**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS**

Mailed on or about April 28, 2006

Why am I receiving these materials?

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of DATATRAK for use at the 2006 Annual Meeting of Shareholders on Thursday, June 8, 2006 at 10:00 a.m., local time, and any adjournments or postponements thereof. The time, place and purposes of the Annual Meeting are stated in the Notice of Annual Meeting of Shareholders accompanying this proxy statement.

Who is paying for this proxy solicitation?

The expense of soliciting proxies, including the cost of preparing, assembling and mailing the notice, proxy statement and proxy, will be borne by us. We may pay persons holding common shares for others their expenses for sending proxy materials to their principals. In addition to solicitation of proxies by mail, our directors, officers and employees, without additional compensation, may solicit proxies by telephone, electronically via e-mail and personal interview. We also may retain a third party to aid in the solicitation of proxies.

What voting rights do I have as a shareholder?

On each matter to be voted on, you have one vote for each outstanding common share you own as of April 17, 2006, the record date for the meeting. Only shareholders of record at the close of business on April 17, 2006 are entitled to receive notice of and to vote at the Annual Meeting. On this record date, there were 11,361,754 common shares outstanding and entitled to vote. Shareholders do not have the right to vote cumulatively in the election of directors.

How do I vote?

If you are a shareholder of record, you can vote in person at the Annual Meeting or you can vote by signing and mailing in your proxy card in the enclosed envelope. If you are a shareholder of record, the proxy holders will vote your shares based on your directions.

If you sign and return your proxy card, but do not properly direct how your shares should be voted, the proxy holders will vote **FOR** the election of the three nominees listed in this proxy statement and will use their discretion on any other proposals and other matters that may be brought before the Annual Meeting.

If you hold common shares through a broker or nominee, you may vote in person at the Annual Meeting only if you have obtained a signed proxy from your broker or nominee giving you the right to vote your shares.

Can I revoke or change my vote after I submit a proxy?

Yes. You can revoke your proxy or change your vote at any time before the proxy is exercised at the Annual Meeting. This can be done by either submitting another properly completed proxy card with a later date, sending a written notice to our Secretary, or you may attend the Annual Meeting and vote in person. You should be aware that

simply attending the Annual Meeting will not automatically revoke your previously submitted proxy, rather you must notify a DATATRAK representative at the Annual Meeting of your desire to revoke your proxy and vote in person.

Table of Contents

What vote is required to approve the election of the three directors for a two-year term ending at the Annual Meeting in 2008?

The nominees receiving the greatest number of votes will be elected. A proxy card marked Withhold Authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Abstentions and broker non-votes will have no effect on the election of directors.

What constitutes a quorum?

A quorum of shareholders will be present at the Annual Meeting if at least a majority of the aggregate voting power of common shares outstanding on the record date are represented, in person or by proxy, at the Annual Meeting. With 11,361,754 votes outstanding as of the close of business on the record date, shareholders representing at least 5,680,878 votes will be required to establish a quorum. Abstentions and broker non-votes will be counted towards the quorum requirement.

ELECTION OF DIRECTORS

The authorized number of directors is presently fixed at six, with members of the Board of Directors divided into two classes and with the term of office of one class expiring each year. At the Annual Meeting, shareholders will elect three individuals as directors to serve in Class II until the Annual Meeting to be held in the year 2008 and until the successors of those directors are duly elected and qualified. At its April 11, 2006 meeting, upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors nominated Dr. Green, Dr. Ratain and Mr. Harris to stand for election as directors at the Annual Meeting. In the event of the death of or inability to act of any of the nominees, the proxies will be voted for the election of the other persons that the Board of Directors may recommend. The Board of Directors has no reason, however, to anticipate that this will occur. In no event will the accompanying proxy be voted for more than three nominees or for persons other than those persons named below or any substitute nominees for any of them.

