**Horizon Bancorp
Proxy Statement
Annual Meeting of Shareholders
May 4, 2006**

Horizon Bancorp (**Horizon**) is furnishing this Proxy Statement to shareholders in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Shareholders of Horizon to be held on Thursday, May 4, 2006, at 6:00 p.m. (local time), and at any adjournment thereof. The meeting will be held at the Holiday Inn, 5820 South Franklin Street, Michigan City, Indiana. This Proxy Statement and accompanying form of proxy have been mailed to shareholders on or about March 24, 2006.

General Information

Who can vote at the Annual Meeting?

Only holders of record of Horizon common shares (the **Common Shares**) as of March 3, 2006, are entitled to notice of, and to vote at, the Annual Meeting. Each Common Share is entitled to one vote on each matter to be voted on at the Annual Meeting.

How do I vote by proxy?

The enclosed proxy is designed to permit each shareholder of record of Common Shares at the close of business on March 3, 2006, to vote at the Annual Meeting. All properly executed proxies delivered pursuant to this solicitation will be voted at the meeting in accordance with the instructions of the shareholders given in the proxies. If you return an executed proxy card without indicating your voting instructions, the Common Shares represented by your proxy will be voted **FOR** the proposals described in this Proxy Statement and in the discretion of the named proxies for any other business to come before the meeting. A proxy may be revoked any time before the meeting by delivering to Horizon's Secretary a written notice of revocation or a later-dated proxy. A shareholder of record also may revoke a proxy by voting in person at the meeting.

What will the shareholders vote on at the Annual Meeting?

Shareholders will be voting on the following two proposals:

The election of four directors to serve three-year terms; and

The ratification of the appointment of BKD, LLP, as independent auditors for 2006.

Will there be any other items of business to vote on?

Management is not aware of any other matters to be presented at the meeting other than those mentioned above and has not received notice from any shareholders requesting that other matters be considered.

What constitutes a quorum?

A majority of the outstanding Common Shares, present or represented by proxy, constitutes a quorum for the Annual Meeting. As of March 3, 2006, the record date, 3,195,147 Common Shares were issued and outstanding.

How many votes are required for the election of directors and the other proposals?

The following votes will be required to approve the proposals:

Directors will be elected by a plurality of the votes cast (Proposal 1).

The ratification of the independent auditors requires that more votes be cast in favor of the proposal than against the proposal (Proposal 2).

Abstentions and broker non-votes (described below) are counted for purposes of determining the presence or absence of a quorum but are not considered votes cast. Abstentions and instructions to withhold authority will result in a nominee for director in Proposal 1 (Election of Directors) receiving fewer votes but will not count as votes against the nominee. Neither abstentions nor broker non-votes will affect whether more votes have been cast for than against Proposal 2 (Ratification of Independent Auditors).

What is a broker non-vote ?

A broker non-vote occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners on how to vote on such proposals and the broker does not have discretionary authority to vote in the absence of instructions. Brokers generally have the authority to vote, even though they have not received instructions, on matters that are considered routine, such as the election of directors and the ratification of auditors.

**Proposal 1
Election of Directors**

The first matter to be acted upon at the Annual Meeting is the election of directors. Horizon's Board of Directors currently consists of twelve members. As required by Horizon's Amended and Restated Articles of Incorporation (**Horizon's Articles**), the Board is divided into three classes of equal or near-equal size and the members of one class of directors are elected to serve three-year terms at each Annual Meeting. Ten of the twelve members of the Board qualify as independent directors under the rules of the Securities and Exchange Commission (**SEC**) and the Listing Standards of the National Association of Securities Dealers.

Director Nomination Procedures

Horizon's Bylaws provide that nominations for directors may be made by the Board of Directors, a nominating committee of the Board, any person appointed and authorized by the Board to make nominations, or any shareholder entitled to vote for the election of directors who has complied with the notice procedures specified in the Bylaws. The Board had previously authorized and

constituted a Nominating Committee for this purpose. The responsibilities of the Nominating Committee of the Board of Directors include selecting the individuals to be nominated for membership on the Board of Directors and overseeing the annual self-evaluations by the Board and its committees.

