PROXY STATEMENT

This Notice of Annual Meeting, proxy statement and enclosed proxy are being furnished to shareholders of Commerce Bancorp, Inc. ("Bancorp") in conjunction with the solicitation of proxies by the board of directors of Bancorp for use at Bancorp's 2004 Annual Meeting of Shareholders to be held on Friday, June 11, 2004, at 11:00 A.M., local time, at Commerce University, 17000 Horizon Way, Mt. Laurel, New Jersey, (the "Annual Meeting"), and at any adjournment or postponement thereof. The approximate date upon which this proxy statement and the accompanying form of proxy will be first sent, given or otherwise made available to Bancorp's shareholders is May 7, 2004.

The expense of the proxy solicitation will be borne by Bancorp. In

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

addition to solicitation by mail, proxies may be solicited in person or by telephone by directors, officers or employees of Bancorp and its subsidiaries without additional compensation. Bancorp may engage the services of a proxy soliciting firm. Bancorp is required to pay the reasonable expenses incurred by recordholders of Bancorp Common Stock who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy material and annual shareholder reports to the beneficial owners of Bancorp common stock they hold of record, upon request of such recordholders.

The board of directors of Bancorp has fixed the close of business on April 23, 2004, as the date for determining holders of record of Bancorp Common Stock, par value \$1.00 per share (the "Common Stock"), entitled to receive notice of, and to vote at, the Annual Meeting. On that date, there were 77,907,957 shares of Bancorp Common Stock outstanding. Each holder of Bancorp Common Stock is entitled to cast one vote for each share held of record on that date.

The holders of a majority of the aggregate outstanding shares of Bancorp Common Stock, present either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Pursuant to the New Jersey Business Corporation Act ("NJBCA"), abstentions and broker non-votes (described below) will be counted for the purpose of determining whether a quorum is present.

Under the NJBCA, abstentions or a withholding of authority are not counted as votes cast for the purpose of electing directors or amending Bancorp's Restated Certificate of Incorporation to increase the number of shares of Common Stock and, therefore, will have no effect on the outcome of the vote on the election of directors or the amendment to the Certificate of Incorporation at the Annual Meeting. However, under applicable New York Stock Exchange ("NYSE") rules, abstentions will be counted as votes cast for the purpose of approving the 2004 Employee Stock Option Plan (the "2004 Plan") and, therefore, will have the legal effect of an "AGAINST" vote in connection with the vote on such approval at the Annual Meeting.

Brokers who hold shares for the accounts of their clients may vote such shares either as directed by their clients or in their own discretion if permitted by the applicable stock exchange or other organization of which they are members. Members of the NYSE are permitted to vote their clients' shares in their own discretion as to the election of directors, the amendment to the Certificate of Incorporation and certain other "routine" matters if the clients have not timely furnished voting instructions prior to the Annual Meeting. However, brokers will not be permitted to vote their clients' shares without obtaining voting instructions with respect to the approval of the 2004 Plan. When a broker votes a client's shares on some but not all of the proposals at a meeting, the omitted votes are referred to as "broker non-votes." Broker non-votes are not counted as votes cast.

If the enclosed form of proxy is properly marked, signed, and returned in time to be voted at the Annual Meeting and not revoked, the shares represented by the proxy will be voted in accordance with the instructions marked thereon. Signed proxies not marked to the contrary will be voted "FOR" the election of all nominees for director, "FOR" the approval of the 2004 Plan, "FOR" the amendment to Bancorp's Restated Certificate of Incorporation to increase the number of shares of Common Stock that Bancorp is authorized to issue by 350,000,000 shares and "FOR" the ratification of the appointment of auditors.

Any Bancorp shareholder giving a proxy may revoke it at any time before it is voted by (i) giving written notice of such revocation, signed in the same manner as the proxy, to Bancorp's Secretary, (ii) executing a new proxy and returning it to Bancorp's Secretary prior to the voting of the first proxy at

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

the Annual Meeting, or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

ELECTION OF DIRECTORS

The bylaws of Bancorp provide that Bancorp's business shall be managed by a board of not less than five nor more than twenty-five directors and that within these limits the number of directors shall be as established by resolution of a majority of the full board of directors. The board of directors by resolution has set at thirteen the number of persons to be elected to the board of directors at the Annual Meeting.