Table of Contents**BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS**

During the last fiscal year, the Board of Directors met five times. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and the committees on which each served during the period for which each was a member of the Board of Directors.

The Board of Directors has determined that all directors except Dr. Green, our President and Chief Executive Officer, are independent under the listing standards of the Nasdaq Stock Market. The independent directors meet at least twice a year in executive sessions. The sessions will be chaired by each of the Chairman of the Audit, Compensation and Nominating and Corporate Governance Committees on a rotating basis. Any independent director can request that an additional session be scheduled. Our policy is that each member of the Board of Directors is expected to attend the Annual Meeting of Shareholders.

The Board of Directors has an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Executive Committee. Set forth below is the current membership of each Board committee:

Audit Committee	Compensation Committee	Nominating and Corporate Governance Committee	Executive Committee
Mr. Biro (Chairman) Dr. Kaiser Dr. Ratain	Mr. Harris (Chairman) Mr. Biro Dr. Stote	Dr. Kaiser (Chairman) Dr. Ratain Dr. Stote	Dr. Green (Chairman) Mr. Biro Dr. Kaiser

Audit Committee. The Audit Committee is responsible for the annual appointment of our auditors, with whom the Audit Committee reviews the scope of audit and non-audit assignments and related fees, the accounting principles we use in financial reporting, internal financial auditing procedures and the adequacy of internal control procedures. Specific functions and responsibilities of the Audit Committee are set forth in the Audit Committee Charter adopted by the Board of Directors. Our Board has determined that each of the members of the Audit Committee satisfies the current independence standards of the Nasdaq Stock Market listing standards and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended. The Audit Committee met six times in 2005.

The Board also has determined that the Audit Committee Chairman Timothy G. Biro is an audit committee financial expert as that term is defined in Item 401(h) of Regulation S-K. As an audit committee financial expert, Mr. Biro satisfies the Nasdaq financial literacy and sophistication requirements.

Compensation Committee. The Compensation Committee has the authority to administer our stock option plans and 2005 Omnibus Equity Plan, including the selection of grantees and the timing of grants, to review and monitor key employee compensation and benefits policies and to review and make recommendations to the Board regarding our senior management yearly compensation levels. The Compensation Committee met twice during 2005.

Nominating and Corporate Governance Committee. The purpose of the Nominating and Corporate Governance Committee is to (1) identify, select and recommend qualified individuals as nominees for the Board of Directors at each Annual Meeting or when otherwise required to fill a vacancy or increase the size of the Board of Directors and (2) assist the Board of Directors in developing and implementing the Company's corporate governance policies and guidelines. The Nominating and Corporate Governance Committee met twice during 2005.

The Nominating and Corporate Governance Committee will seek candidates for an open director position by soliciting suggestions from Committee members, other Board members, senior management or others. The Committee also may retain a third-party executive search firm to identify candidates from time to time. Additionally, the Committee will consider any unsolicited recommendation for a potential candidate to the Board from Committee members, other Board members, management and shareholders. The Committee will

Table of Contents

accept shareholder recommendations regarding potential candidates for the Board, provided that shareholders send their recommendations to the Chairman of the Committee with the following information:

The name and contact information for the candidate;

A brief biographical description of the candidate, including his or her employment for at least the last five years, educational history, and a statement that describes the candidate's qualifications to serve as a director;

A statement describing any relationship between the candidate and the nominating shareholder, and between the candidate and any employee, director, customer, supplier, vendor or competitor of DATATRAK; and

The candidate's signed consent to be a candidate and to serve as a director if nominated and elected, including being named in our proxy statement.

Once the Nominating and Corporate Governance Committee has identified a prospective candidate, the Committee makes a determination whether to conduct a full evaluation of the candidate. This initial determination is based primarily on the Board's need to fill a vacancy or desire to expand the size of the Board as well as the likelihood that the candidate can meet the Committee's evaluation criteria set out in the Committee's charter, which is attached to this proxy statement as Annex A, as well as compliance with all other legal and regulatory requirements. The Committee will rely on public information about a candidate, personal knowledge of any Committee or Board member or member of management regarding the candidate, as well as any information submitted to the Committee by the person recommending a candidate for consideration. The Committee, after consultation with other Board members, will decide whether additional consideration of the candidate is warranted.

