The Company is delaying the filing of its Form 10-Q with the Securities and Exchange Commission (SEC) for the third quarter of 2007 because the Company needs additional time to complete the report and its auditors need additional time to complete their review. The Company is working on completing the amendment of the 10-K for the fiscal period ended December 31, 2006 and amendment of the first quarter 2007 10-Q for the increase in the number of reportable segments. These amended filings will precede the filing of the second and third quarter 2007 10-Q s. The Company is working diligently with its registered independent public accounting firm to resolve all reporting matters as soon as possible.
