**SECTION 1. REGISTRANT'S BUSINESS AND OPERATIONS.**

**Item 1.01. Entry into a Material Definitive Agreement.**

On April 26, 2011, FedEx Corporation ( FedEx ), as borrower, entered into a \$1 billion five-year credit agreement (the New Credit Agreement ) with a syndicate of banks and other financial institutions (the Lenders ), including JPMorgan Chase Bank, N.A., individually and as administrative agent, Citibank, N.A., individually and as syndication agent, BNP Paribas and SunTrust Bank, each individually and as a co-documentation agent. The syndicate of Lenders was arranged by J.P. Morgan Securities LLC and Citigroup Global Markets Inc., as joint lead arrangers and joint bookrunners.

The New Credit Agreement replaced the \$1 billion Three-Year Credit Agreement dated as of July 22, 2009, among FedEx, JPMorgan Chase Bank, N.A., individually and as administrative agent, and certain lenders (the Terminated Agreement ). The Terminated Agreement was terminated effective April 26, 2011.

The New Credit Agreement provides the terms under which the Lenders will make available to FedEx an unsecured revolving credit facility in an aggregate amount of up to \$1 billion. Borrowings under the New Credit Agreement may be used for FedEx's general corporate purposes, including commercial paper back-up and acquisitions. As of April 29, 2011, FedEx had not made any borrowings under the New Credit Agreement.

The Lenders' commitments under the New Credit Agreement will terminate on April 26, 2016 (the Maturity Date ), unless terminated earlier by FedEx or by the administrative agent upon an event of default. FedEx's obligations under the New Credit Agreement are guaranteed by the same FedEx subsidiaries that guarantee FedEx's outstanding public debt securities.

Loans under the New Credit Agreement will bear interest at a rate per year generally equal to, at FedEx's election, either:

the greater of (a) the administrative agent's announced prime rate, (b) the federal funds effective rate plus 0.5%, and (c) the adjusted London Interbank Offered Rate ( LIBO Rate ) for a one-month interest period plus 1.0%, plus the applicable margin for such loans ( ABR Loans ); or

the LIBO Rate for the selected term, plus the applicable margin for such loans ( Eurodollar Loans ).

FedEx will also pay commitment fees on the average daily undrawn amount of the facility. The applicable margin for loans and the applicable commitment fees will vary depending upon FedEx's senior unsecured non-credit-enhanced long-term debt ratings. For example, based upon FedEx's current ratings of BBB (Standard & Poor's) and Baa2 (Moody's Investors Service), the applicable margin for ABR Loans would be 0.25%, the applicable margin for Eurodollar Loans would be 1.25%, and the applicable commitment fee rate is 0.25% per year on undrawn commitments.

The New Credit Agreement contains customary affirmative and negative covenants, as well as customary events of default. The financial covenant in the New Credit Agreement is identical to the one in the Terminated Agreement and requires FedEx to maintain a leverage ratio of adjusted debt (long-term debt, including the current portion of such debt, plus six times FedEx's last four fiscal quarters' rentals and landing fees) to capital (adjusted debt plus total common stockholders' investment) that does not exceed 0.7 to 1.0.

Certain of the Lenders, as well as certain of the lenders under the Terminated Agreement, and their affiliates engage in transactions with, and perform services for, FedEx and its affiliates in the ordinary course of business and have engaged, and may in the future engage, in other commercial banking transactions and investment banking, financial advisory and other financial services transactions with FedEx and its affiliates.

The foregoing description of the New Credit Agreement is qualified in its entirety by reference to the full text of the New Credit Agreement, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.