The Nominating Committee selects a slate of nominees and then recommends those nominees to the Board of Directors. The entire Board of Directors determines who the nominees will be. The Nominating Committee and the Board select nominees who meet the qualifications set forth in Horizon's Amended and Restated Bylaws (**Horizon's Bylaws**) and the applicable independence requirements under the SEC and Nasdaq rules. In addition to the nomination procedures in Horizon's Bylaws, the Board has adopted by resolution other procedures to be followed in selecting director nominees. The Nominating Committee adopted a new charter effective December 31, 2005. The charter is attached as Appendix A to this Proxy Statement.

Horizon's Bylaws provide that nominations by shareholders must be made in writing and must be received at Horizon's principal executive office not fewer than 120 days in advance of the date the Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting. Shareholder nominations must include the detailed information about the nominee required by the Bylaws and also must comply with the other requirements set forth in the Bylaws. The Nominating Committee does not have a separate policy for considering director candidates recommended by shareholders because the director nomination procedures are set forth in Horizon's Bylaws. The members of the Nominating Committee are appointed by the Board of Directors in May of each year. The members of the Nominating Committee for 2005/2006 are Robert E. Swinehart, who serves as Chairperson, Daniel F. Hopp, Robert E. McBride, M.D., and Peter L. Pairitz. All of the members of the Nominating Committee qualify as independent directors under the rules applicable to Nasdaq-listed companies. The Nominating Committee met four times during 2005.

Horizon's Bylaws provide that the chair of the Annual Meeting may, in his or her discretion, disregard nominations that are not made in accordance with the Bylaws and may instruct the tellers to disregard all votes cast for any such nominee. A complete copy of the applicable provisions of Horizon's Bylaws is available to shareholders without charge upon request to the Secretary.

Nominees

The terms of Robert C. Dabagia, Peter L. Pairitz, Bruce E. Rampage and Spero W. Valavanis will end at the Annual Meeting. The Board of Directors has nominated each of them to serve additional three-year terms as members of the Class of 2009. Information on the nominees and the other members of the Board of Directors is provided below.

**The Board of Directors unanimously recommends that the shareholders
vote FOR the election of the four nominees

Employment Agreements

Four of Horizon's executive officers, Messrs. Dwight, Edwards, Foglesong and Neff, are parties to change of control agreements with the Bank. These agreements provide that upon a change of control, a new two-year term of employment will commence for each of the officers at the same base salary that the officer was receiving at the time of the change of control and such salary may not be reduced during the two-year term. The agreements define a change of control as a merger, tender offer, asset sale or other transaction that result in (i) a majority of Horizon shareholders prior to the transaction holding less than fifty percent of the voting securities of Horizon after the transaction, (ii) persons who held less than twenty percent of the voting securities of Horizon prior to the transaction owning more than fifty percent of such securities after the transaction; or (iii) a majority of the members of the Horizon Board of Directors being persons who were not directors of Horizon at least twenty-four months prior to the transaction.

The agreements of Messrs. Dwight, Edwards and Foglesong also provide that, in lieu of continuing his employment, each officer can elect to terminate his employment upon the occurrence of a change of control and receive a lump sum severance payment equal to two times his then current base salary, and that if the officer's employment is terminated at any time during the two-year period after the change of control by the Bank without cause or by the officer for cause, the officer is entitled to a lump sum severance payment equal to two times his then current base salary. As of the date of this Proxy Statement, the severance amounts that would have been paid under the employment agreements of Messrs. Dwight, Edwards and Foglesong upon their termination of employment after a change in control would have been \$560,000 for Mr. Dwight, \$348,000 for Mr. Edwards and \$280,000 for Mr. Foglesong.

Options/SAR Grants In Last Fiscal Year

No stock options or stock appreciation rights were granted in 2005 to the individuals for whom information is included in the Summary Compensation Table above.

Aggregated Option/SAR Exercises In Last Fiscal Year and Fiscal Year-End Option/SAR Values

The following table provides information on option and stock appreciation right exercises in 2005 by the individuals named in the Summary Compensation Table. The table also provides information about the number and estimated value of shares covered by exercisable and unexercisable options and stock appreciation rights held by such executives on December 31, 2005.