Pursuant to the NJBCA, the election of directors will be determined by a plurality vote and the thirteen nominees receiving the most "FOR" votes will be elected. Shares may be voted "FOR" or withheld from each nominee. Abstentions and broker non-votes will have no effect on the outcome of the election because directors will be elected by a plurality of the shares voted for directors.

The board of directors unanimously recommends a vote "FOR" the election as directors of the nominees named herein.

The board of directors has designated the thirteen persons listed below to be nominees for election as directors. Twelve of the thirteen nominees are currently members of the board, and each of them has consented to serve if elected. Bancorp has no reason to believe that any of the nominees will be unavailable for election; however, if any nominee becomes unavailable for any reason, the board of directors may designate a substitute nominee, or the number of directors to be elected at the Annual Meeting will be reduced accordingly. Unless directed otherwise, the persons named on the enclosed proxy intend to vote such proxy "FOR" the election of the listed nominees or, in the event of

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

the inability of any of the nominees to serve for any reason, for the election of such other person as the board of directors may designate to fill the vacancy. Directors of Bancorp hold office for one year and until their respective successors have been duly elected and qualified.

Independence

As permitted by the NYSE rules, to assist the board in evaluating the independence of each of its directors, the board has adopted categorical standards of independence. Beck, Jack R Bershada, Donald T. DiFrancesco, John P. Ferguson, Morton N. Kerr, Joseph J. Plumeri, II, Daniel J. Ragone, William A. Schwartz, Jr. and Joseph T. 8

For purposes of the foregoing standards of director independence, an "immediate family member" means any of the director's spouse, parents, children, brothers, sisters, mother- and father-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares the director's home.

Directors are requested to inform the Chairman of the Nominating and Governance Committee and the President of Bancorp of any change of circumstances or before serving as a director, officer, employee, partner, trustee and/or owner of an outside profit or non-profit entity so that such change in circumstances or opportunity can be reviewed as to whether or not it might put a director's independence at issue.

The definition of "change in control" for purposes of this plan parallels the definition of that term contained in the Employment Agreements discussed on page 17 of this proxy statement. This plan became effective January 1, 1993, as amended.

The report of the Audit Committee is set forth on page 14 of this proxy statement. During 2003, there were ten meetings of the Audit Committee. Daniel J. Ragone, Chairman, Frank C. and Joseph T. Tarquini, Jr. are the current members of the Nominating and Governance Committee. Each member of the Nominating and Governance Committee is independent under applicable NYSE listing standards and SEC regulations. During 2003, there were four meetings of the Nominating and Governance Committee. The Nominating and Governance Committee is governed by a written charter approved by the board of directors, a copy of which can be found on Bancorp's website, www.commerceonline.com, under the "Investor Relations" section in "Corporate Governance."

Consideration of Director Candidates Recommended or Nominated by Shareholders. The Nominating and Governance Committee will consider properly submitted shareholder recommendations for director candidates. According to Bancorp's Bylaws, nominations by shareholders for directors to be elected at a meeting of shareholders which have not previously been approved by the board of directors must be submitted to the Secretary of Bancorp, not later than (i) the latest date upon which shareholder proposals must be submitted to Bancorp for inclusion in Bancorp's proxy statement relating to such meeting pursuant to Rule 14a-8 under the Exchange Act, or other applicable rules or regulations under the federal securities laws or, if no such rules apply, at least 90 days prior to the date one year from the date of the immediately preceding annual meeting of shareholders, and (ii) with respect to an election to be held at a special meeting of shareholders, 30 days prior to the printing of Bancorp's proxy materials with respect to such meeting or if no proxy materials are being distributed to shareholders, at least the close of business on the fifth day following the date on which notice of such meeting is first given to shareholders. Each nomination is required to set forth:

- o the name and address of the shareholder making the nomination and the person or persons nominated;
- o a representation that the shareholder is a holder of record of capital stock of Bancorp entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to vote for the person or persons nominated;
- o a description of all arrangements and understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination was made by the shareholder;
- o such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Nominating and Governance Committee; and
- o the consent of each nominee to serve as a director of Bancorp if so elected.

