**PART I**  
**EXPLANATORY NOTE**

Arbitron Inc. ( Arbitron or the Company ) adopted its Employee Stock Purchase Plan to enable employees of Arbitron to purchase shares of Company common stock on favorable terms through regular payroll deductions.

This Registration Statement on Form S-8 of Arbitron is being filed pursuant to General Instruction E to Form S-8 in order to register an additional 250,000 shares of common stock, which may be offered or sold to participants under the Employee Stock Purchase Plan, as amended and restated as of May 13, 2008 and May 25, 2010 (the ESPP ). The ESPP was originally adopted by the Company s predecessor, Ceridian Corporation and its stockholders and became effective as of June 29, 1995. On March 30, 2001, the Company s predecessor, Ceridian Corporation, completed a spin-off of its lines of business other than its radio audience measurement business to a newly formed company named New Ceridian and changed its name from Ceridian Corporation to Arbitron Inc. The maximum number of shares reserved for sale under the ESPP, as adjusted for the reverse spin-off, was 600,000. The ESPP was amended on May 13, 2008 to increase the maximum number of shares reserved for sale from 600,000 to 850,000, of which approximately 143,000 shares remain. An increase in the number of shares reserved for sale under the ESPP from 850,000 to 1,100,000 shares of common stock (subject to adjustment as provided in the ESPP) was approved by our stockholders at our 2010 annual meeting of stockholders held on May 25, 2010 and is described in our definitive proxy statement for our 2010 annual meeting of stockholders.

On November 21, 2008, a Registration Statement on Form S-8 (File No. 333-155578) was filed with the Securities and Exchange Commission (the Commission ) registering 250,000 additional shares of Arbitron common stock to be offered or sold to participants under the ESPP. On March 3, 2009, Post Effective Amendment No. 1 to the Registration Statement on Form S-8 was filed with the SEC solely in order to file revised Exhibits 3.5 and 23.2. Pursuant to General Instruction E to Form S-8, the contents of Registration Statement No. 333-155578 are incorporated herein by reference except to the extent supplemented, amended or superseded by the information set forth herein. Only those Items of Form S-8 containing new information not contained in Registration Statement No. 333-155578 are presented herein.

**PART II**

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

To the extent that any proxy statement or Form 8-K is incorporated herein by reference, such incorporation shall not include any information contained in such proxy statement or Form 8-K which is not, pursuant to the Commission's rules, deemed to be filed with the Commission or subject to the liabilities of Section 18 of the Exchange Act.

**Item 5. Interests of Named Experts and Counsel.**

**Item 8. Exhibits.**

The Exhibit Index immediately preceding the exhibits is incorporated herein by reference.

**Item 9. Undertakings.**

1. *Item 512(a) of Regulation S-K.* The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the

maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however,* that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. Item 512(b) of Regulation S-K. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933 (the Securities Act), each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Item 512(h) of Regulation S-K. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