¹ The options were granted under the 1997 Key Employees Stock Option and Stock Appreciation Rights Plan of Horizon Bancorp. Stock appreciation rights were granted in tandem with most options and the optionee who receives an in tandem grant of stock appreciation rights elects whether to exercise the options or stock appreciation rights. The exercise of one option cancels the right to exercise the corresponding stock appreciation right and vice versa.

- 2 Represents the difference between the market value of the shares covered by the option or shares with respect to which stock appreciation rights were exercised on the date of exercise and the exercise price of the options or base price of the stock appreciation rights. On August 22, 2002, Horizon and the named executive officers entered into agreements limiting the maximum value for which vested stock appreciation rights could be exercised to \$14.67 per stock appreciation right and eliminating all unvested stock appreciation rights as of that date.

Compensation of Directors

Horizon paid each of its non-employee directors a cash retainer of \$13,020 and a bonus in Common Shares equal in value to \$4,980 for their services in 2005. Active employees of Horizon and/or the Bank receive no separate compensation for their services as directors. The Chairpersons of the Audit, Compensation and Loan Committee receive an additional cash amount of \$4,000. Directors do not receive additional compensation for attending meetings of committees of the Board or for special assignments or meetings.

Horizon sponsors a Directors' Deferred Compensation Plan, which allows non-employee directors of Horizon and the Bank to elect to defer the receipt of fees for their services. Earnings on fees deferred under the plan are based on the five year treasury rate plus 200 basis points but not to exceed 120% of the applicable federal long-term rate for monthly compounding. Payments of deferred fees are made to participants or their beneficiaries in a lump sum or monthly installments upon death or disability of the participants or as designated by participants. Participants have no rights to amounts deferred other than rights as general creditors of Horizon.

Meetings of the Board of Directors and Committees

Horizon's Board of Directors held twelve meetings during 2005. Each director attended seventy-five percent or more of the total number of meetings of the Board and the committees upon which he or she served. Horizon and its subsidiaries have joint standing committees. These committees include the Audit Committee, the Compensation Committee and the Nominating Committee. Executive sessions of the independent directors are held at least four times a year.

Although Horizon does not have a policy regarding the attendance of directors at the Annual Meeting of Shareholders, Horizon encourages directors to attend the Annual Meeting. Nine of the twelve members of the Board of Directors attended the 2005 Annual Meeting.

The Audit Committee

Audit Committee members serve one-year terms and are appointed at the Annual Meeting of Directors in May of each year. The Audit Committee members for 2005/2006 are Charley E. Gillispie, who serves as Chairperson, James B. Dworkin, Dr. Robert E. McBride, Peter L. Pairitz and Bruce E. Rampage. The Audit Committee met four times in 2005. The purpose of the Audit Committee is to assist the Boards of Directors of Horizon and the Bank in fulfilling their statutory and fiduciary responsibilities with respect to examinations of Horizon, the Bank and their affiliates and the monitoring of accounting, auditing and financial reporting practices. The Audit Committee reviews the internal audit procedure of Horizon and the Bank and recommends to the Boards of Directors the engagement of outside and internal auditing firms.

Horizon's Board of Directors has determined that Charley E. Gillispie and Peter L. Pairitz qualify as audit committee financial experts as defined by the SEC rules. Mr. Gillispie has a Bachelor of Arts degree in Business Administration and an M.B.A. in accounting, and he passed the certified public accountant examination. He has seventeen years of public accounting experience. Mr. Pairitz has a Bachelor of Science degree in accounting from Ball State University. He passed the certified public accountant examination and had eleven years of experience with a public accounting firm.

All of the members of the Audit Committee, including Mr. Gillispie and Mr. Pairitz, qualify as independent directors as defined by the SEC rules and Nasdaq listing standards.

The Board of Directors adopted a written charter for the Audit Committee in 2001. The charter was revised in 2005, and a copy of the revised Audit Committee Charter is attached as Appendix B to this Proxy Statement.

