SOLICITATION AND VOTING

We are sending you this Proxy Statement and the enclosed proxy card because the Board of Directors of Citizens First Financial Corp. (the Company we or us) is soliciting your proxy to vote at the 2003 Annual Meeting of Shareholders (the Annual Meeting). This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting.

You are invited to attend our Annual Meeting on April 21, 2003 beginning at 10:00 a.m., local time. The Annual Meeting will be held at The Chateau, 1601 Jumer Drive, Bloomington, Illinois.

This Proxy Statement and the enclosed form of proxy are being mailed starting on or about March 21, 2003.

Shareholders Entitled to Vote

Holders of record of common stock of the Company at the close of business on March 3, 2003 are entitled to receive this notice. Generally, each share of common stock of the Company is equal to one vote. However, the Company s Certificate of Incorporation limits the number of shares that may be voted by any holder owning beneficially more than 10% of the outstanding shares of the common stock of the Company (the Limit). A beneficial holder of shares in excess of the Limit may not vote any shares exceeding the Limit. A shareholder may exceed the Limit if affiliates of the shareholder as well as persons acting in concert hold sufficient shares together with such shareholder so as to exceed the Limit. Pursuant to the Certificate of Incorporation, the Board of Directors will (i) make all determinations necessary to implement these rules and (ii) demand that anyone reasonably believed to beneficially own shares in excess of the Limit supply information to the Company to enable the enforcement of these rules.

There is no cumulative voting at the Annual Meeting.

As of the record date, there were 1,475,753 common shares issued and outstanding.

Voting Procedures

Unless you hold your shares in the Company s Profit Sharing and Savings Plan (the 401(k) Plan) or the Employee Stock Ownership Plan and Trust (the ESOP), you can vote on matters to come before the meeting in one of two ways:

you can come to the Annual Meeting and cast your vote there; or

you can vote by signing and returning the enclosed proxy card. If you do so, the individuals named as proxies on the card will vote your shares in the manner you indicate.

Table of Contents

You may also choose to vote for all of the nominees for Director and each proposal by simply signing, dating and returning the enclosed proxy card without further direction. All signed and returned proxies that contain no direction as to vote will be voted **FOR** each of the nominees for Director and **FOR** each of the proposals.

The Board of Directors has selected itself as the persons to act as proxies on the proxy card.

If you plan to attend the Annual Meeting and vote in person, you should request a ballot when you arrive. **HOWEVER, IF YOUR SHARES ARE HELD IN THE NAME OF YOUR BROKER, BANK OR OTHER NOMINEE, THE INSPECTOR OF ELECTION WILL REQUIRE YOU TO PRESENT A POWER OF ATTORNEY OR PROXY IN YOUR NAME FROM SUCH BROKER, BANK OR OTHER NOMINEE FOR YOU TO VOTE SUCH SHARES AT THE ANNUAL MEETING.** Please contact your broker, bank or nominee.

Voting Procedures for Shares in the Company's 401(k) Plan or ESOP

If you participate in the Company's 401(k) Plan or ESOP, please return your proxy in the envelope on a timely basis to ensure that your proxy is voted. If you own or are entitled to give voting instructions for shares in the 401(k) Plan or ESOP and do not vote your shares or give voting instructions, generally, the Plan Administrator or Trustee will vote your shares in the same proportion as the shares for all plan participants for which voting instructions have been received. Holders of shares in the 401(k) Plan or ESOP will not be permitted to vote such shares at the Annual Meeting, but their attendance is encouraged and welcome.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because such broker, bank or nominee does not have discretionary authority to vote and has not received instructions from the beneficial owner.

Once a quorum is achieved, a plurality of votes cast is all that is necessary for the election of Directors. Abstentions and broker non votes are not counted in determining the vote. As to ratification of BKD, LLP and all other matters that may come before the meeting, the affirmative vote of a majority of votes cast is necessary for the approval of such matters. Abstentions and broker non votes are again not counted for purposes of approving the matter.

Revoking a Proxy

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of three ways:

you may send in another proxy with a later date;

you may notify the Company's Secretary in writing at Citizens First Financial Corp., 2101 North Veterans Parkway, Bloomington, Illinois 61704; or

Table of Contents

unless you hold shares in the 401(k) Plan or ESOP, you may revoke by voting in person at the Annual Meeting.

