**Item 2.02 Results of Operations and Financial Condition**

On October 26, 2004, Westcorp issued a press release announcing its results of operations for the quarter ended September 30, 2004. A copy of that press release is attached to this Form 8-K as Exhibit 99.1 and is incorporated herein by this reference.

**Item 7.01 Regulation FD Disclosure**

The following disclosure information is being furnished under Item 7.01 Regulation FD Disclosure of Form 8-K pursuant to Rule 101(e)(1) of Regulation FD:

On October 27, 2004, Westcorp held a conference call in conjunction with its subsidiary company WFS Financial Inc. In this conference call, guidance was provided as follows:

We project to finish the year with double-digit loan origination growth. We anticipate that our chargeoff experience will be in the 2.05% to 2.10% range for all of 2004. And, we still expect to earn from \$3.90 to \$4.00 per share at Westcorp for the year.

As we look forward to 2005, we expect to continue to effectively execute on our business strategy. We project origination growth to be in the 10% to 15% range. We anticipate that interest margins will be impacted in a rising interest rate environment. We expect credit losses to be under 2.0%. We anticipate operating ratios to remain flat. In 2004, our provision for credit losses dropped as our percentage of reserves declined. We don't anticipate recognizing this same benefit in 2005.

This Regulation FD information is being furnished to the SEC and shall not be deemed filed for purposes of Section 18 of the Act.

**Item 9.01 Financial Statements and Exhibits.**
