**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

Under the Amended and Restated Certificate of Incorporation (Certificate of Incorporation) of Sterling Chemicals, Inc. (Sterling), the holders of Sterling's 10% Senior Secured Notes due 2007 (CUSIP No. 859166AA8) (the Notes) have the exclusive right, voting separately as a class, to elect one of Sterling's directors until the Notes have been paid in full. The Certificate of Incorporation provides that the directorship created for the appointee of the holders of the Notes terminates when the obligations under the Notes are no longer outstanding. Mr. John W. Gildea was the appointee to the Board of Directors by the holders of the Notes. As a result of the redemption of the entire remaining principal amount of the Notes on April 27, 2007, none of the obligations under Sterling's Notes will be outstanding and, pursuant to the Certificate of Incorporation, Mr. Gildea's term of office terminated.

Effective as of April 27, 2007, Sterling's Board of Directors increased the size of the board and appointed Mr. Gildea to fill the vacancy resulting from that increase. Mr. Gildea will continue to serve on Sterling's audit committee, compensation committee and corporate governance committee. Although there was not an agreement or understanding with respect to the appointment of Mr. Gildea, it was expected that the Board of Directors would act to increase the size of the board to appoint Mr. Gildea to serve as a director until the 2007 Annual Meeting of Stockholders, expected to be held May 22, 2007. Mr. Gildea is a General Nominee for election by the holders of Sterling's Series A Convertible Preferred Stock and Common Stock (voting together as a class) at the Annual Meeting.

**Item 7.01. Regulation FD Disclosure**

On April 27, 2007, Sterling redeemed the entire principal amount of the Notes remaining outstanding after the purchase by Sterling of Notes in connection with Sterling's offer to purchase the Notes as contemplated by Sterling's Offer to Purchase and Consent Solicitation Statement dated March 1, 2007. The aggregate redemption price, including principal and accrued interest to April 27, 2007, was approximately \$44.1 million. Payment of the redemption amount was made through the facilities of The Depository Trust Company. The redemption amount for the Notes was funded with the proceeds from Sterling's recent issuance of \$150 million amount of 10<sup>3</sup>/<sub>4</sub>% Senior Secured Notes due 2015.