Report of the Audit Committee

This report is being provided to inform shareholders of the Audit Committee's oversight with respect to Horizon's financial reporting.

Review with Management and Independent Auditors

The Audit Committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2005. In addition, the Audit Committee discussed with BKD, LLP all communications required by generally accepted auditing standards, including

those described in Statement of Auditing Standards No. 61, Communications with Audit Committees. The Audit Committee received the written disclosures and the letter from BKD, LLP required by the Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with BKD, LLP their independence.

Conclusion

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005, to be filed with the Securities and Exchange Commission.

Compensation Committee

The independent members of the Board of Directors serve on the Compensation Committee on a rotating basis and are appointed each May. The members of the Compensation Committee for 2005/2006 are Robert E. Swinehart, who serves as Chairperson, Daniel F. Hopp, Robert E. McBride, M.D. and Peter L. Pairitz. All of the members of the Compensation Committee qualify as independent directors under the rules applicable to Nasdaq-listed companies. The Compensation Committee met five times in 2005. The Committee reviews all salary and employee benefit issues relating to employees and directors of Horizon, the Bank and their affiliates.

Report of the Compensation Committee December 31, 2005

The Compensation Committee of the Board of Directors sets the compensation of all executive officers of Horizon, including that of the Chief Executive Officer. Compensation is composed of several segments, including base salary, short-term incentives and long-term incentives. The Compensation Committee compares all management compensation, including that of the Chief Executive Officer, to the compensation paid to persons holding the same position in similar financial institutions.

During 2005, the Compensation Committee engaged Frederick W. Cook & Co., Inc. (**Cook**) to review and compare Horizon's top officer compensation. This review included a study of base pay, bonus and long-term compensation. Cook's review included a comparison of the compensation paid by Horizon with the compensation paid by a peer group of seventeen Midwest regional banking organizations with \$750 million to \$1.5 billion in assets. In addition, the Compensation Committee reviewed several other independent sources of data in determining executive officer compensation; however the Cook report was the principal information relied upon.

Salaries

Salaries of all executive officers, including the Chief Executive Officer, are governed by Horizon's formal salary administration program pursuant to which all salary decisions are subject to detailed annual performance reviews. Each year, the salary administration program is updated and the salary of each executive officer is compared to those salaries being paid to executive officers in positions in organizations of comparable size in the Midwest. Salary ranges are then computed from that data for each Horizon executive officer position. In 2005, the highest total cash compensation reported for a Chief Executive Officer in the Cook compensation report was \$687,000, the 25th percentile was \$257,000 and the 75th percentile was \$424,000. For his services in 2005 as Chief Executive Officer and President, Mr. Dwight was paid total cash compensation of \$359,350.

Cash Bonuses

After consultations with Cook in 2003, the Compensation Committee of the Board of Directors of Horizon adopted an Executive Officer Bonus Plan (the **Plan**). The Plan permits executive officers to earn, as a bonus, a percentage of their salary based on the achievement of corporate and individual goals in the relevant year. Participants in the Plan are not eligible to participate in Horizon's annual discretionary bonus plan (but do receive the annual holiday bonus, which was \$250 for 2005). To receive a bonus under the Plan, the executive officer must be employed by Horizon or one of its subsidiaries on the date the annual bonus payment is made and must not be subject to a performance warning or suspension. The Compensation Committee and/or Horizon's Chief Executive Officer may adjust and amend the Plan at any time in their sole discretion. All executive officers' bonuses are subject to final approval by the Committee. At the beginning of 2005, the Compensation Committee established minimum earnings target Horizon must achieve before any bonuses will be paid out under the Plan. The Compensation Committee also approves a target bonus matrix for each executive officer to be used to calculate the executive officer's bonus (if any) for the year (assuming that the minimum earnings target has been met). The matrix for each executive officer specified the performance measures applicable to the executive officer, the targets for each performance measure and the weight to be assigned to each performance measure in calculating the bonus if the specified target levels are achieved.

