## PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD MAY 15, 2003

### SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Willbros Group, Inc., a Republic of Panama corporation (the "Company"), of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on May 15, 2003, or at any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement and accompanying proxy were first sent on or about April 9, 2003, to stockholders of record on March 21, 2003.

If the accompanying proxy is properly executed and returned, the shares represented by the proxy will be voted at the Annual Meeting. If a stockholder indicates in his or her proxy a choice with respect to any matter to be acted upon, that stockholder's shares will be voted in accordance with such choice. If no choice is indicated, such shares will be voted "FOR" (a) the election of all of the nominees for directors listed below, and (b) the ratification of the appointment of the independent auditors. A stockholder giving a proxy may revoke it by giving written notice of revocation to the Secretary of the Company at any time before it is voted, by executing another valid proxy bearing a later date and delivering such proxy to the Secretary of the Company prior to or at the Annual Meeting, or by attending the Annual Meeting and voting in person.

The expenses of this proxy solicitation, including the cost of preparing and mailing this Proxy Statement and accompanying proxy, will be borne by the Company. Such expenses will also include the charges and expenses of banks, brokerage firms and other custodians, nominees or fiduciaries for forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's Common Stock. Solicitation of proxies may be made by mail, telephone, personal interviews or by other means by the Board of Directors or employees of the Company who will not be additionally compensated therefor, but who may be reimbursed for their out-of-pocket expenses in connection therewith.

### STOCKHOLDERS ENTITLED TO VOTE

Stockholders of record at the close of business on March 21, 2003, will be entitled to vote at the Annual Meeting. As of March 21, 2003, there were issued and outstanding 20,633,903 shares of Common Stock, par value \$.05 per share of the Company (the "Common Stock"). Each share of Common Stock is entitled to one vote. There is no cumulative voting with respect to the election of directors. The presence in person or by proxy of the holders of a majority of the shares issued and outstanding at the Annual Meeting and entitled to vote will constitute a quorum for the transaction of business. Votes withheld from nominees for directors, abstentions and broker non-votes will be counted for purposes of determining whether a quorum has been reached. Votes will be tabulated by an inspector of election appointed by the Board of Directors of the Company. With regard to the election of directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will have the effect of a negative vote. Abstentions, which may be specified on all proposals except the election of directors, will have the effect of a negative vote. A broker non-vote will have no effect on the outcome of the election of directors or the ratification of the appointment of the independent auditors.

## PROPOSAL ONE

### ELECTION OF DIRECTORS

The Restated Articles of Incorporation of the Company (the "Charter") provides that the Board of Directors of the Company (the "Board of Directors") shall consist of not less than three nor more than fifteen directors, as determined from time to time by resolution of the Board of Directors. The number of directors is currently fixed at nine. The Board of Directors is divided into three approximately equal classes. The terms of such classes are staggered so that only one class is elected at the annual meeting of stockholders each year for a three-year term. The term of the current Class I directors will expire at the Annual Meeting. The terms of the current Class II directors and the current Class III directors will expire at the annual meetings of stockholders to be held in 2004 and 2005, respectively.

In accordance with the recommendation of the Nominating Committee, the Board of Directors has nominated Peter A. Leidel and James B. Taylor, Jr. for election as Class I directors. Messrs. Leidel and Taylor, who currently serve as Class I directors and whose terms expire at the Annual Meeting, are standing for re-election as Class I directors for terms expiring at the annual meeting of stockholders in 2006. One Board position in Class I is currently vacant. The Charter provides that any Board vacancies may be filled by affirmative vote of a majority of the remaining directors. The Nominating Committee and the Board of Directors have not yet identified anyone to fill the vacancy. Accordingly, the accompanying proxy solicits your vote for only two directors. The persons named as proxies in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed in such proxy, for the election of Messrs. Leidel and Taylor. Should any nominee named herein become unable for any reason to stand for election as a director of the Company, it is intended that the persons named in such proxy will vote for the election of such other person or persons as the Nominating Committee may recommend and the Board of Directors may propose to replace such nominee. The Company knows of no reason why any of the nominees will be unavailable or unable to serve.

