QUESTIONS AND ANSWERS

1. Q: WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

A: At HealthStream's annual meeting, shareholders will act upon the election of two (2) Class II directors and any other matters that may properly come before the meeting. In addition, our management will respond to questions from shareholders.

2. Q: WHEN WAS THIS PROXY STATEMENT MAILED TO SHAREHOLDERS?

A: This proxy statement was first mailed to shareholders on or about April 26, 2005.

3. Q: WHO IS SOLICITING MY VOTE?

A: This proxy solicitation is being made and paid for by HealthStream. In addition, we have retained SunTrust Bank, Georgeson Shareholder and Corporate Elections to assist in the solicitation. We will pay these entities approximately \$1,800 plus out-of-pocket expenses for their assistance. Our directors, officers and other employees not specially employed for this purpose may also solicit proxies by personal interview, mail, telephone or facsimile. They will not be paid additional remuneration for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of the common stock that the brokers and fiduciaries hold of record. We will reimburse them for their reasonable out-of-pocket expenses.

4. Q: ON WHAT MATTERS MAY I VOTE?

A: You may vote on the election of two (2) Class II directors to our board of directors.

5. Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSAL?

A: The board recommends that you vote **FOR** each of the director nominees.

6. Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: We do not know of any business to be considered at the 2005 annual meeting other than the election of two (2) Class II directors to our board of directors. If any other business is presented at the annual meeting, your signed proxy card gives authority to Robert A. Frist, Jr., our Chief Executive Officer, and Susan A. Brownie, our Senior Vice President and Secretary, or either of them, to vote on such matters at their discretion.

Table of Contents

7. Q: WHO IS ENTITLED TO VOTE?

A: Only shareholders of record at the close of business on April 5, 2005 (the record date) may vote at this meeting. As of the record date, there were approximately 21,267,596 shares of our voting common stock outstanding. The shares were held by 223 holders of record. Every shareholder is entitled to one vote for each share of common stock the shareholder held of record on the record date.

8. Q: HOW DO I VOTE?

A: You may vote by signing and dating the proxy card you receive and returning it in the enclosed prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** the proposal. You have the right to revoke your proxy at any time before the meeting by:

notifying our Senior Vice President and Secretary, Susan A. Brownie, at 209 10th Avenue South, Suite 450, Nashville, TN 37203;

voting in person; or

submitting a later-dated proxy card.

9. Q: CAN I VOTE BY TELEPHONE OR ELECTRONICALLY?

A: No, if you are a registered shareholder you may vote by following the instructions included with your proxy card.

If your shares are held by your broker, often referred to as in street name, please check your proxy card or contact your broker or nominee to provide direction for voting.

10. Q: WHAT IS THE VOTE REQUIRED TO APPROVE THE PROPOSAL?

A: Each of the director nominees must receive affirmative votes from a plurality of the shares voting to be elected.

11. Q: WHAT IS A QUORUM ?

A: A quorum is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for business to be conducted at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

Table of Contents

12. Q: WHAT IF I ABSTAIN FROM VOTING?

A: If you attend the meeting or send in your signed proxy card but abstain from voting on the proposal, you will be counted for purposes of determining whether a quorum exists. If you abstain from voting on the election of directors, your abstention will have no effect on the outcome.

13. Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

A: If your shares are held by your broker, often referred to as in street name, you will receive a form from your broker seeking instruction as to how your shares should be voted. The Nasdaq National Market rules provide that brokers and nominees may not exercise their voting discretion on certain non-routine matters without receiving instructions from the beneficial owner of the shares. Therefore, if you do not issue instructions to your broker, your broker is not allowed to exercise his or her voting discretion on certain non-routine matters and will return a proxy card with no vote (the non-vote) on the non-routine matter. In cases of a broker non-vote, the vote is treated as a vote against the related matter. For the remainder of issues, including election of directors, your broker will vote your shares at his or her discretion on your behalf.

14. Q: WHAT IS THE EFFECT OF A BROKER NON-VOTE?

A: A broker non-vote is treated as a vote against certain non-routine matters. Because directors are elected by a plurality of the votes cast by shareholders represented and entitled to vote at the Annual Meeting, non-votes are not considered in the election.

