Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: Certain statements contained in this report on Form 8-K and Exhibit 99.1 and Exhibit 99.2 are forward-looking statements intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. Such forward-looking statements and financial or other business targets are subject to certain risks and uncertainties. Actual results and trends may differ materially from historical or expected results depending on a variety of factors, including but not limited to fluctuations in cost and availability of raw materials; ability of the Company to achieve and sustain targeted cost reductions; foreign currency exchange rates; worldwide and local economic conditions; impact of competitive products and pricing; selling prices; impact of legal proceedings, including the Canadian Department of Justice and Australian Competition and Consumer Commission investigations into industry competitive practices, and any related proceedings or lawsuits pertaining to these investigations or to the subject matter thereof or of the recently concluded investigation by the U.S. Department of Justice ( DOJ ) and European Commission (including purported class actions seeking treble damages for alleged unlawful competitive practices, and purported class actions related to alleged disclosure and fiduciary duty violations pertaining to alleged unlawful competitive practices, which were filed after the announcement of the DOJ investigation), as well as impact of potential violations of the U.S. Foreign Corrupt Practices Act based on issues in China; impact of epidemiological events on the economy and the Company's customers and suppliers; successful integration of acquisitions; financial condition and inventory strategies of customers; timely development and market acceptance of new products; fluctuations in demand affecting sales to customers; and other matters referred to in the Company's SEC filings.

The Company believes that the most significant risk factors that could affect its ability to achieve its stated financial expectations in the near-term include (1) the impact of economic conditions on underlying demand for the Company's products; (2) the impact of competitors' actions, including expansion in key markets, product offerings and pricing; (3) the