Director Qualifications. Nominees for director will be selected on the basis of outstanding achievement in their careers; broad experience; education; independence under applicable NYSE and SEC rules; financial expertise;

integrity; financial integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to board of directors and committee duties. Nominees should also have experience in the banking industry and knowledge about the issues affecting the banking industry. Nominees should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of Bancorp's shareholders. They must also have an inquisitive and objective perspective, practical experience and mature judgment. Bancorp endeavors to have a board representing diverse experiences and policy-making levels in business, government, education and technology, and in other areas relevant to Bancorp's activities. Directors are expected to attend scheduled board and committee meetings and to be prepared for the meetings by reviewing the materials provided to them in advance of the meetings. Nominees must be willing to devote sufficient time to carrying out their duties and responsibilities effectively, and should be committed to serve on the board for an extended period of time. Finally, the proposed nominee should be free of conflicts of interest that could prevent such nominee from acting in the best interest of shareholders.

12

Additional criteria apply to directors being considered to serve on a particular committee of the board of directors. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand Bancorp's financial statements.

Identifying and Evaluating Nominees for Director. The Nominating and Governance Committee assesses the appropriate size of the board in accordance with the limits fixed by Bancorp's charter and bylaws, whether any vacancies on the board are expected and what incumbent directors will stand for re-election at the next meeting of shareholders. If vacancies are anticipated, or otherwise arise, the Nominating and Governance Committee considers candidates for director suggested by members of the Nominating and Governance Committee and other board members as well as management, shareholders and other parties. Historically, all of Bancorp's director nominees have served on one of Bancorp's bank's boards. The Nominating and Governance Committee also has the authority to retain a search firm to identify and evaluate director candidates. Except for incumbent directors standing for re-election as described below, there are no differences in the manner in which the Nominating and Governance Committee evaluates nominees for director, based on whether the nominee is recommended by a shareholder or any other party.

In the case of an incumbent director, the Nominating and Governance Committee reviews such director's service to Bancorp during the past term, including, but not limited to, the number of board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves. When a member of the Nominating and Governance Committee is an incumbent director eligible to stand for re-election, such director will not participate in that portion of the Nominating and Governance Committee meeting at which such director's potential nomination for election as a director is discussed by the Nominating and Governance Committee.

In the case of a new director candidate, the Nominating and Governance Committee will evaluate whether the nominee is independent, as independence is defined under applicable NYSE Rules, and whether the nominee meets the qualifications for director outlined above as well as any special qualifications

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

applicable to membership on any committee on which the nominee may be appointed to serve if elected. In connection with such evaluation, the Nominating and Governance Committee determines whether the committee should interview the nominee, and if warranted, one or more members of the Nominating and Governance Committee or the board of directors will interview the nominee in person or by telephone.

Upon completing the evaluation, and the interview in case of a new candidate, the Nominating and Governance Committee makes a decision as to whether to recommend that the board of directors nominate the director candidate for election at the shareholders meeting.

Corporate Governance Matters

The corporate governance policies of Bancorp are set forth in the Corporate Governance Guidelines approved by the board of directors. The Corporate Governance Guidelines include information regarding the functions, responsibilities, qualifications and composition of the board of directors and other matters. A copy of the Corporate Governance Guidelines as approved by the board of directors can be found on Bancorp's website, www.commerceonline.com, under the "Investor Relations" section in "Corporate Governance."

REPORT OF THE AUDIT COMMITTEE

On March 10, 2004, the Audit Committee met with management to review and discuss the audited financial statements. The Audit Committee also conducted discussions with Bancorp's independent auditors, Ernst & Young LLP, regarding the matters required by the Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees). As required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," the Audit Committee has discussed with and received the required written disclosures and a confirming letter from Ernst & Young LLP regarding its independence and has discussed with Ernst & Young LLP its independence. The Audit Committee has also considered whether the provision of non-audit services by the independent auditors to Bancorp is compatible with maintaining the auditors' independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in Bancorp's Annual Report on Form 10-K for the year ended December 31, 2003.