If additional consideration is warranted, the Nominating and Corporate Governance Committee may request the candidate to complete a questionnaire that seeks additional information about the candidate's independence, qualifications, experience and other information that may assist the Committee in evaluating the candidate. The Committee may interview the candidate in person or by telephone and also may ask the candidate to meet with senior management. The Committee then evaluates the candidate against the standards and qualifications set out in the Committee's charter. Additionally, the Committee shall consider other relevant factors as it deems appropriate (including independence issues and family or related party relationships).

Before nominating an existing director for re-election at an Annual Meeting, the Nominating and Corporate Governance Committee will consider the director's past performance and contribution to the Board and its committees. After completing the evaluation of new candidates or existing directors whose term is expiring, if the Committee believes the candidate would be a valuable addition to the Board or the existing director is a valued member of the Board, then the Committee will make a recommendation to the full Board that such candidate or existing director should be nominated by the Board. The Board will be responsible for making the final determination regarding prospective nominees after considering the recommendation of the Committee.

Executive Committee. The Executive Committee has the authority to exercise all powers of the Board of Directors in the management of our business and affairs of DATATRAK at any time when the entire Board of Directors cannot meet. The Executive Committee did not meet in 2005.

Shareholder Communication with the Board

Shareholders may communicate their concerns directly to the entire Board or specifically to non-management directors of the Board by submitting in writing to us at the following address: Shareholder Communication, DATATRAK International, Inc., 6150 Parkland Boulevard, Suite 100, Mayfield Heights, Ohio 44124. AUDIT COMMITTEE AND RELATED MATTERS

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other DATATRAK filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent DATATRAK specifically incorporates this Report by reference therein.

Report of the Audit Committee

The Audit Committee oversees DATATRAK's financial reporting process on behalf of the Board of Directors. The Audit Committee's activities are governed by a written charter adopted by the Board of Directors.

Management has the primary responsibility for our financial statements and the reporting process, including the system of internal controls. The independent auditors audit the annual financial statements prepared by management and express an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The Audit Committee monitors these processes.

In this context, the Audit Committee met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of specific judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the independent auditors such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61 (*Communications with Audit Committees*), as amended by Statement on Auditing Standards No. 90 (*Audit Committee Communications*).

In addition, the independent auditors provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (*Independence Discussions With Audit Committees*), related to the auditors' independence. The Audit Committee discussed with the independent auditors the auditors' independence from the Company and management and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with DATATRAK's financial management and independent auditors the overall scope and plans for the audit. The Audit Committee also met with the independent auditors, with and without management present, to discuss the results of the examinations, their evaluation of the Company's internal controls and the overall quality of our financial reporting. In addition, the Audit Committee considered other areas of its oversight relating to the financial reporting process that it determined appropriate.

Based on the reviews and discussions referred to above, upon recommendation of the Audit Committee and approval of the Board of Directors, the audited financial statements were included in the DATATRAK's Annual Report on Form 10-K for the year ended December 31, 2005 which was filed with the Securities and Exchange Commission on March 13, 2006.

The Audit Committee has adopted a policy that requires advance approval of all audit and non-audit services provided by our independent auditor prior to the engagement of the independent auditor with respect to such services. The Chairman of the Audit Committee has been delegated the authority by the Audit Committee to evaluate and pre-approve the engagement of the independent auditors when the entire Audit Committee is unable to do so. The Chairman must report all such pre-approvals to the entire Audit Committee at the next committee meeting.

EXECUTIVE OFFICER COMPENSATION

The following Report of the Compensation Committee on Executive Compensation and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other DATATRAK filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent DATATRAK specifically incorporates this Report or the performance graph by reference therein.

