## **Section 1 Registrant's Business and Operations**

### **Item 1.01 Entry into a Material Definitive Agreement**

On March 6, 2005, United Defense Industries, Inc. (the Company) entered into an agreement and plan of merger (the Merger Agreement) with BAE Systems North America Inc. (BAE) and BAE's wholly owned subsidiary, Ute Acquisition Company Inc. If the Merger Agreement is approved by the Company's stockholders and if the other conditions in the Merger Agreement are met, BAE's wholly owned subsidiary will merge into the Company, with the Company surviving, and each share of Company common stock will be converted into the right to receive \$75.00 in cash.

Consummation of the Merger is subject to customary conditions, including the adoption of the Merger Agreement by the required vote of the Company's stockholders and the expiration or termination of any waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

The Merger Agreement includes customary representations, warranties and covenants by the Company, including covenants (i) to cause a stockholders' meeting to be called and held as promptly as practicable to vote on the adoption of the Merger Agreement, (ii) to cease immediately any discussions and negotiations with respect to an alternate acquisition proposal, (iii) not to solicit any alternate acquisition proposal and, with certain exceptions, not to enter into discussions concerning or furnish information in connection with any alternate acquisition proposal, and (iv) subject to certain exceptions, for the Company's board of directors not to withdraw or modify its recommendation that the stockholders vote to adopt the Merger Agreement. The Merger Agreement contains certain termination rights for both the Company and BAE and further provides that, upon termination of the Merger Agreement under specified circumstances, the Company may be required to pay BAE a termination fee of \$119.2 million.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached as exhibit 2.1.

The Company is currently working with BAE on a development program for a ground vehicle self-defense system for the U.S. Army, and has also licensed certain vehicle electric drive technology to BAE.