This Audit Committee Report and information regarding the Audit Committee contained in the paragraph preceding the Report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement, except to the extent that Bancorp specifically requests that the Report or information be specifically incorporated by reference. The Audit Committee's considerations and discussions referred to above do not assure that the audit of Bancorp's financial statements for the year ended December 31, 2003 has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Bancorp's auditors are in fact "independent."

Employment Agreements

Mr. Hill's employment agreement provides that he will be employed by Bancorp and Commerce NJ as Chairman of the Board, President and Chief Executive Officer for a term of five years effective January 1, 1992, provided that on each January 1 thereafter Mr. Hill's employment agreement shall be automatically renewed and extended for a new five year term unless either Bancorp or Mr. Hill gives the other at least 90 days prior written notice of their desire to terminate Mr. Hill's employment agreement, in which event the term will have four years remaining.

Under the terms of Mr. Hill's employment agreement, Mr. Hill's "base salary" shall not be less than \$2,000,000. Mr. Hill's employment agreement provides that Mr. Hill will participate in any benefit or compensation programs in effect which are generally made available from time to time to executive officers of Bancorp and provides for all other fringe benefits as in effect from time to time which are generally available to Bancorp's salaried officers including, without limitation, medical and hospitalization coverage, life insurance coverage and disability coverage.

Mr. Hill's employment agreement requires Bancorp to compensate Mr. Hill for the balance of the term of his employment agreement at a rate equal to seventy percent of his annual base salary if he becomes permanently disabled (as defined in Mr. Hill's employment agreement) during the term and to pay Mr. Hill's designated beneficiary a lump sum death benefit if he dies during the term in an amount equal to three times his average annual base salary in effect during the 24 months immediately preceding his death.

Mr. Hill's employment agreement allows Mr. Hill to terminate his

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

employment with Bancorp upon a change in control of Bancorp (as defined in Mr. Hill's employment agreement) and if within three years of such change in control, without Mr. Hill's consent, among other things, the nature and scope of his authority with Bancorp or a surviving or acquiring person are materially reduced to a level below that which he enjoyed on January 1, 1992. If Mr. Hill terminates his employment because of a change in control, he will be entitled to a lump sum severance payment equal to four times his average annual base salary in effect during the 24 month period immediately preceding such termination (provided that such payment does not constitute a "parachute payment" under Section 280G of the Code, and in the event such payment would constitute a "parachute payment," such lump sum severance payment shall be reduced so as to not constitute a "parachute payment"), and the continuation of certain benefits including medical, hospitalization and life insurance. Mr. Hill's employment agreement contains a non-competition covenant for Mr. Hill should his employment with Bancorp be terminated under certain circumstances.

The employment agreements for Messrs. Musumeci, Falese, DiFlorio and Norcross are substantially similar to that of Mr. Hill's except that: Mr. Musumeci will serve as Executive Vice President and Senior Credit Officer of Bancorp and Commerce NJ, Mr. Falese will serve as Executive Vice President and Senior Loan Officer of Bancorp and Commerce NJ, Mr. DiFlorio will serve as Executive Vice President of Bancorp and Commerce NJ, and Mr. Norcross will serve as Chief Executive Officer of Commerce Insurance Services, Inc. The term of each employment agreement is three years and the lump sum death benefit is in each case equal to two times the

17

respective average annual base salary in effect during the 24 month period preceding death. Mr. Musumeci's "base salary" under his employment agreement is \$450,000, Mr. Falese's "base salary" under his employment agreement is \$650,000, Mr. DiFlorio's "base salary" under his employment agreement is \$650,000, Mr. Norcross' "base salary" under his employment agreement is \$850,000.

Employee Stock Option Plans

Effective May 1994, Bancorp adopted the Commerce Bancorp, Inc. 1994 Employee Stock Option Plan (the "1994 Plan") which provided for the purchase of a total of not more than 3,348,579 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 1994 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. No further options may be granted under the 1994 Plan. As of April 23, 2004, options to purchase 972,655 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were outstanding under the 1994 Plan.