Report of the Compensation Committee on Executive Compensation

The Compensation Committee administers DATATRAK's equity-based compensation plans, including the selection of grantees and the timing of equity awards, reviews and monitors key employee compensation and benefits policies and reviews and makes recommendations to the Board regarding DATATRAK's senior management yearly compensation levels. The members of the Compensation Committee during 2005 were Messrs. Harris and Biro and Dr. Stote, all of whom were non-employee Directors.

This report contains a discussion of the Board's compensation philosophy, together with a discussion of the factors considered by the Compensation Committee in determining the compensation of our President and Chief Executive Officer and the Named Executive Officers.

Compensation Philosophy

The Board of Directors' compensation philosophy is that compensation paid to executive officers and other management personnel should consist of four elements: (1) salary, (2) annual incentive bonus, (3) equity awards, and (4) welfare, retirement and other benefits. The compensation package is designed to attract and retain top quality management employees. To some extent, elements of compensation are designed to vary as DATATRAK's performance varies. In general, the elements of compensation that most typically have a significant relationship to DATATRAK's performance are awards under the DATATRAK's equity-based and bonus plans. The Committee's decisions concerning compensation make use of independent surveys of executive compensation of similarly situated companies.

Historically, DATATRAK has used stock options as the equity component of our compensation program. Our Omnibus Equity Plan provides DATATRAK with significant flexibility to grant a variety of equity incentive awards, including restricted stock, stock options and stock appreciation rights. Given recent changes in, and the uncertain future regarding, the accounting and tax treatment of equity awards, increased flexibility in providing equity awards is beneficial. The Board of Directors currently intends to use restricted stock grants, rather than stock options, for future equity awards.

Presented below is a discussion of the various components of the compensation arrangements provided to the executive officers, as well as a discussion of the compensation arrangements provided to DATATRAK's President and Chief Executive Officer.

2005 Compensation Decisions

Base Salary and Benefits. Salaries of executive officers are subject to minimum levels set by the terms of each executive's employment arrangement. The primary factor in setting salary levels pursuant to these arrangements was the desire to provide compensation in amounts sufficient to induce these individuals to either join or continue with DATATRAK. Salary levels for executive officers reflect the Committee's judgments on appropriate salaries in light of

the duties and responsibilities inherent in the executives' positions. The particular qualifications of an individual holding the position and his or her level of experience, as well as information concerning compensation paid by other companies in the industry, are considered in establishing salary levels. The Committee's assessment of the individual's performance and contribution to DATATRAK's performance are the primary criteria influencing decisions regarding salary adjustments. Based on the Company's 2004 profitability and projections for continued growth and profitability in 2005, each of the Named Executive Officers was granted a pay increase in January 2005. As a result of this increase, Dr. Green's salary was increased to \$210,000 annually, Mr. Black's salary was increased to \$150,000 annually,

Table of Contents

Mr. Shlaes' salary was increased to \$152,000 annually and Dr. Summa's salary was increased to 165,850 Euro annually. During April 2006, the Committee approved pay increases for each of Dr. Green, Mr. Black, Mr. Shlaes and Dr. Summa. Pursuant to this increase, the annual salary for Dr. Green and Messrs. Black and Shlaes is \$220,000, \$156,000 and \$160,000, respectively, and Dr. Summa's annual salary is 169,032 Euro.