Larry J. Bump retired as Chief Executive Officer of the Company on May 30, 2002, and the Board of Directors elected Michael F. Curran as his successor as Chief Executive Officer. Mr. Bump was re-elected as a director at the Annual Meeting of Stockholders in 2002 and continues to serve as Chairman of the Board of Directors.

The affirmative vote of the holders of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote is required for the election of directors. The Board of Directors recommends a vote "FOR" each of the following nominees for directors.

### MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

During 2002, the Board of Directors held five meetings. Each director was present at 75% or more of the aggregate of the meetings of the Board of Directors and of the committees of the Board of Directors on which he served during 2002. In addition, the Board of Directors took action six times during 2002 by unanimous written consent. The Board of Directors has a standing Executive Committee, Audit Committee, Nominating Committee and Compensation Committee.

During 2002, the Executive Committee was composed of Messrs. Curran (Chairman), Bump and Williams. The Executive Committee is authorized to act for the Board of Directors in the management of the business and affairs of the Company, except with respect to a limited number of matters which include changing the size of the Board of Directors, filling vacancies on the Board of Directors, amending the By-laws of the Company, disposing of all or substantially all of the assets of the Company and recommending to the stockholders of the Company an amendment to the Articles of Incorporation of the Company or a merger or consolidation involving the Company. The Executive Committee did not meet during 2002.

The Audit Committee was composed of Messrs. Leidel (Chairman), Taylor and Waldvogel until May 30, 2002. Since then, the Audit Committee has been composed of Messrs. Leidel (Chairman), Mitchell, Taylor, and Waldvogel. Each of these individuals qualifies as an "independent" director under the current listing standards of the New York Stock Exchange. The Audit Committee has adopted a written charter. The Audit Committee recommends to the full Board of Directors the firm to be appointed each year as independent auditors of the Company's financial statements and to perform services related to the completion of such audit. The Audit Committee also has the responsibility to (a) review the scope and results of the audit with the independent auditors, (b) review with management and the independent auditors the Company's interim and year-end financial condition and results of operations, (c) consider the adequacy of the internal accounting, bookkeeping and other control procedures of the Company, and (d) review any non-audit services and special engagements to be performed by the independent auditors and consider the effect of such performance on the auditors' independence. The Audit Committee has considered whether the provision of the services by KPMG LLP as described in this Proxy Statement under the caption "All Other Fees" under Proposal Two below is compatible with maintaining the independence of KPMG. The Audit Committee also generally reviews the terms of material transactions and arrangements, if any, between the Company and its directors, officers and affiliates. The Audit Committee held four meetings during 2002.

4

The Nominating Committee was composed of Messrs. Williams (Chairman) and Pink until May 30, 2002. Since then, the Nominating Committee has been composed of Messrs. Williams (Chairman), Bump and Leidel, each of whom is a non-employee director of the Company. The Nominating Committee is responsible for recommending candidates to fill vacancies on the Board of Directors as such vacancies occur, as well as the slate of nominees for election as directors by stockholders at each annual meeting of stockholders. Additionally, the Nominating Committee makes recommendations to the Board of Directors regarding changes in the size of the Board of Directors. Qualifications considered by the Nominating Committee for director candidates include an attained position of leadership in the candidate's field of endeavor, business and financial experience, demonstrated exercise of sound business judgment, expertise relevant to the Company's lines of business and the ability to serve the interests of all

## Edgar Filing: WILLBROS GROUP INC - Form DEF 14A

stockholders. The Nominating Committee will consider director candidates submitted to it by other directors, employees and stockholders. The Company's Charter provides that nominations of candidates for election as directors of the Company may be made at a meeting of stockholders by or at the direction of the Board of Directors or by any stockholder entitled to vote at such meeting who complies with the advance notice procedures set forth therein. These procedures require any stockholder who intends to make a nomination for director at the meeting to deliver notice of such nomination to the Secretary of the Company not less than 45 nor more than 90 days before the meeting. The notice must contain all information about the proposed nominee as would be required to be included in a proxy statement soliciting proxies for the election of such nominee, including such nominee's written consent to serve as a director if so elected. If the Chairman of the meeting determines that a person is not nominated in accordance with the nomination procedure, such nomination will be disregarded. The Company expects that the annual meeting of stockholders to be held each year will be during the latter part of April or the early part of May. The Nominating Committee held one meeting during 2002.