15. Q: WHO WILL COUNT THE VOTES?

A: A representative of our transfer agent, SunTrust Bank, Atlanta, will count the votes and act as inspector of elections.

16. Q: WHO MAY ATTEND THE ANNUAL MEETING?

A: Shareholders of record on April 5, 2005 may attend the meeting. Street name holders will need to bring a copy of a brokerage statement reflecting their ownership of our common stock as of the record date. Cameras and recording devices are not permitted at the meeting.

Corporate Governance

Our business is managed under the direction of our Board of Directors. The Board of Directors delegates the conduct of the business to our senior management team. Directors have regular access to senior management. They may also seek independent, outside advice. The Board of Directors considers all major decisions. The Board of Directors holds regular quarterly meetings and meets on other occasions when required by special circumstances. The Board operates pursuant to our Corporate Governance Principles, a copy of which may be accessed on the World Wide Web at www.healthstream.com. Some of the directors also devote their time and attention to the Board of Directors' principal standing committees. The Board of Directors has established three standing committees so that certain areas can be addressed in more depth than may be possible at a full board meeting. The committees, their primary functions and memberships are as follows:

Audit Committee. The Audit Committee's primary duties and responsibilities are to oversee the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; select, evaluate and compensate the Company's independent auditors; oversee the independence and performance of the Company's independent auditors and internal auditing functions; monitor compliance with the Company's Code of Ethics for Executive Officers and Directors and Code of Conduct; monitor the reporting hotline; and provide an avenue of communication among the independent auditors, management and the Board of Directors.

The Audit Committee operates pursuant to the terms of a Restated Audit Committee Charter, a copy of which is attached to this proxy statement as Appendix A and may be accessed on the World Wide Web at www.healthstream.com. Members of the Audit Committee during 2004 included Ronald Hinds, John H. Dayani and Frank Gordon, each of whom is independent within the meaning of the listing standards of Nasdaq and Rule 10A-3 of the Securities and Exchange Act. See Audit Committee Report for 2004.

Compensation Committee. The Compensation Committee has the responsibility for reviewing and approving the salaries, bonuses, and other compensation and benefits of executive officers, establishing and reviewing board compensation, reviewing and advising management regarding benefits and other terms and conditions of compensation of management and administering the Company's 2000 Stock Incentive Plan (the "2000 Stock Plan"). The Compensation Committee operates pursuant to the terms of a Compensation Committee Charter, a copy of which may be accessed on the World Wide Web at www.healthstream.com. Members of the Compensation Committee during 2004 included Thompson Dent, M. Fazle Husain, and Frank Gordon, each of whom is independent within the meaning of the listing standards of Nasdaq. John Dayani was also on the Compensation Committee through the first meeting in 2004. Dr. Dayani is independent within the meaning of the listing standards of Nasdaq. See Compensation Committee Report for 2004.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee provides assistance to the Board of Directors in identifying and recommending individuals qualified to serve as directors of the Company, reviews the composition of the Board of Directors, reviews and recommends corporate governance policies for the Company and periodically evaluates the performance of the Board of Directors. The Nominating and Corporate Governance Committee operates pursuant to the terms of a Nominating and Corporate Governance Committee Charter, a copy of which may be accessed on the World Wide Web at www.healthstream.com. Members of the Nominating and Corporate Governance Committee during 2004 included Linda Rebrovick, James Daniell and William Stead, each of whom is independent within the meaning of the listing standards of Nasdaq.

Table of Contents

During 2004, our Board of Directors held six meetings, the Audit Committee held five meetings, the Compensation Committee held four meetings and the Nominating and Corporate Governance Committee held four meetings. Each incumbent director attended at least seventy-five percent of the board and committee meetings on which the director served. Our Chairman and Chief Executive Officer, Robert A. Frist, Jr., as well as Ronald Hinds, Frank Gordon, Linda Rebrovick and Jeffrey L. McLaren attended last year's annual shareholder meeting. Our Board of Directors has adopted a policy strongly encouraging all of our directors to attend the annual meeting of shareholders.

Our Chairman and Chief Executive Officer proposes the agenda for the board meetings and presents the agenda to the Nominating and Corporate Governance Committee, which reviews the agenda with our Chairman and may raise other matters to be included in the agenda or at the meetings. All directors receive the agenda and supporting information in advance of the meetings. Directors may raise other matters to be included in the agenda or at the meetings. Our Chairman and Chief Executive Officer and other members of senior management make presentations to the board at the meetings and a substantial portion of the meeting time is devoted to the Board of Directors' discussion of and questions regarding these presentations.