For 2005, an executive officer could have earned a bonus under the Plan of up to 48% of his base salary. Each of the executive officers has as a performance goal the achievement of a specified level of corporate net income for the year, and from three to five other performance measures, each of which is dependent upon the executive officer's areas of responsibilities.

The amounts of the bonuses paid each year under the Plan are reported in the **Bonus** column of the Summary Compensation Table included in this Proxy Statement on page 7. The Plan bonuses for 2005 were paid in January 2006.

In considering Mr. Dwight's bonus, the Compensation Committee used established goals for 2005 and compared actual results with goals. The goals compared Horizon's net income compared to plan; compliance with all rules, laws, regulations and audit standards; reputation of Horizon; positioning Horizon for the future growth and expansion; and organizational development including retention and attraction of good talent, efficiency improvement and continuous learning. For 2005, the Compensation Committee authorized the payment of a

\$89,100 bonus to Mr. Dwight, in addition to the holiday bonus of \$250 received by all employees.

Long-Term Incentive Programs/Stock Options

Horizon's long-term incentive program is based on the grant of stock options. Stock options are granted to encourage and facilitate personal stock ownership by executive officers and thus strengthen their personal commitment to Horizon and to provide them with a longer-term perspective in their managerial responsibilities. This component of an executive officer's compensation directly aligns the officer's interests with those of Horizon's shareholders. Horizon also recognizes that stock options are a necessary element of a competitive compensation program. The program utilizes vesting periods to encourage key employees to continue in the employ of Horizon and thereby acts as a retention device for key employees. Recent option grants have not included stock appreciation rights.

Performance Reviews

The Compensation Committee conducts an annual review of the performance of Horizon's President, who also serves as the Chief Executive Officer. In addition, the Compensation Committee, with input from the Chief Executive Officer, reviews the performance of the Company's most senior officers.

In conducting its review, the Compensation Committee considers a variety of performance factors in analyzing the compensation of each of these executive officers. These factors generally include traditional financial results and indicators such as revenues, expenses, assets, credit issues, reserves, earnings and ratios such as return on equity, loans to deposits and other significant factors and performance indicators.

The financial services business is complex and is undergoing changes that generate uncertainties about future events. The Chief Executive Officer must provide guidance and leadership in nearly all aspects of this dynamic enterprise. In the process, however, they are not expected to work alone. The performance evaluation recognizes that programs initiated at the top level of an organization are not, and should not be expected to be, quick fixes. These programs are generally long-term in nature, bringing benefits to Horizon over many years. For those reasons, the Compensation Committee also focuses on the following issues in determining performance levels for the Chief Executive Officer: strategic leadership, enterprise guardianship, board relationship and financial results. Strategic leadership entails development of appropriate strategies for the Company and ability to gain support for those strategies. Enterprise guardianship requires the Chief Executive Officer to set the tone in such matters as the Company's reputation, ethics, legal compliance, customer relations, employee relations and ensuring results. Board relationship requires the Chief Executive Officer to work collaboratively with Board members and committees; communicate information in a timely manner to ensure full and informed consent about matters of corporate governance and provide complete transparency to the Board. Financial results focus on the overall financial health of the Company and ability to achieve financial goals.

In conducting the Chief Executive Officer's performance review for 2005, the Compensation Committee obtained input from all members of the Board. All management compensation, including that of the Chairman, President and the other executive officers, is performance related.

Stock Ownership of Certain Beneficial Owners

To the best of Horizon's knowledge, as of January 31, 2006, the only shareholder or group of shareholders beneficially owning more than five percent of the outstanding Common Shares was the group consisting of Jeffrey L. Gendell, Tontine Financial Partners, L.P., Tontine Management, L.L.C. and Tontine Overseas Associates, L.L.C., who reported in Amendment No. 1 to the Schedule 13G filed with the SEC on February 14, 2006, that they beneficially owned 275,946 Common Shares, representing 8.74% of the Common Shares.

Darhap & Co., the nominee for Horizon Trust & Investment Management, N.A., a subsidiary of the Bank, held 808,914 Common Shares as of January 31, 2006. Darhap & Co. exercises voting or investment authority with respect to only 36,011 of those shares (representing 1.1% of the outstanding shares).

