**REGISTRATION STATEMENT ON FORM S-8**

**INCORPORATION BY REFERENCE**

This Post-Effective Amendment No. 1 to the Registration Statement on Form S-8 ( **Post Effective Amendment No. 1** ), filed pursuant to Instruction E on Form S-8 relates to the Registration Statement on Form S-8 (No. 333-32196) (the **Registration Statement** ) of Infosys Technologies Limited (the **Registrant** or the **Company** ) filed by the Company with the Securities and Exchange Commission on March 10, 2000 (the **Registration Statement** ). Under the Registration Statement, the Company registered 1,600,000 American Depository Shares, each representing one-half of an Equity Share of the Company, to be sold in connection with the Registrant's 1998 Stock Option Plan. The contents of the Registration Statement are incorporated herein by reference.

**POST-EFFECTIVE AMENDMENT NO. 1**

On April 13, 2004, the Company's Board of Directors approved a stock dividend whereby each holder of the Company's Equity Shares would receive 3 additional shares of Equity Shares for each share of the Company's Equity Shares held by such holder prior to the payment of the stock dividend and each holder of the Company's American Depository Shares would receive 1 additional share of American Depository Shares for each share of the Company's American Depository Shares held by such holder prior to the payment of the stock dividend (collectively, the **Stock Dividend** ). Following the Stock Dividend, the ratio for converting American Depository Shares into Equity Shares shall be fixed at one for one. After giving effect to Stock Dividend, the aggregate number of shares of American Depository Shares issuable under the Company's 1998 Stock Option Plan increased from 1,600,000 to 3,200,000. As provided for under Rule 416(b) of the Securities Act of 1933, this Post-Effective Amendment No. 1 amends the Registration Statement to reflect the Stock Dividend.

The Registration Statement is hereby further amended to provide that upon any change in the amount of securities being offered or issued to prevent dilution from stock splits, stock dividends, or similar transactions, the Registration Statement shall be deemed to cover the additional securities to be offered or issued in connection with such transaction, as provided for under Rule 416(a) of the Securities Act of 1933.