The independent directors meet in executive session (i.e. with no members of management present) periodically, in at least two regularly scheduled meetings each year. The Chair of the Nominating and Corporate Governance Committee has been designated by the independent directors to preside at these meetings.

Nominating Committee Process

The Nominating and Corporate Governance Committee is responsible for identifying qualified individuals to serve as members of the company's Board of Directors as well as reviewing the qualifications and performance of incumbent directors to determine whether to recommend them to the Board of Directors as nominees for reelection. In identifying candidates for membership on the Board of Directors, the Nominating and Corporate Governance Committee shall take into account all factors it considers appropriate, which may include (a) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as an audit committee financial expert, as that term is defined by the rules of the Securities and Exchange Commission), and local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, time availability, familiarity with the Company's business and industry, independence of thought and an ability to work collegially. The Nominating and Corporate Governance Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

The Nominating and Corporate Governance Committee will consider nominees for the Board of Directors recommended by shareholders. Directors Compensation

We pay each member of the board, who is not an officer or employee of the company, \$1,000 for each board meeting personally attended or attended via teleconference. In addition, we pay non-employee board members \$500 for each board committee meeting personally or telephonically attended and pay committee chairpersons \$1,000 for each board committee meeting attended. During 2004, we also granted 5,000 options to each non-employee director of the company with an exercise price equal to the fair market value of our common stock on the date of grant in addition to options issued pursuant to the provisions of the 2000 Stock Plan as discussed below. We provide our Audit Committee Chairman with an annual payment of \$20,000, paid quarterly, and options to purchase 10,000 shares of common stock in lieu of the meeting-based fees and option grants provided to other board members.

Prior to October 2003, we did not pay cash fees to directors for attendance at meetings. We have historically reimbursed our directors for out-of-pocket expenses related to attending meetings of the Board of Directors. Non-employee directors are eligible to receive stock option grants under the 2000 Stock Plan. Each year, immediately following the date of our annual shareholders' meeting, assuming enough shares are available under the 2000 Stock Plan, each non-employee director is automatically granted options to purchase 5,000 shares of our common stock. The exercise price is equal to the fair market value of our common stock on the date of grant, and these options vest

immediately upon grant.

During 2000, upon the effectiveness of our initial public offering, each of our non-employee directors was granted options to purchase 10,000 shares of our common stock at the initial public offering price. These options vested immediately upon grant. Upon election to the Board of Directors

during 2003, Mr. Hinds was granted an option to purchase 10,000 shares of common stock at the fair market value of our common stock on the date of grant. This option was immediately exercisable. Upon the election of Ms. Rebrovick to the Board of Directors during 2001, she was granted an option to purchase 15,000 shares of common stock at the fair market value of our common stock at the date of grant. This option vests in five equal annual installments beginning on the first anniversary of the date of grant.

Employee directors are not eligible for any compensation for service on the board or its committees.

Employment Agreement

During 2004, the Compensation Committee approved an annual compensation rate of \$135,000 for Robert A. Frist, Jr. The Compensation Committee also approved an increase in Mr. Frist's compensation to \$175,000 per annum upon achievement of certain financial results, as measured by earnings before interest, taxes, depreciation and amortization(EBITDA). Mr. Frist waived the increase in compensation through December 31, 2004. We maintain an employment agreement with Robert A. Frist, Jr. our chief executive officer, the term of which is automatically extended for successive one year periods unless on or before a date that is 90 days prior to the expiration of the employment term either the Company or Mr. Frist shall have given written notice to the other of its or his intention not to further extend the employment term, in which case the employment agreement shall expire and terminate at the end of the extended employment term. Mr. Frist is also entitled to participate in the 2000 Stock Plan. Under this employment agreement, Mr. Frist has agreed not to compete with us and not to solicit our customers or employees for one year after his employment is terminated, with limited exceptions. Mr. Frist is entitled to severance benefits if we terminate him without cause. He is also entitled to severance benefits if he resigns for good reason after a change in control, if he resigns upon the occurrence of a material change in the terms of his employment or if he resigns upon the occurrence of a material breach of the agreement by the Company. The severance benefit equals the sum of \$145,000, less the cumulative amount of base salary actually paid to Mr. Frist during the then current fiscal year through the effective date of termination, and \$145,000. In addition, if Mr. Frist terminates his employment for good reason after the occurrence of a change in control, all options, shares and other benefits will fully vest immediately.