Equity-Based Incentive Awards. Historically, DATATRAK has used stock options as a long-term incentive program for its executive officers. Stock options have been used because they directly relate the amounts earned by the executive officers to the amount of appreciation realized by DATATRAK's shareholders over comparable periods. Stock options have also provided executive officers with the opportunity to acquire and build a meaningful ownership interest. As discussed above, the Omnibus Equity Plan gives the Committee a significant amount of flexibility in the types of equity awards that may be granted to executives. The Committee intends to consider equity-based awards throughout the year. In determining the size of a grant awarded to an individual executive officer, the Committee generally establishes a level of award based upon the position of the individual and his or her level of responsibility, and upon recommendations made by the President and Chief Executive Officer. The Committee's decisions concerning equity incentive awards are based on its judgment concerning the appropriate amount of long-term compensation that should be paid to the executive in question. The Company did not award any stock options or other equity incentive awards to executives during 2005. A total of 28,823 stock options were awarded to employees during 2005.

Bonuses. DATATRAK may pay additional compensation in the form of discretionary bonuses to executive officers. The bonus amount in any given year is determined by the Compensation Committee, taking into account several factors, including the executive officer's salary and position, the executive officer's performance and DATATRAK's overall performance. Bonuses may be provided either in the form of cash, common shares or a combination of the two, as the Compensation Committee determines. No bonuses were paid to the Named Executive Officers in 2005.

President and Chief Executive Officer Compensation. Dr. Green's employment contract contemplates compensation in two broad areas: (1) a base salary and (2) equity-based incentive awards under a long-term compensation plan. During January 2005, Dr. Green was granted an increase in his annual salary from \$170,000 to \$210,000. Of this increase, \$30,000 represented a reinstatement to his 2002 salary level, and \$10,000 represented a pay increase. Dr. Green was not awarded any equity compensation in 2005. Dr. Green did not receive a bonus in 2005. During April 2006, Dr. Green was granted an increase in his annual salary from \$210,000 to \$220,000.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and certain of its executive officers and persons who beneficially own more than 10% of its common shares to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission and Nasdaq. These people are further required to furnish us with copies of all such forms filed by them. Based solely on our review of the copies of the forms that we received, we believe that all of the Section 16(a) filing requirements were satisfied by our directors, executive officers and beneficial owners of more than 10% of our common shares except for a late filing of a Form 4 related to an inadvertent oversight to report an open market purchase of 7,500 common shares by Seth B. Harris on March 4, 2003.

SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

Any shareholder who meets the requirements of the proxy rules under the Exchange Act may submit proposals to the Board of Directors to be considered for submission in our proxy materials for the Annual Meeting of shareholders to be held in 2007. Proposals should be submitted in writing by notice delivered or mailed by first-class United States mail, postage prepaid, to DATATRAK International, Inc., 6150 Parkland Boulevard, Suite 100, Mayfield Heights, Ohio 44124, Attention: Investor Relations, and must be received no later than December 29, 2006. Any notice shall include: (a) the name and address of the shareholder and the text of the proposal to be introduced, (b) the number of common shares held of record, owned beneficially and represented by proxy by the shareholder as of the date of the notice and (c) a representation that the shareholder intends to appear in person or by proxy at the meeting to introduce the proposal specified in the notice.

Unless we receive notice of a shareholder proposal not included in our 2007 proxy statement to be brought before the 2007 Annual Meeting by February 27, 2007, then we may use our discretion in voting proxies with respect to any shareholder proposal properly brought before such Annual Meeting. The chairman of the Annual Meeting may refuse to acknowledge the introduction of any shareholder proposal not made in compliance with the foregoing procedures.

OTHER MATTERS

The Board of Directors is not aware of any matter to come before the Annual Meeting other than those mentioned in the accompanying notice. However, if other matters shall properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their best judgment on those matters.