If you choose to revoke your proxy by attending the Annual Meeting, you must vote in accordance with the rules for voting at the Annual Meeting. Attending the Annual Meeting alone will not constitute revocation of a proxy.

List of Shareholders

A list of shareholders entitled to vote at the Annual Meeting will be available for examination by shareholders for any purpose related to the Annual Meeting at the Company's offices at 2101 North Veterans Parkway, Bloomington, Illinois for a period of ten days prior to the Annual Meeting. A list will also be available at the Annual Meeting itself.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, mail or telegram. We do not intend to engage a proxy solicitation firm to assist us in the distribution and solicitation of proxies. The Company will also request persons, firms and corporations holding shares in their names for other beneficial owners to send proxy materials to such beneficial owners. The Company will reimburse these persons for their expenses.

Inspector of Election

Your proxy returned in the enclosed envelope will be delivered to the Company's transfer agent, Registrar and Transfer Company (R&T). The Board of Directors has designated R&T to act as inspectors of election and to tabulate the votes at the Annual Meeting. R&T is not otherwise employed by, or a Director of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company.

Other Matters

The Board of Directors knows of no business which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Shareholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the proxies to vote the shares on such matters in their discretion.

Table of Contents**GOVERNANCE OF THE COMPANY****Role and Composition of the Board of Directors**

The Nominating Committee

The Company's Nominating Committee considers and recommends the nominees to stand for election at the Company's Annual Meeting.

The Compensation/Benefits Committee

The Compensation/Benefits Committee is responsible for establishing annual and long-term performance goals for the Chief Executive Officer (Mr. Landefeld) and senior management. This Committee also approves the senior officers' compensation and other incentive compensation programs. The Committee's functions include:

awarding shares or options under the Company's stock option plan;

determining compensation to be paid pursuant to the Company's incentive plan; and

publishing an annual Executive Compensation Committee Report for the shareholders.

The Committee is aided in performing these functions by the counsel of members of the Bank's Compensation Committee.

Directors' Compensation

The Directors of the Company did not receive any fees or retainers for serving on the Company's Board of Directors in fiscal 2002. However, the Directors did receive an annual retainer of \$15,000 for serving on the Board of the Bank. Also, Directors who are not also employees of the Company receive \$100 per committee meeting attended, except for the Audit Committee Chairman who receives \$200 for each Audit Committee meeting attended. In addition, the Company maintains two compensation plans for Directors:

Table of Contents

Stock-Based Incentive Plan. The Company maintains the Incentive Plan for both directors and employees. In 1996, each Outside Director of the Company and Bank at that time was granted non-statutory stock options to purchase 9,390 shares of Common Stock, and Stock Awards for 3,755 shares of Common Stock. The options and stock awards to Outside Directors began vesting in five equal annual installments, commencing November 12, 1997, the first anniversary of the effective date of the grants. If a director ceases service due to death or disability, all unvested options and stock awards vest immediately. In 1999, two new bank directors were each granted nonstatutory stock options to purchase 12,500 shares of common stock on terms identical to the terms of the options which were granted in 1996. No stock awards were made in the years 1997 - 2001 inclusive, and no stock option grants were made to directors in 1997, 1998 or 2000. In January 2002, three of the Company's directors, Messrs. Hogan, Hoeflerle and Mier, received stock awards of 720, 719, and 719 shares, respectively. The 2002 stock awards were immediately vested. In addition, one director, Mr. Hoeflerle, received stock options in January 2001 to purchase 10,000 shares on terms identical to the terms of previous grants to directors. Also, Mr. Hogan received stock options in January 2002 to purchase 10,000 shares on the same terms.

Advisory Directors Retirement Plan. The Bank maintains an Advisory Directors Retirement Plan (formerly known as the Directors Emeritus Retirement Plan) which provides retirement benefits to duly elected Directors and Advisory Directors as of December 31, 1997. The plan provides that in consideration for services and consultation rendered as an Advisory Director, the Advisory Directors will receive annual cash benefits equal to the annual director's fees received at the time of retirement, up to an annual maximum of \$12,650 per participant in a single premium insurance annuity for each covered Advisory Director. Currently there are ten Advisory Directors.

Table of Contents

ITEM 1. ELECTION OF DIRECTORS

Currently, the Board of Directors has seven members divided into three classes of two or three directors per class. Each class of directors has three-year terms. One class of directors is up for election each year. This results in a staggered Board which ensures continuity from year to year.

