ITEM 5. OTHER EVENTS.

ACC APPLICATIONS

On November 8, 2002, Arizona Public Service Company ("APS") filed an application (the "Interim Financing Application") with the Arizona Corporation Commission (the "ACC") requesting a waiver of certain ACC rules to permit APS to (a) make short-term advances to Pinnacle West Capital Corporation ("Pinnacle West" or the "Company") in the form of an inter-affiliate line of credit or (b) guarantee Pinnacle West's short-term debt. See Item 5 in the Company's Current Report on Form 8-K dated November 14, 2002. In either case, the waiver would be limited to a maximum aggregate principal amount of \$125 million and for a maximum term of 364 days. At an ACC special open meeting on November 22, 2002 the ACC approved the Interim Financing Application, subject to the following conditions: (a) the terms and conditions, including the pricing schedule, of the line of credit between the Company and APS will be the same as those in the Company's bank facility that is expiring November 29, 2002; (b) APS acquires a \$125 million security interest in certain assets of Pinnacle West Energy Corporation, the Company's unregulated generation subsidiary ("Pinnacle West Energy"), to secure the financing; (c) all amounts received by APS be deferred and accounted for in a manner to allow amortization as a credit to customers; and, (d) the ACC will examine ways to improve regulatory insulation between APS and its affiliates in their consideration of APS' \$500 million Financing Application filed on September 16, 2002. See "ACC Applications" in Note 5 to

### PINNACLE WEST ENERGY CORPORATION

On November 22, 2002, Pinnacle West Energy announced the decision to cancel Redhawk Units 3 and 4. As a result of the plant cancellation, the Company expects to record a charge of approximately \$50 million before income taxes (\$30 million after-tax, \$0.35 per share) in the fourth quarter of 2002. The near-term cash benefits associated with the plant cancellation are expected to total approximately \$60 million between now and the end of 2003. Over the next five years, the Company estimates that this decision will reduce its capital spending by more than \$500 million.