Effective May 1997 (and as amended in 2000), Bancorp adopted the Commerce Bancorp, Inc. 1997 Employee Stock Option Plan (the "1997 Plan") which provides for the purchase of a total of not more than 17,234,000 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) by officers and key employees of Bancorp or its subsidiary corporations. Pursuant to the 1997 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. All officers and key employees of Bancorp or any current or future subsidiary corporation are eligible to receive options under the 1997 Plan. As of April 23, 2004, options to purchase

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

17,051,706 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) had been granted under the 1997 Plan and 183,450 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) were available for issuance under the 1997 Plan. No further options will be granted under the 1997 Plan if the 2004 Plan is approved. See "APPROVAL OF THE COMMERCE BANCORP, INC. 2004 EMPLOYEE STOCK OPTION PLAN."

The 1994 Plan and 1997 Plan are collectively referred to as the "Employee Plans."

The purpose of the Employee Plans is to provide additional incentive to employees of Bancorp and its subsidiary corporations by encouraging them to invest in Bancorp's Common Stock and thereby acquire a proprietary interest in Bancorp and an increased personal interest in Bancorp's continued success and progress.

The Employee Plans are administered by the Compensation Committee which is appointed by the board of directors and consists only of directors who are not eligible to receive options under the Employee Plans. The Compensation Committee determines in concert with senior management, among other things, which officers and key employees receive an option or options under the Employee Plans, the type of option (incentive stock options or non-qualified stock options, or both) to be granted, the number of shares subject to each option, the rate of option exercisability, and, subject to certain other provisions to be discussed below, the option price and duration of the option. Under the 1997 Plan, no individual may be granted a number of options that is more than 50% of the total number of shares of Bancorp Common Stock authorized for issuance under the 1997 Plan. In addition, incentive stock options first exercisable by an employee in any one year under the 1997 Plan (and all other Employee Plans of Bancorp) may not exceed \$100,000 in value (determined at the time of grant). The Compensation Committee may, in its discretion, modify or amend any of the option terms herein described, provided that if an incentive stock option is granted, the option as modified or amended continues to be an incentive stock option.

In the event of any change in the capitalization of Bancorp, such as by stock dividend, stock split or what the board of directors deems in its sole discretion to be similar circumstances, the aggregate number and kind of shares which may be issued under the Employee Plans will be appropriately adjusted in a manner determined in the sole discretion of the board of directors. Reacquired shares of Bancorp's Common Stock, as well as unissued shares, may be used for the purpose of the 1997 Plan. The option price for options issued under the 1997 Plan

18

must be at least equal to 100% of the fair market value of the Bancorp Common Stock as of the date the option is granted.

Options granted prior to January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable pursuant to a schedule based on years of service or option holding period. Options granted after January 1, 2003 pursuant to the Employee Plans are not exercisable until one year after the date of grant and then are exercisable ratably over four years. Under the Employee Plans, in the event of a "change in control" of Bancorp, as defined in the Employee Plans, each optionee may exercise the total number of shares then subject to the option. The Compensation Committee has the authority to provide for a different rate of option

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

exercisability for any optionee.

Options granted under the 1994 Plan are not transferable other than by will or by the laws of descent and distribution. Except as otherwise authorized by the Compensation Committee with respect to non-qualified stock options only, options granted pursuant to the 1997 Plan are not transferable, except by will or the laws of descent and distribution in the event of death.

Under the 1994 Plan and 1997 Plan, unless terminated earlier by the option's terms, both incentive stock options and non-qualified stock options expire ten years after the date they are granted. Options terminate three months after the date on which employment is terminated (whether such termination be voluntary or involuntary), other than by reason of death or disability. The option terminates one year from the date of termination due to death or disability (but not later than the scheduled termination date). During an optionee's lifetime, the option is exercisable only by the optionee including, for this purpose, the optionee's legal guardian or custodian in the event of disability, except that under the 1997 Plan, if specifically permitted by the Compensation Committee or the board of directors, non-qualified stock options are transferable.

During 2003, Bancorp granted stock options to purchase an aggregate of 2,547,210 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004) at an average exercise price of \$42.51 per share (as adjusted for all stock splits and stock dividends through April 23, 2004) under the 1997 Plan. During 2003, a total of 1,530,804 options were exercised under the Employee Plans.

stock option valuation models, including the Black-Scholes model, require a prediction about future movement of the stock price. The assumptions used in the model were expected volatility of .304, risk-free rate of return of 3.00%, dividend yield of 1.50%, and weighted average expected life of 5.22 years. The real value of the options in this table depends upon the actual performance of Bancorp's Common Stock during the applicable period.