During 2002, the Compensation Committee was composed of Messrs. Waldvogel (Chairman), Mitchell, Taylor and Williams until May 30, 2002. Since then, the Compensation Committee has been composed of Messrs. Taylor (Chairman), Mitchell and Pink. The Compensation Committee reviews and takes final action for and on behalf of the Board of Directors with respect to compensation, bonus, incentive and benefit provisions for the officers of the Company and its subsidiaries. The Compensation Committee meets at such times as may be deemed necessary by the Board of Directors or the Compensation Committee. The Compensation Committee held three meetings during 2002.

The Stock Plan Committee administers the Willbros Group, Inc. 1996 Stock Plan. During 2002, the Stock Plan Committee was composed of Messrs. Waldvogel (Chairman), Mitchell, Taylor and Williams until May 30, 2002. From May 30, 2002 until September 5, 2002, the Stock Plan Committee was composed of Messrs. Taylor (Chairman), Mitchell and Pink. Effective September 5, 2002, the Board of Directors merged the Stock Plan Committee with the Compensation Committee, resulting in a single committee named the Compensation Committee. There were no Committee membership changes as a result of merging these two committees since the same directors served on both the Stock Plan Committee and the Compensation Committee. The Stock Plan Committee held two meetings during 2002.

### PROPOSAL TWO

A proposal will be presented at the Annual Meeting asking the stockholders to ratify the appointment of KPMG as the Company's independent auditors. If the stockholders do not ratify the appointment of KPMG, the Board of Directors will reconsider the appointment.

The affirmative vote of the holders of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote is required for the adoption of this proposal. The Board of Directors recommends a vote "FOR" the ratification of KPMG as the Company's independent auditors for 2003.

A representative of KPMG will be present at the Annual Meeting. Such representative will be given the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

ALL OTHER FEES

The aggregate fees billed by KPMG for services rendered to the Company, other than the services described above under "Audit Fees" for the fiscal year ended December 31, 2002, were approximately \$259,000. EMPLOYMENT AGREEMENTS, TERMINATION OF EMPLOYMENT  
AND CHANGE IN CONTROL ARRANGEMENTS

None of the named executive officers of the Company have an employment agreement with the Company.

In October 1998, the Compensation Committee approved and recommended, and the Board of Directors adopted, the Willbros Group, Inc. Severance Plan (the "Severance Plan"), effective January 1, 1999. The Board of Directors adopted the Severance Plan in lieu of entering into new employment agreements with the executive officers at that time. Each of the named executive officers of the Company is a participant in the Severance Plan. The Severance Plan, which will remain in effect until December 31, 2004, provides that a participant whose employment is terminated other than for cause or who resigns due to a material reduction of compensation or other benefits when a change in control of the Company is imminent or within three years after a change in control of the Company has occurred, shall be entitled to a severance payment equal to three times his average annual compensation for the past five years (pro-rated to reflect assumed retirement at age 65 if the participant is age 62 or older at the time of termination). The Severance Plan also provides that a participant who voluntarily terminates his employment for reasons other than a material reduction of compensation or other benefits within one year after a change in control of the Company has occurred shall be entitled to a severance payment equal to two times his average annual compensation for the past five years (pro-rated to reflect assumed retirement at age 65 if the participant is age 63 or older at the time of termination). Finally, the Severance Plan provides that a participant whose employment is terminated other than for cause prior to a change in control of the Company shall be entitled to a severance payment equal to 100% of his base salary then in effect. A participant who receives a severance payment under the Severance Plan will be subject to either a one year or two year competition restriction depending on the basis for the termination. All taxes on severance payments made under the Severance Plan are the participant's responsibility. Mr. Bump did not receive any severance payment under the Severance Plan as a result of his retirement from the Company.

On May 30, 2002, Willbros USA, Inc. ("Willbros USA") entered into a Separation Agreement with Larry J. Bump under which Mr. Bump retired from employment with Willbros USA and all affiliated companies effective May 30, 2002. Pursuant to such Separation Agreement, Willbros USA made a lump sum payment to Mr. Bump in the amount of \$536,222. He also received a cash incentive bonus for 2002 in the amount of \$500,000. In conjunction with his retirement, Mr. Bump entered into a Consulting Agreement with the Company effective June 1, 2002. Pursuant to the Consulting Agreement, he serves as a consultant to the Company until the later of December 31, 2004, or the date he ceases to serve as Chairman of the Board of Directors of the Company. He receives a fee of \$10,000 per month during the term of the Consulting Agreement.