Certain Business Relationships and Transactions

Directors and executive officers of Horizon and their associates were customers of, and had transactions with, the Bank in the ordinary course of business during 2005. The Bank expects that comparable transactions will occur in the future. These transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with unrelated third parties. In the opinion of Horizon's management, these transactions did not involve more than normal risk of collectibility or present other unfavorable features. Loans made to directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the

Sarbanes-Oxley Act of 2002.

Performance Graph

The Securities and Exchange Commission requires Horizon to include in this Proxy Statement a line graph comparing Horizon's cumulative five-year total shareholder returns on the Common Shares with market and industry returns over the past five years. The following graph was prepared by SNL Financial LC. The returns represented in the graph assume the investment of \$100 on January 1, 2001, and further assume reinvestment of all dividends. The Common Shares began trading on the NASDAQ Capital Market (formerly the NASDAQ SmallCap Market) (trading symbol: HBNC) on December 20, 2001. Prior to that date, the Common Shares were traded on the OTC Bulletin Board.

Proposal 2

Ratification of Appointment of Independent Auditors

BKD, LLP served as Horizon's independent auditors for 2005. Upon the recommendation of the Audit Committee, the Audit Committee of the Board of Directors has selected BKD, LLP as Horizon's independent auditors for 2006. BKD, LLP has served as Horizon's independent auditors since 1998. Shareholder ratification of the appointment of the independent auditors is not required by law, but the Audit Committee has proposed and recommended the submission of the appointment of BKD, LLP to the shareholders to give the shareholders input into the designation of the auditors.

Ratification of the appointment of Horizon's independent auditor requires that more shares be voted in favor of the proposal than against the proposal. If the shareholders do not approve the selection of BKD, LLP, the Audit Committee may reconsider its selection of BKD, LLP as independent auditors. Even if this proposal to ratify the auditors is approved, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Horizon and its shareholders.

Representatives of BKD, LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Audit Committee of the Board of Directors recommends that shareholders vote For the ratification of the appointment of BKD, LLP as Horizon's independent auditors for 2006 (Item 2 on the Proxy Card).

Auditor Fees and Services

BKD, LLP served as the Horizon's independent auditors for 2005 and 2004. The services performed by BKD, LLP in this capacity included conducting an examination in accordance with generally accepted auditing standards of, and expressing an opinion on, Horizon's consolidated financial statements. The Board of Directors has selected BKD, LLP as the independent public accountants for 2006, subject to shareholder ratification at the Annual Meeting.

Audit Fees

BKD, LLP's fees for professional services rendered in connection with the audit and review of Forms 10-Q and all other SEC regulatory filings were \$113,980 for 2005 and \$95,740 for 2004. Horizon has paid and is current on all billed fees.

Audit-Related Fees

BKD, LLP's fees for audit-related services rendered in connection with consultation on financial accounting and reporting issues were \$3,685 for 2005 and \$6,125 for 2004. All of such fees have been paid.

Tax Fees

BKD, LLP's fees for tax services were \$20,050 for 2005 and \$10,085 for 2004. All such fees have been paid.

All Other Fees

There were no other fees for 2005 or 2004.

Board of Directors Pre-Approval

Horizon's Audit Committee formally adopted resolutions pre-approving the engagement of BKD to act as our independent auditor for the two fiscal years ended December 31, 2005. The Audit Committee has not adopted pre-approval policies and procedures in accordance with paragraph (c)(7)(i) of Rule 2-01 of Regulation S-X, because it anticipates that in the future the engagement of BKD will be pre-approved by the Audit Committee. All audit-related fees and fees for tax services for 2005 and 2004 were pre-approved by the Audit Committee. Horizon's independent auditors performed all work described above with their respective full-time, permanent employees.

In addition, the Committee recognizes the benefit of a Board that reflects the diversity of the Company's shareholders, employees, customers, and the communities in which it operates, and will accordingly actively seek, and consider in response to properly submitted shareholder recommendations, qualified candidates for nomination and election to the Board in order to reflect such diversity.