A copy of DATATRAK's Annual Report has been provided to shareholders with this proxy statement. If a shareholder entitled to vote at the Annual Meeting did not receive a copy of the Annual Report with this proxy statement, that shareholder may request a copy of the Annual Report from us. Upon the receipt of a written request from any shareholder entitled to vote at the Annual Meeting, we will mail, at no charge to the shareholder, a copy of our Annual Report, including the financial statements and schedules required to be filed with the Commission pursuant to Rule 13a-1 under the Exchange Act, for our most recent fiscal year. Requests from beneficial owners of common shares must include a good-faith representation that, as of the record date of the Annual Meeting, the person making the request was the beneficial owner of securities entitled to vote at the Annual Meeting. Written requests for the Annual Report should be directed to: Investor Relations, DATATRAK International, Inc., 6150 Parkland Boulevard, Suite 100, Mayfield Heights, Ohio 44124.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE CHARTER

(As Amended and Restated on July 22, 2005)

The Board of Directors (the Board) of DATATRAK International, Inc. (the Company) has constituted and established a Nominating and Corporate Governance Committee (the Committee) with authority, responsibility and specific duties as described in this Nominating and Corporate Governance Committee Charter.

Membership

The Committee shall consist of three directors who are independent of management and free from any relationship that, in the opinion of the Board, and as evidenced by its appointment of such Committee members, would interfere with the exercise of independent judgment as Committee members. Each Committee member shall meet the definition of independent within the meaning of the Nasdaq Stock Market listing standards, and any other applicable laws, rules and regulations, as amended from time to time.

The Board shall appoint one member of the Committee to serve as the Chairman of the Committee. The Board may fill vacancies on the Committee from time to time, and the Board may remove a Committee member from membership on the Committee at any time with or without cause.

Principle Functions

The Committee has two basic responsibilities: (1) to assist the Board in identifying individuals qualified to become board members and to recommend that the Board select the director nominees to be elected at the annual meeting of shareholders or to be appointed to fill a vacancy or to otherwise increase the size of the Board; and (2) to assist the Board in developing and implementing the Company s corporate governance policies and guidelines. In carrying out its responsibilities, the Committee will:

Identify, review, evaluate and recommend individual candidates to the Board to become Board members and shall consider management and shareholder recommendations for director candidates. In recommending candidates for nomination, the Committee shall consider such factors as it deems appropriate and shall not recommend candidates for nomination who do not meet the following minimum qualifications:

A desire to represent the best interests of the shareholders;

An express commitment to the mission and success of the Company as well as an ability to work compatibly with the Board and senior management;

A history of outstanding achievements and the highest ethical standards, values and integrity;

Experience and knowledge that is relevant to the Company and which has been obtained as a director or in a senior executive position or in an academic, scientific or government position;

The ability and willingness to commit and devote the necessary time and energy to the diligent performance of his or her duties, including preparing for, attending and participating in Board meetings and one or more standing committees of the Board; and

Basic knowledge of corporate governance matters and the role of boards of public companies.

Establish policies and procedures with regard to the consideration of shareholder recommended director candidates and the process by which the Committee identifies and evaluates all director candidates.

Evaluate whether an incumbent director should be nominated for reelection to the Board upon expiration of such director's term. The Committee shall use the same factors established for new director candidates to make its evaluation and also shall take into account the incumbent director's past performance and contribution to the Board and its committees.

The Committee shall consult with the Chief Executive Officer or acting Chairman of the Board on all such recommendations.

The Committee shall review and recommend to the Board the form and amount of director compensation, including the annual retainer and meeting fees for the Board and Committees of the Board and, if applicable, the terms of appropriate stock compensation awards.

The Committee shall make recommendations regarding director orientation programs and shall consider continuing education opportunities for directors to the extent appropriate.

Delegate, where appropriate in the discretion of the Committee, any of its responsibilities to a subcommittee.

Retain and authorize search firms, consultants, legal, accounting or other advisors, without seeking approval from the Board, as it deems necessary, to assist in fulfilling its responsibilities and discharging its duties.

Report its activities to the Board at its next regularly scheduled meeting following a Committee meeting or written action, accompanied by any recommendations to the Board approved by the Committee.

Periodically review and assess the adequacy of this Charter and recommend any appropriate changes to this Charter to the Board.

Such other duties and responsibilities as may be assigned to the Committee, from time to time, by the Board and/or the Chairman of the Board.