All outstanding awards under the Company's 1996 Stock Plan, regardless of any limitations or restrictions, become fully exercisable and free of all restrictions, in the event of a change in control of the Company, as defined in such Plan.

#### REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the "Compensation Committee") administers the compensation program for executive officers of the Company. The Compensation Committee is currently composed of three independent non-employee directors. The duties of this committee include reviewing and evaluating the Company's executive compensation program to assess its effectiveness in attracting, motivating and retaining highly skilled executive officers. The Compensation Committee also administers the Company's 1996 Stock Plan and has access to outside compensation consulting firms and compensation information.

##### Compensation Philosophy

The objectives of the Company's executive compensation program include:

- o Providing a total executive compensation plan that is performance-driven and rewards business success based on an executive's individual performance;
- o Aligning the financial interests of the executive officers with the performance of the Company;
- o Emphasizing equity-based compensation for Company executives to reinforce management's focus on stockholder value; and
- o Attracting, motivating, and retaining executive officers to achieve the Company's business objectives.

The Compensation Committee adheres to an executive compensation philosophy that supports the Company's business strategies. Compensation decisions under the executive compensation program are made by the Compensation Committee and approved by the Board of Directors.

##### Compensation Program

Company executives participate in a comprehensive compensation program comprised of base salary, potential for annual discretionary incentive compensation awards, and long-term equity-based opportunities in the form of stock options.

## Edgar Filing: WILLBROS GROUP INC - Form DEF 14A

Base Salary. The level of base salary paid to executive officers is determined on the basis of performance, experience and such other factors as may be appropriately considered by the Compensation Committee. Each year the Compensation Committee reviews the base salaries of the executives and considers salary adjustments based on individual performance, overall financial results of the Company and cost-of-living indicators. As a result of that review, all of the executive officers received a salary increase in 2002, other than Mr. Bump who retired in May 2002. Mr. Curran received an additional salary increase in May 2002 when he was promoted to Chief Executive Officer. Some of the executive officers received raises in part because of their promotions. Mr. Allcorn was promoted to Executive Vice President, Mr. Tillery was promoted to Senior Vice President - Operations, Mr. Williams was promoted to Senior Vice President and

11

Mr. Beasley was promoted to Senior Vice President of Willbros USA, Inc. in addition to maintaining his responsibilities as President of Willbros Engineers, Inc.

Annual Incentive Program. In 2002, the Company's executive officers were eligible for discretionary annual cash incentive awards based on performance guidelines tied to annual operating performance levels. Each executive officer is eligible to earn an individual award expressed as a percentage of base salary. Executive officer incentive award opportunities vary by level of responsibility. There is no minimum incentive award. The maximum percentage of base salary payable as an incentive award ranges from 100% to 300%, depending on the executive officer's position. The awards are based on the financial performance of the Company and individual performance. Several factors are considered in evaluating an executive's individual performance, which include achievement of business strategy, successful accomplishment of business goals and objectives, and contribution toward the Company's profitability. The executive officers were considered for and paid cash incentive bonus awards for 2002 based on individual contributions and performance in 2002 with respect to the overall performance and success of the Company.

Long-Term Incentive Program. In 1996, the Board of Directors and the stockholders of the Company approved the 1996 Stock Plan ("Stock Plan"). The Stock Plan permits the Compensation Committee to grant various stock-based awards, including options, stock appreciation rights and restricted stock, to executive officers and key management employees of the Company based on competitive practices and the Company's overall performance. Stock options are designed to provide grantees with the opportunity to acquire a proprietary interest in the Company and to give such persons a stronger incentive to work for the continued success of the Company. An option award may be either an incentive stock option ("ISO") or a non-qualified stock option ("NSO"). The Compensation Committee takes into account management's recommendations regarding the number of shares or options to be awarded to specific employees. The executive officers, with the exception of Messrs. Bump, Curran and Beasley, were granted stock option awards in 2002.