COMPENSATION COMMITTEE REPORT FOR 2004

The compensation of HealthStream's executive officers is reviewed and approved annually by the Compensation Committee of the Board of Directors, currently comprised of three non-employee directors. In addition to reviewing and approving executive officers' salary and bonus arrangements, the Compensation Committee establishes policies and guidelines for other benefits and administers the awards of stock and stock options pursuant to the Company's 2000 Stock Plan. The Compensation Committee is assisted in making compensation decisions by the Company's Chief Executive Officer (referred to in this report as the CEO).

Compensation Policies Applicable to Executive Officers

The objectives of the Company's executive compensation program are to:

attract, motivate and retain the executives responsible for the success of the Company;

reward key executives based upon corporate and individual performance; and

provide incentives designed to maximize shareholder value.

The Compensation Committee reviews the Company's executive officer compensation program annually to ensure that the compensation paid to the Company's executive officers is consistent with the Company's business strategy, corporate culture and operating performance. The Compensation Committee also reviews the compensation policies of similarly situated companies to ensure that the Company's compensation policies are competitive with other companies in the industry. The three primary components of the Company's executive officer compensation program are a base salary, the potential for a performance-based annual bonus, and periodic grants of stock options.

Base Salaries. Base salaries for the Company's executive officers, as well as changes in such salaries, are based upon a number of factors, including:

recommendations by the CEO;

the nature of the executive officer's position;

the committee's subjective determination of the executive officer's contribution to the performance of the Company;

the experience of the officer; and

the term of the officer's employment with the Company.

The Company's approach to base compensation is to offer competitive salaries in comparison to market practices for similarly sized companies. The CEO reviews all salary recommendations with the compensation committee, which then approves or disapproves such recommendations.

Table of Contents

In February 2004, the Compensation Committee reviewed the base salaries for the Company's executive officers. (See separate discussion of CEO compensation below.) Based upon discussions with the CEO, the committee determined that the base compensation levels for the Company's executive officers were competitive with the average base compensation levels of executive officers with similar responsibilities at comparable companies.

Annual Bonuses. Annual bonuses were paid to the executive officers of the Company in March 2005 for fiscal 2004, which will be reflected in the 2005 proxy. No bonuses were paid in fiscal 2004 related to fiscal 2003 results. The Compensation Committee has approved an officers' compensation plan for 2005 that provides for the payment of bonuses based upon performance improvement above baseline earnings targets.

Stock Options. In order to align the long-term interests of the executive officers with those of shareholders, the Compensation Committee from time to time awards stock options to the Company's executive officers. The terms of these options, including the sizes of the grants, are determined by the Compensation Committee based upon the recommendations of the CEO and the committee's subjective discretion. Awards of stock options to executive officers have been historically at then-current market prices and with periodic vesting over periods ranging up to four years.

In 2004, the Compensation Committee granted stock options to purchase an aggregate of 158,000 shares to the Company's executive officers. The options vest over a four-year period and are exercisable at the market price of the common stock on the date of grant. In addition, as described in the Options Granted During 2004 table and related footnotes, a portion of the options granted to our CEO were contingent upon the achievement of certain revenue levels and other financial results. Only those options which were issued based on 2004 results have been treated as granted in 2004.

Chief Executive Officer Compensation

In establishing the compensation of Robert A. Frist, Jr., the Company's CEO, the Compensation Committee utilized the same compensation policies applicable to executive officers in general, however, Mr. Frist has elected to receive annual cash compensation at levels below the average base compensation levels of chief executive officers at comparable companies. Effective in 2004, Mr. Frist's annual base salary was increased to \$135,000. The Compensation Committee recommended and authorized an annual salary of \$175,000, contingent upon achievement of certain financial targets as measured by EBITDA for the year ended December 31, 2004. Mr. Frist elected to forego the difference between his actual base salary and the authorized amount despite achievement of the designated financial targets.

