**Item 1.01. Entry into a Material Definitive Agreement.**

On December 22, 2005, Noble Corporation (the Company), Noble Holding (U.S.) Corporation ( NHC ) and Noble Drilling Corporation (the Borrower) entered into a Credit Agreement (the Credit Agreement) with Goldman Sachs Credit Partners L.P., as the initial lender and administrative agent ( GSCP ), pursuant to which the Company borrowed US\$600 million. A copy of the Credit Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K. The Borrower is the borrower under the Credit Agreement. NHC and the Company are parties to the Credit Agreement and guarantors thereunder. Noble Drilling Holding LLC has also issued a guaranty of the obligations of the Borrower under the Credit Agreement. Each of NHC, the Borrower and Noble Drilling Holding LLC is a direct or indirect wholly owned subsidiary of the Company.

The Company used the US\$600 million proceeds borrowed under the Credit Agreement to partially finance the acquisition, direct and indirect, of the shares of Smedvig ASA ( Smedvig ) in the Share Purchase (as defined and discussed in Item 2.01 below). All outstanding amounts owed under the Credit Agreement become due and payable no later than the final maturity date of February 20, 2006, and are subject to acceleration upon the occurrence of events of default which the Company considers usual and customary for an agreement of this type, including failure to make payments under the credit agreement, non-performance of covenants and obligations continuing beyond any applicable grace period, default in the payment of other indebtedness in excess of the aggregate principal amount of US\$25 million or a default accelerating or permitting the acceleration of any such indebtedness, or upon a change of control of the Company. The Borrower may prepay amounts outstanding under the Credit Agreement at any time without premium or penalty, subject to certain notice requirements.

Borrowings under the Credit Agreement bear interest, in the case of a Base Rate Loan (as defined in the Credit Agreement), at the higher of (i)  $\frac{1}{2}$  of 1% in excess of the Federal Funds Effective Rate, and (ii) the Prime Lending Rate (each as defined in the Credit Agreement). If the loan is a Eurodollar Loan, then the loan shall bear interest at the Eurodollar Rate plus the Applicable Eurodollar Margin (each as defined in the Credit Agreement). The initial borrowing under the Credit Agreement of US\$600 million consists of a Eurodollar Loan.

GSCP is an affiliate of Goldman, Sachs & Co. ( Goldman, Sachs ), which has from time to time performed investment banking and advisory services for the Company, for which it has received customary fees and expenses. In connection with the execution of the Credit Agreement, the Company has agreed to retain Goldman, Sachs in connection with securities offerings that may be undertaken by the Company in the future in connection with the acquisition of the capital stock of Smedvig, including any offering to refinance the debt issued under the Credit Agreement.

This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of any securities in any state or jurisdiction in which the offer, solicitation or sale of securities would be unlawful. Any offers, solicitations of offers to buy, or any sales of securities will only be made in accordance with the registration requirements of the United States Securities Act of 1933, as amended (the Securities Act), or

an exemption therefrom. This Current Report is being issued pursuant to and in accordance with Rule 135 under the Securities Act.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On December 23, 2005, the Company completed the acquisition of 21,095,600 Class A shares and 2,501,374 Class B shares of Smedvig (the Share Purchase ). The 2,501,374 Class B shares and 18,856,098 of the Class A shares acquired are owned directly by Noble Investment Capital AS (formerly named Peder Smedvig Capital I AS), all of the outstanding shares of which were directly acquired by the Company pursuant to the Share Purchase Agreement dated December 12, 2005 relating to the Company's acquisition of shares of Smedvig (the Share Purchase Agreement ). The purchase price for the Class A shares was NOK 200.00 per share and for the Class B shares was NOK 150.00 per share, totaling NOK 4,594,326,100 (or approximately US\$691 million). Smedvig, headquartered in Stavanger, Norway, is a provider of harsh environment drilling rigs, self-erecting tender rigs and engineering services. The Class A Shares and Class B Shares of Smedvig are listed for trading on the Oslo Stock Exchange, and American Depository Shares representing Class A shares and Class B shares of Smedvig are traded on the New York Stock Exchange. The Company paid the purchase price with the borrowings under the Credit Agreement described in Item 1.01 above and a borrowing under the Company's existing bank credit agreement.

Following the Share Purchase, the Company holds, directly and indirectly, 21,095,600 of the voting Class A shares and 2,501,374 Class B shares (which are generally non-voting) of Smedvig, or approximately 39.24% of the Class A shares and approximately 28.87% of the total issued and outstanding shares in Smedvig. The Company does not hold other rights to shares in Smedvig. The Company is currently reviewing its available alternatives in preparing to make an offer for shares in Smedvig although neither a timetable nor the terms and conditions for any such offer have yet been established by the Company.

No tender offer has commenced, and the Company reserves the right to pursue all options available to it. This Current Report on Form 8-K is not a recommendation, an offer to purchase or a solicitation of an offer to sell securities of Smedvig . If the Company should commence a tender offer, the Company would file a tender offer statement and related materials with the United States Securities and Exchange Commission and with the Oslo Stock Exchange. Smedvig security holders should read any such materials carefully because they would contain important information with respect to any such potential offer. Any such materials would be made available to Smedvig security holders by the Company at no expense to them. In addition, the materials (and all other offer documents filed with the U.S. Securities and Exchange Commission) would be available at no charge on the U.S. Securities and Exchange Commission's Website at [www.sec.gov](http://www.sec.gov).

The Share Purchase Agreement was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed on December 15, 2005.