To date, the Compensation Committee has granted only ISO and NSO awards. Both ISO and NSO awards entitle the employee to purchase a specified number of shares of the Company's Common Stock at a specified price during a specified period. Both the ISO awards and the NSO awards have a 10-year term. Both types of awards are designed as an incentive for future performance by the creation of stockholder value over the long-term since the greatest benefit of the options is realized only if stock price appreciation occurs. The Company uses stock options as its sole long-term incentive device since stock options provide the cleanest tie between enhanced stockholder wealth and executive pay.

### Chief Executive Officer Compensation for 2002

Mr. Bump served as Chief Executive Officer of the Company until his retirement from the Company on May 30, 2002. Mr. Curran was elected Chief Executive Officer effective on May 30, 2002. Messrs. Bump's and Curran's overall compensation is determined in the same manner as is the compensation for the other executive officers. Mr. Bump received a lump sum payment, including a cash incentive bonus for 2002, in connection with the Separation Agreement he entered into with the Company. Mr. Bump had provided exemplary services to the Company over the last 25 years. He did not receive a salary increase in 2002 because of his planned retirement from the Company. Mr. Curran was awarded a cash incentive bonus for 2002 based on his leadership and contributions to the success of the Company in 2002. In November 2001 and in May 2002, the Compensation Committee approved, and the Board of Directors ratified, salary increases for Mr. Curran. The primary reason for Mr. Curran's salary increase in May 2002 was his promotion to Chief Executive Officer. There were no awards granted under the Company's 1996 Stock Plan to Messrs. Bump or Curran during 2002.

12

### Policy Regarding Tax Deductibility of Executive Compensation

Section 162(m) of the U.S. Internal Revenue Code places a \$1 million per person limitation on the United States tax deduction a U.S. subsidiary employer of a publicly-held corporation may take for compensation paid to the Company's Chief Executive Officer and its four other highest paid executive officers, except compensation which constitutes performance-based compensation as defined by the U.S. Internal Revenue Code is not subject to the \$1 million limit. The Compensation Committee generally intends to grant awards under the Company's 1996 Stock Plan consistent with the terms of Section 162(m) so that such awards will not be subject to the \$1 million limit. While the Company intends to pursue a strategy of maximizing the deductibility of compensation paid to executive officers in the future, it also intends to maintain the flexibility to take actions that it considers to be in the Company's best interests and to take into consideration factors other than deductibility. In doing so, the Compensation Committee may utilize alternatives such as deferring compensation to qualify compensation for deductibility and may rely on grandfathering provisions with respect to existing compensation commitments. If any executive officer compensation exceeds this limitation, it is expected that such cases will represent isolated, nonrecurring situations arising from special circumstances.

The Compensation Committee and the Board of Directors believe that the executive compensation policies promote the interest of the stockholders and the Company effectively, and the various compensation opportunities afforded the executive officers are appropriately balanced to provide motivation for executives to contribute to the profitability and overall success of the Company.

### CERTAIN TRANSACTIONS

Except as set forth below, since January 1, 2002, (a) there has not been any transaction or series of similar transactions to which the Company was a party in which the amount involved exceeds \$60,000 and in which any director, executive officer, holder of more than five percent of the Common Stock of the Company or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest, and (b) none of the executive officers, directors or any member of their immediate family have been indebted to the Company in amounts in excess of \$60,000.

The Board of Directors has approved an Employee Stock Purchase Program (the "Program"). Under the Program, selected executives and officers of the Company are given the opportunity to borrow funds on an interest free basis for the purpose of exercising vested stock options granted to the executives under the Company's 1996 Stock Plan. All such loans will be full recourse and will be secured by Company stock. The maximum amount that can be loaned to individual executives under the Program is \$250,000. Each loan will have a maximum term of five years and will not bear interest unless not repaid on the due date. The loan will become due 90 days after termination of employment or on the normal due date of the loan, whichever is first. Pursuant to the Program, in March 2002, certain executive officers of the Company became indebted to the Company in amounts in excess of \$60,000 under various notes. SEC regulations impose specific due dates for such reports, and the Company is required to disclose in this Proxy Statement any failure to file by these dates during and with respect to fiscal 2002.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during and with respect to fiscal 2002, all Section 16(a) filing requirements applicable to its officers, directors and more than 10% stockholders were complied with.
