ITEM 4. OWNERSHIP.

Provide the following information regarding the aggregate number and percentage of the class of securities of the issuer identified in Item 1.

(a) Amount beneficially owned:

On March 19, 2002, as part of a private transaction, the Issuer issued \$200,000 aggregate principal amount of convertible debentures (the "Debentures") to the Reporting Person. The Debentures were convertible into units (the "Debenture Units") at a price of \$0.0513 per Debenture Unit, at the option of the Reporting Person, only after approval of the Issuer's shareholders. The Issuer's shareholders approved the transaction at an Annual and Special Meeting held on April 26, 2002. Each Debenture Unit consisted of one Common Share and one 5-year purchase warrant exercisable to purchase one Common Share at an exercise price of \$0.075 per share. As provided by the Debenture terms, such conversion would be mandatory and automatic upon effectiveness of a registration statement covering resale of Issuer Common Shares issuable upon conversion of the Debentures and exercise of warrants, including warrants issuable as part of the Debenture Units. As of April 30, 2002, the Issuer's records indicate that there were 116,640,965 Common Shares outstanding. On April 30, 2002, the Reporting Person beneficially owned 8,296,270 shares, or 7.1% of the Issuer's outstanding Common Shares.

The shares of Common Stock directly and beneficially acquired by the Reporting Person were acquired and are being held as an investment. The Reporting Person is a foreign corporation that was unaware of its obligation to file a report of this type at the time the Debentures became convertible. The Reporting Person intends to review on a continuing basis its investment in the Issuer and may, depending on his evaluation of the Issuer's business and prospects and upon future developments, determine to increase or decrease, or continue to hold as an investment or dispose of, his investment in the Issuer. Except as set forth above, the Reporting Person does not have any present plans or

Edgar Filing: VISTA GOLD CORP - Form SC 13G

proposals which relate to or would result in: (a) the acquisition or disposition by any person of additional securities of the Issuer, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries, (d) any change, in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of the Issuer, (f) any other material change in the Issuer's business or corporate structure, (g) any change in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition or control of the Issuer by any person, (h) a class of securities of the Issuer to be delisted from a national securities exchange or cease being authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, or (j) any action similar to any of those enumerated above.

Additionally, the shareholders of the Issuer have not voted upon any matters whatsoever since the date upon which the Reporting Person became the beneficial owner of more than 5% of the outstanding Common Shares of the Issuer. The Reporting Person has not attempted to influence management in any manner since becoming a beneficial holder of more than 5% of the Issuer's Common Shares.

As a consequence of a consolidation of the Issuer's Common Shares on a 1-for-20 basis, effective June 19, 2002, and other transactions involving the Issuer's securities since April 20, 2002, the total number of the Issuer's outstanding Common Shares as of October 2, 2002 is 8,856,268. The number of Issuer's Common Shares beneficial held by the reporting person were also similarly adjusted. On September 19, 2002, the SEC declared effective the above-mentioned registration statement covering resale by selling security holders of Issuer Common Shares. Pursuant to the terms of the Debenture, the \$200,000 principal amount of Debentures held by the Reporting Person were automatically converted into 194,931 Debenture Units at a price of \$1.026 per Debenture Unit. Upon conversion of the Debentures The Reporting Person received 194,931 Common Shares and 194,931 5-year share purchase warrants exercisable to purchase one share of Common Stock at the exercise price of \$1.50. Aggregate beneficial ownership figures include an additional 12,475 Common Shares and 12,475 share purchase warrants being held by Global Capital Resources Ltd. on behalf of the Reporting Person.

NOTE: As of October 1, 2002, the Reporting Person beneficially owns 414,812 Common Shares. The Reporting Person's percentage ownership, based on 8,856,268
