Amendment to Senior Secured Credit Facility

On April 10, 2008, Superior Offshore International, Inc. (the Company) and JPMorgan Chase Bank, N.A. (the Administrative Agent) entered into a Fifth Amendment to Credit Agreement and Consent (the Amendment), effective as of April 4, 2008, to the Credit Agreement dated as of February 27, 2007 among the Company, the lenders party thereto and the Administrative Agent, as amended (the Credit Agreement). Among other things, the Amendment provides that on May 8, 2008, the commitments of each of the lenders under the Credit Agreement will automatically terminate and the principal of all outstanding loans, together with accrued and unpaid interest thereon, and all other outstanding obligations of the Company under the Credit Agreement and any other loan document will become immediately due and payable. Notwithstanding the termination of the commitments under the Credit Agreement, all letters of credit existing as of the date of the Amendment will continue in full force and effect after May 8, 2008 in accordance with their respective terms, and will be governed by the Collateral Account Agreement described below.

The Amendment also reduces the sublimit up to which the Company may request the issuance of letters of credit under the Credit Agreement to \$11,993,000 for the period from and including April 10, 2008 to but excluding May 8, 2008. In addition, the Amendment reduces the aggregate amount of the lenders' commitment to make revolving loans and to acquire participations in Letters of Credit, Overadvances and Swingline Loans (each as defined in the Credit Agreement) to \$16,993,000. The Amendment also reduces the sublimit up to which each lender may make revolving loans to the Company from \$5,000,000 to \$0, in weekly increments of \$1,250,000 between April 10 and May 8, 2008.

In addition, pursuant to the Amendment the Administrative Agent consents to the sale by the Company of two of the Company's four-point vessels, the *Gulf Diver IV* and *Gulf Diver V*, and a crane located at the Company's fabrication facility in Amelia, Louisiana, provided that the Company applies 100% the net proceeds of these sales to the prepayment of its obligations under the Credit Agreement.

Collateral Account Agreement

In connection with the execution of the Amendment and the termination of the lenders' commitments as provided therein, on April 10, 2008 the Company and the Administrative Agent entered into a Collateral Account Agreement (the Agreement), effective as of April 4, 2008, as security for certain letters of credit outstanding as of the date of the Amendment and the Agreement. Under the Agreement, the Company has granted to the Administrative Agent a security interest in, among other things, all cash, instruments, securities, other financial assets and funds deposited from time to time in the collateral account established under the Agreement,

all investments of funds in the collateral account, and all instruments, securities and other financial assets evidencing such investments.

The Agreement will terminate on the date of termination of (1) each outstanding letter of credit and of the final and irrevocable termination of the obligations of the Administrative Agent and the issuers of such letters of credit (the

Secured Parties) to make payments thereunder and (2) all commercial credit cards and stored value cards issued to employees of the Company and the Secured Parties obligations to make any payments or reimbursements thereunder.

The foregoing descriptions of the Amendment and the Agreement are summaries of the terms of the Amendment and the Agreement and are qualified by reference to the text of the Amendment, the Credit Agreement and the Agreement, which are filed as exhibits to this report and are incorporated by reference herein.

Item 8.01 Other Events.

On April 4, 2008, the Company consummated the sale of the *Gulf Diver V*, a four-point vessel, and selected diving equipment on board such vessel to Legacy Offshore, L.L.C. for \$4,000,000. Under the purchase agreement relating to the sale of the vessel, the Company has the option to repurchase the vessel and equipment from Legacy Offshore for \$4,000,000 on October 1, 2008. As previously disclosed, the Company expects to recognize an impairment of up to \$2,000,000 in connection with the sale of the vessel. Legacy Offshore provided the Company a deposit of \$1,800,000 on March 28, 2008, that was used by the Company to make a scheduled payment under the charter agreement for the *Gulmar Condor*, a dynamically positioned vessel. The Company did not otherwise have the funds to make the charter payment and believes that the charter would have been terminated by the vessel owner had the payment not been made on such date. Louis E. Schaefer, Jr., the Chairman of the Board of the Company until November 14, 2007 and a current stockholder of the Company, is a member of Legacy Offshore.