Two directors will be elected at the Annual Meeting to serve for three-year terms expiring at our Annual Meeting in the year 2006.

The persons named in the enclosed proxy card intend to vote the proxy for the election of each of the two nominees unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as director will continue in office until his or her successor has been elected, or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Directors with terms expiring in 2006 at the Annual Meeting: Arthur W. Mier and L. Carl Borngasser.

The Board of Directors recommends a vote FOR the election of these nominees as Directors.

We expect each nominee to be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. The principal occupation and certain other information about the nominees and other Directors whose terms of office continue after the Annual Meeting is set forth below. Such terms may include years of services for the Bank prior to the formation of the Company.

ITEM 2. RATIFICATION OF AUDITORS

The Board of Directors, upon the recommendation of its Audit Committee, has appointed BKD, LLP to serve as our independent auditors for 2003 and is seeking the ratification of the appointment of BKD, LLP by our shareholders.

Representatives of BKD, LLP will be present at the Annual Meeting to answer questions. They will also have the opportunity to make a statement if they desire to do so.

Audit Fees

The aggregate fees billed for professional services rendered by BKD, LLP for the audit of the Company's annual financial statements for the year ended December 31, 2002 and for BKD, LLP's review of the financial statements included in the Company's Forms 10-Q and 10-K filed with the Securities and Exchange Commission during 2002 were \$75,485.

Financial Information Systems Design and Implementation Fees

BKD, LLP performed no services and therefore billed no fees relating to operating or supervising the operation of the Company's information systems or local area network or for designing or implementing the Company's financial information management systems during 2002.

All Other Fees

The aggregate fees billed for other services rendered to the Company by BKD, LLP in 2002 were \$24,388, including tax-related and other professional services.

Auditor Independence

The Audit Committee of the Board believes that the non-audit services provided by BKD, LLP are compatible with maintaining the auditor's independence. None of the time devoted by BKD, LLP on its engagement to audit the Company's financial statements for the year ended December 31, 2002 is attributable to work performed by persons other than BKD, LLP employees.

The affirmative vote of a majority of votes cast on this proposal, without regard to abstentions or broker non votes, is required for the ratification of the appointment of BKD, LLP.

The Board of Directors recommends a vote FOR the ratification of the appointment of BKD, LLP as our independent auditors for the year 2003.

OTHER COMPENSATION ARRANGEMENTS

Employment Agreements

The Bank and the Company have entered into employment agreements (collectively, the employment agreements) with Messrs. Landefeld and Smiley (individually, the Executive). These employment agreements are intended to ensure that the Bank and the Company will be able to maintain a stable and competent management base. The continued success of the Bank and the Company depends to a significant degree on the skills and competence of Messrs. Landefeld and Smiley.

The employment agreements provide for a three-year term. The Bank employment agreements provide that, commencing on the first anniversary date and continuing each anniversary date thereafter, the Board of the Bank may extend the agreement for an additional year so that the remaining term shall be three years, unless written notice of non-renewal is given by the Board of the Bank after conducting a performance evaluation of the Executive. The terms of the Company employment agreements shall be extended on a daily basis unless written notice of non-renewal is given by the Board of the Company. The current base salaries for Messrs. Landefeld and Smiley are \$250,535 and \$146,000, respectively. In addition to the base Salary, the agreements provide for, among other things, participation in stock benefits plans and other fringe benefits applicable to Executive personnel.

The employment agreements provide for termination by the Bank or the Company for cause as defined in the agreements at any time. In the event the Bank or the Company chooses to terminate the Executive s employment for reasons other than for cause, or in the event of the Executive s resignation from the Bank and the Company upon: (i) failure to re-elect the Executive to his current offices; (ii) a material change in the Executive s functions, duties or responsibilities; (iii) a relocation of the Executive s principal place of employment by more than 25 miles; (iv) liquidation or dissolution of the Bank or the Company; or (v) a breach of the agreement by the Bank or the Company, the Executive or, in the event of death, his beneficiary would be entitled to receive an amount equal to the remaining base Salary payment due to the Executive and the contributions that would have been made on the Executive s behalf to any employee benefit plans of the Bank or the Company during the remaining term of the agreement. The Bank and the Company would also continue to pay for the Executive s life, health and disability coverage for the remaining term of the agreement. Upon any termination of the Executive, the Executive is subject to a one year non-competition agreement.