Employee Stock Ownership Plan

Effective January 1, 2002, the Commerce Bancorp, Inc. Employee Stock Ownership Plan ("ESOP") was merged into the Commerce Bancorp, Inc. 401(k) Retirement Plan ("401(k) Plan").

As of December 31, 2003, the ESOP Trust held of record 1,533,000 shares of Bancorp Common Stock (as adjusted for all stock splits and stock dividends through April 23, 2004). In connection with the merger, shares of Bancorp Common Stock were allocated to each of the individual participant accounts in the 401(k) Plan.

For the Plan Year ended December 31, 2003, Bancorp made no contribution to the ESOP.

Supplemental Executive Retirement Plan

Effective January 1, 2004, Bancorp established a Supplemental Executive Retirement Plan ("SERP") for certain designated executives in order to provide supplemental retirement income. The 2004 SERP replaces the Supplemental Executive Retirement Plan previously approved by the board of directors effective January 1, 1992. The SERP is a defined contribution plan, and contributions will be made at Bancorp's discretion. For the year ended December 31, 2003, Bancorp made no contributions to the SERP. The SERP is unfunded, is not a "qualified plan" under the Code and benefits are paid directly by Bancorp. Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross have been designated to participate in the SERP.

Certain Transactions

Certain directors and executive officers of Bancorp and its subsidiaries and certain of their immediate family members and certain corporations or organizations with which they are affiliated have had and expect to continue to have loan and other banking transactions with Bancorp's subsidiary banks.

All such loans and other banking transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions for unrelated parties, and did not involve more than the normal risk of uncollectibility or present other unfavorable features.

Currently, the board of directors of Bancorp approves all related party transactions in which an officer or director of Bancorp or any of its subsidiaries has an interest. In the case of a transaction involving a director of

20

Bancorp, such director does not vote on the transaction. Bancorp complies with any and all approval requirements of the NYSE related to transactions between Bancorp and its officers, directors and other affiliates.

Mr. DiFrancesco is a member of and Mr. Beck is of counsel to law firms which Bancorp and its subsidiaries have retained during Bancorp's last fiscal year and which Bancorp and its subsidiaries intend to retain during its current fiscal year.

Management believes that the legal fees paid for the foregoing services are comparable to those which they would have paid to non-affiliated parties for similar services.

Bancorp leases the land on which it has constructed seventeen branch offices from limited partnerships in which Mr. Hill is a partner or in which a corporation owned by Mr. Hill is a partner, or from the Hill Family Trust under separate operating lease agreements (with purchase options). The aggregate annual rental under these leases for 2003 was approximately \$1.1 million. These leases expire periodically beginning 2004 but are renewable through 2040. In August 2002, Mr. Hill agreed not to participate in any future real estate leasing transactions involving Bancorp and its subsidiaries.

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Management believes that the rental paid or received for each of the foregoing leases is and was comparable to the rental which they would have to pay to or would have received from, as the case may be, non-affiliated parties in similar commercial transactions for similar locations, assuming that such locations were available.

Bancorp has obtained architectural design and facilities management services for over twenty-five years from a business owned by the spouse of Mr. Hill. Bancorp spent \$6.4 million in 2003 for such services and related costs. Additionally, the business received additional revenues for project management of approximately \$3.8 million in 2003 on furniture and facility purchases made directly by Bancorp. In 2003, the board approved the transfer, without cost, into Bancorp of the project management services. The business will continue to provide architectural and design services to Bancorp. Management believes these disbursements were substantially equivalent to those that would have been paid to unaffiliated companies for similar services. The board of directors believes this arrangement has been an important factor in the success of the Commerce brand.

During 2003, Bancorp and its subsidiaries utilized the facilities of Galloway National Golf Club in the amount of approximately \$448,000. Mr. Hill is a principal equity holder of Galloway National Golf Club. Management believes such expenses were substantially equivalent to those that would have been paid to unaffiliated companies for utilization of their facilities.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the board of directors of Bancorp is composed of independent non-employee directors. Bancorp's compensation package for its executive officers consists of base salary, annual performance bonus, annual stock option grants and various broad based employee benefits.

