscal years ended March 31, 2010 and March 31, 2009.

o *Tax Fees.* MSPC billed the Company an aggregate of \$73,500 and \$70,000 for the fiscal years ended March 31, 2010 and 2009, respectively, for tax services, principally related to the preparation of income tax returns and related consultation.

o *All Other Fees.* The Company was not billed by MSPC for the fiscal years ended March 31, 2010 and 2009, respectively, for any permitted non-audit services.

Applicable law and regulations provide an exemption that permits certain services to be provided by the Company's outside auditors even if they are not pre-approved. We have not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.