Table of Contents

Under the employment agreements, if voluntary or involuntary termination follows a change in control of the Bank or the Company (as defined in the employment agreements), the Executive or, in the event of the Executive's death, his beneficiary, would be entitled to a severance payment equal to the greater of: (i) the payments due for the remaining terms of the employment agreement; or (ii) three times the average of the five preceding taxable year's annual compensation. The Bank and the Company would also continue the Executive's life, health, and disability coverage for thirty-six months. Notwithstanding that both the Bank and the Company employment agreements provide for a severance payment in the event of a change in control, the Executive would only be entitled to receive a severance payment under one agreement. Based solely on the cash compensation paid to Messrs. Landefeld and Smiley over the past five fiscal years and excluding any benefits under any employee plan which may be payable, the total amount of payments due under the employment agreements following a change in control would be approximately \$1.2 million.

Payments to the Executive under the Bank's agreement will be guaranteed by the Company in the event that payments or benefits are not paid by the Bank. Payment under the Company's agreement would be made by the Company. All reasonable costs and legal fees paid or incurred by the Executive pursuant to any dispute or question of interpretation relating to the agreements shall be paid by the Bank or Company, respectively, if the Executive is successful on the merits pursuant to a legal judgment, arbitration or settlement. The employment agreements also provide that the Bank and Company shall indemnify the Executive to the fullest extent allowable under federal and Delaware law, respectively.

401(k) Plan

The Bank maintains the Profit Sharing and Savings Plan (the Savings Plan), which is a tax-qualified profit sharing and Salary reduction plan under Sections 401(a) and 401(k) of the Code. The Savings Plan provides participants with retirement benefits and may also provide benefits upon death, disability or termination of employment with the Bank. An employee who works at least 1,000 scheduled hours per year is eligible to participate in the Savings Plan following the completion of one year of service and attainment of age 21. A participant is always 100% vested in his or her contributions. A participant must reach one year of vesting service (total time employed) before attaining a vested interest in the employer contribution, which commences following this one year period. Participants become 20% vested in employer matching contribution after one year of service, and increase the vested percentage by 20% for each year of service completed thereafter, until attaining 100% vesting after five years of service.

Participants may make Salary reduction contributions to the Savings Plan up to the lesser of 15% of annual base Salary or the legally permissible limit (currently \$12,000 generally, and \$14,000 for employees who will reach age 50 by December 31, 2003). The Savings Plan provides that, with respect to 4% contributed by the employee, the Bank will match 100% of such contribution with funds to be invested at the direction of the employee. All participants receive a quarterly detailed statement including information regarding market value of the participant's investment and all contributions made on his or her behalf. Any withdrawals prior to age 59 are subject to a 10% tax penalty. Participants may borrow against the vested portion of their accounts.

The Savings Plan has a profit-sharing component in addition to the matched employee contribution. The amount of the annual profit-sharing contribution is at the discretion of the Board of Directors.

Employee Stock Ownership Plan and Trust

The Bank established an ESOP and related trust for eligible employees effective on January 1, 1996. Employees employed with the Bank as of January 1, 1996 and employees of the Company or the Bank employed after such date, who have been credited with at least 1,000 hours during a twelve month period and who have attained the age of 21 will become participants. The ESOP purchased 8% of the Common stock issued in the Conversion. In order to fund the ESOP's purchase of Common Stock, the ESOP borrowed funds from the Company equal to 100% of the aggregate purchase price of the Common Stock. The loan was repaid principally from the Company's or the Bank's contribution to the ESOP over a period of seven years and the collateral for the loan was the Common Stock purchased by the ESOP. Repayment of the loan was completed in 2002.

Supplemental Executive Retirement Plan

The Bank has implemented a non-qualified Supplemental Executive Retirement Plan (the "SERP") to provide certain officers and highly compensated employees, designated by the Board of Directors, with additional retirement benefits. The benefits provided under the SERP will make up the benefits lost to the SERP participants due to application of limitations on compensation and maximum benefits applicable to the Bank's tax qualified 401(k) Plan and ESOP. Benefits will be provided under the SERP at the same time and in the same form as the related benefits will be provided under the 401(k) Plan and ESOP.