Limitations on the Deductibility of Compensation

Section 162(m) of the Internal Revenue Code (the Code) generally disallows a corporate deduction for compensation over \$1.0 million paid to the Company s CEO and any of the other four most highly compensated executive officers. The \$1.0 million limitation applies to all types of compensation, including restricted stock awards and amounts realized upon the exercise of stock options and stock appreciation rights, unless the awards and plan under which the awards are made qualify as performance based under the terms of the Code and related regulations. Based on applicable tax regulations, any taxable compensation derived from the exercise of stock options granted pursuant to the 2000 Stock Plan should qualify as performance based compensation for purposes of Section 162(m). None of the Company s executive officers received other compensation that exceeded the applicable deductibility limits in 2004.

AUDIT COMMITTEE REPORT FOR 2004

The Audit Committee of the Board of Directors is comprised of three directors who are independent directors as defined under Nasdaq Rule 4200(a)(15). The members of the Audit Committee are considered independent because they satisfy the independence requirements for Board members prescribed by the Nasdaq listing standards and Rule 10A-3 of the Securities Exchange Act. During 2004, the members of the Audit Committee were Messrs. Hinds, Dayani, and Gordon.

In accordance with its written charter, the Audit Committee oversees HealthStream's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the committee by Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communications with Audit Committees). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the company, including matters in the written disclosures required by Independence Standards Board Standard No. 1, and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluation of the Company's internal controls, and the overall quality of the company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

The Audit Committee is governed by an amended charter (please see Appendix A). The Audit Committee held five meetings during fiscal year 2004.

APPENDIX A

**RESTATED CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS
OF HEALTHSTREAM, INC.**

I. AUDIT COMMITTEE PURPOSE

The Audit Committee (the Committee) is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. The Committee's primary duties and responsibilities are to:

Oversee the Company's accounting and financial reporting processes and audits of the Company's financial statements.

Oversee the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance.

Oversee the independence and performance of the Company's independent auditors.

Provide an avenue of communication among the independent auditors, management and the Board of Directors. The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and it has direct access to the independent auditors as well as anyone in the organization. The Committee has the ability to retain independent legal, accounting, or other advisors as it deems necessary or appropriate in the performance of its duties. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services and to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee's oversight responsibility recognizes that the Company's management is responsible for preparing the Company's financial statements in accordance with generally accepted accounting principles and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that the Company's financial management, as well as its outside auditors, have more time, knowledge and more detailed information on the Company and its financial reports than do Committee members; consequently, in carrying out its duties and responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements and is not conducting an audit or investigation of the financial statements or determining that the Company's financial statements are true and complete or are in accordance with generally accepted accounting principles.

II. AUDIT COMMITTEE COMPOSITION AND MEETINGS

The Committee shall be comprised of three or more directors as determined by the Board, each of whom shall be independent non-executive directors, free from any relationship that would interfere with the exercise of his or her independent judgment. Each member of the Committee must also

All members of the Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, and at least one member of the Committee shall be an audit committee financial expert as defined by the Securities and Exchange Commission.

The Committee shall meet at least four times annually, or more frequently as circumstances require, including teleconferences when appropriate. The Committee Chair shall prepare and/or approve an agenda for each meeting. A majority of the Committee shall constitute a quorum, and the Committee shall act only on the affirmative vote of a majority of the members present at the meeting; provided that the Committee may form and delegate authority to subcommittees or members when appropriate. The Committee shall meet privately in executive session at least annually with management, the independent auditors and as a committee to discuss any matters that the Committee or each of these groups believes should be discussed. In addition, the Committee shall communicate with management and the independent auditors quarterly to review the Company's financial statements and significant findings based upon the auditors limited review procedures.

III. AUDIT COMMITTEE RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its oversight duties and responsibilities. The Committee may undertake additional duties and responsibilities as the Board or the Committee deems appropriate given the circumstances.

Additionally, based on such review, the Committee shall consider whether to recommend to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K. The discussion of financial statements and the related critical accounting policies and practices shall occur prior to the public release of such financial statements or results, and the discussion of the related disclosure, including Management's Discussion and Analysis of Financial Condition and Results of Operations, shall occur prior to the filing of the Form 10-K.
