ITEM 5. OTHER EVENTS

STATEMENT OF INCOME DATA OF MKS INSTRUMENTS, INC.

On January 26, 2001, MKS Instruments, Inc. (the "Company" or "MKS") completed its previously-announced merger with Applied Science and Technology, Inc. ("ASTeX") by exchanging approximately 11,200,000 shares of its common stock for all of the common stock of ASTeX. Each share of ASTeX was exchanged for 0.7669 shares of the Company's common stock. The merger is being accounted for under the pooling of interests method of accounting.

Prior to the merger, MKS reported its results of operations on a calendar quarter and calendar year basis, and ASTeX reported its results of operations on a fiscal quarter and fiscal year basis. The ASTeX fiscal year 2000 ended July 1, 2000, and its quarters in fiscal 2000 ended September 25, 1999, December 25, 1999, March 25, 2000 and July 1, 2000. For historical reporting purposes for

periods prior to the merger, MKS will combine its calendar years and quarters with the ASTeX fiscal years and quarters under the pooling of interests method of accounting.

For additional analytical purposes, the statement of income data included in this Form 8-K combines the two companies' calendar year 2000 results of operations. This presentation combines the statements of income for the MKS calendar year 2000 and the MKS calendar year 2000 quarters ended March 31, June 30, September 30, and December 31, with the statements of income for the ASTeX calendar year 2000 and the ASTeX calendar year 2000 quarters ended March 25, July 1, September 30, and December 30, respectively.

This presentation differs from the Supplemental Consolidated Financial Statements of MKS Instruments, Inc. for the year ended December 31, 2000, in which the merger is accounted for under the pooling of interests method by combining the two companies' fiscal years. The Supplemental Consolidated Financial Statements for the year ended December 31, 2000 combine the MKS fiscal year ended December 31, 2000 with the ASTeX fiscal year ended July 1, 2000.