Transactions With Certain Related Persons

The Bank makes loans to directors and executive officers from time-to-time in the ordinary course of business. The Bank's current policy provides that all loans made by the Bank to its directors and executive officers are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectability or present other unfavorable features.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is comprised of Harold L. Hoferle, Martin L. Hogan, and Ronald C. Wells, none of whom is or was formerly an officer of the Company. Neither Mr. Hoferle, Mr. Hogan nor Mr. Wells had any relationship with the Company which would have required disclosure in this Proxy Statement under the caption "Transactions with Certain Related Persons." No executive officer of the Company served as a director or on the compensation committee of any other entity in 2002.

EXECUTIVE COMPENSATION COMMITTEE REPORT

Overview

The Committee establishes the salaries and other compensation of the Executive Officers of the Company and its subsidiary, the Bank. In its deliberations, it may consult with a Compensation Committee of the Board of Directors of the Bank. The Committee makes recommendations and advises the full Board of Directors with respect to compensation of senior executives of the Company and the Bank, and approves, subject to ratification of the full Board, the compensation of C. William Landefeld, the President and Chief Executive Officer of the Company.

The Company's executive compensation program is designed to:

retain Executive Officers by paying them competitively and rewarding them for superior performance;

align the interests of the Executive to that of the shareholder by encouraging common stock ownership by the Executive; and

tie a portion of each Executive Officers' compensation to the performance of both the Company and the individual goals set for each Executive Officer.

We accomplish these goals through three methods of compensation:

Salaries. The Committee evaluates salaries for comparable positions in the local market. The Committee strives to select salaries that are competitive in the market but not highest paid.

Bonus. The Committee and the Board of Directors have established a Bonus Plan for key employees of the Bank including, but not limited to, Executive Officers. This plan provides for a corporate performance award based upon an objective requirement of corporate performance and an individual performance award.

Stock Option and Stock Awards. The Company has a Stock Based Incentive Plan which permits the Company to award stock options or stock to employees and directors. In fiscal year 2002, the Company granted a total of 12,500 options - 10,000 to one of its directors (Martin L. Hogan) and 2,500 to one non-executive employee, and issued stock awards to three directors (Messrs. Hogan, Hoferle and Mier) totaling 2,158 shares.

Table of Contents

CEO Compensation

Mr. Landefeld's salary was increased by only 2.5% in 2003. His salary went from \$244,424 in 2002 to \$250,535 in 2003. This decision, made by the Company's Compensation Committee, was based on the results of a commercial loan review that was done by BKD, LLP (our external auditors) in 2002, and the results of a Safety and Soundness Examination performed in 2002 by the Office of Banks and Real Estate for the State of Illinois. The default of a large credit in the fourth quarter of 2002 that led to a large increase in the Bank's Allowance for Loan Losses also contributed to their decision.

The Company had a good earnings year and the book value of the Company's stock improved from \$20.41 per share at December 31, 2001 to \$21.91 per share at December 31, 2002, and improvement of 7.3%. Most importantly, the market price of the Company's stock improved by 43% in 2002 from \$17.70 per share at December 31, 2001 to \$25.30 per share at December 31, 2002.

Mr. Landefeld's corporate performance awards are based upon the Company reaching certain basic earnings per share and return on equity targets. No bonus was paid in 2001 for fiscal 2000 performance because the pre-determined targets for 2000 performance were not met. Mr. Landefeld received a performance award of \$18,623 in 2002 because the basic earnings per share target was met and exceeded in 2001. No bonus was paid in 2003 for fiscal 2002 performance because the pre-determined targets for 2002 performance were not met.

Tax Policy

Section 162(m) of the Internal Revenue Code limits tax deductions available to the Company to \$1 million for compensation paid to the Company's five most highly compensated officers unless certain requirements are met. Among such requirements are:

the Committee be comprised entirely of outside directors; and

compensation over \$1 million must be based upon performance goals approved by shareholders.

The Company's Stock Based Incentive Plan does not meet those requirements because its Compensation Committee is not comprised solely of outside directors. The Bonus Plan does not currently meet those requirements as it has not been adopted by shareholders.

At this time, it is not necessary for the Company to meet the requirements of 162(m) with respect to the Bonus Plan. The highest paid officers of the Company are not paid Salary and Bonus in amounts that would approach the \$1 million dollar limitation.

The Committee intends to monitor compensation so that the Company remains able to take deductions pursuant to the rules of 162(m). However, the Committee retains the right to award compensation that may not be deductible by the Company under Section 162(m) or otherwise.