Management recommendations of base salary levels, annual performance bonuses and stock option grants are reviewed by the Compensation Committee and submitted to the full board of directors for approval.

The objective of Bancorp's executive compensation is to enhance Bancorp's long-term profitability by providing compensation that will attract and retain superior talent, reward performance and align the interests of the executive officers with the long term interests of the shareholders of Bancorp.

Bancorp has employment agreements with Messrs. Hill, Musumeci, Falese, DiFlorio and Norcross which were effective January 1, 1992 for Messrs. Hill, and Musumeci, January 1, 1998 for Messrs. Falese and DiFlorio, and October 1, 1996 for Mr. Norcross. See "EXECUTIVE COMPENSATION - Employment Agreements."

Base salary levels for Bancorp's executive officers are competitively set relative to companies in peer businesses. In reviewing base salaries, the Compensation Committee also takes into account individual experience and

performance.

Bancorp's annual performance bonuses are intended to provide a direct cash incentive to executive officers and other key employees to maximize Bancorp's profitability. Financial performance is compared against budgets as well as peer businesses.

Stock options are intended to encourage officers and other key employees to remain employed by Bancorp by providing them with a long term interest in Bancorp's overall performance as reflected by the performance of Bancorp's Common Stock. In granting stock options, the Compensation Committee takes into account prior stock option grants and considers the executive's level of compensation and past contributions to Bancorp.

Vernon W. Hill, II was Bancorp's Chairman and President (chief executive officer) for 2003. Mr. Hill's base salary is set competitively relative to other chief executive officers in financial service companies in Bancorp's market area. In determining Mr. Hill's base salary as well as annual performance bonus, the Compensation Committee reviewed independent compensation data and Bancorp's performance as compared against budgets and peer businesses. As with Bancorp's other executive officers, Mr. Hill's total compensation involves certain subjective judgments and is not based solely upon any specific objective criteria or weighting.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee members are Morton N. Kerr, Daniel J. Ragone and Jack R Bershad. No person who served as a member of the Compensation Committee during 2003 was a current or former officer or employee of Bancorp or, except as disclosed below, engaged in certain transactions with Bancorp required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee "interlocks" during 2003, which generally means that no executive officer of Bancorp served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of Bancorp.

APPROVAL OF THE COMMERCE BANCORP, INC. 2004 EMPLOYEE STOCK OPTION PLAN

In April 2004, the board of directors of Bancorp adopted the Commerce Bancorp, Inc. 2004 Employee Stock Option Plan, subject to approval by the shareholders of Bancorp (the "2004 Plan"). Pursuant to the 2004 Plan, stock options may be granted which qualify under the Code as incentive stock options as well as stock options that do not qualify as incentive stock options. All officers and key employees of Bancorp or any current or future subsidiary corporation are eligible to receive options under the 2004 Plan. As of April 23, 2004, no options had been granted under the 2004 Plan and no determination had been made with respect to the grant of options under the 2004 Plan.

The Board believes that the 2004 Plan will advance the interest of Bancorp and its shareholders by strengthening Bancorp's ability to attract, retain and motivate officers and key employees. The 2004 Plan is intended to replace the 1997 Plan. See "EXECUTIVE COMPENSATION - Employee Stock Option Plans." The 2004 Plan is being submitted to Bancorp shareholders for their approval in order to grant incentive stock options, to be eligible to qualify for certain tax deductions for compensation paid to its executive officers under Section 162(m) of the Code and to meet the shareholder approval requirements of the NYSE.

Required Vote

The affirmative vote of the holders of a majority of the votes cast, provided that the total vote cast on the approval of the 2004 Plan represents over 50% in interest of all securities entitled to vote on such amendment, is necessary to approve the 2004 Plan. For purposes of determining the votes cast on the proposal to approve the 2004 Plan, under applicable NYSE rules, votes "FOR," "AGAINST" and "ABSTENTIONS" are included. Abstentions will have the legal effect of an "AGAINST" vote. Broker non-votes will not be treated as votes cast.

The board of directors unanimously recommends that you vote "FOR" approval of the 2004 Plan.

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Set forth below is a summary of the provisions of the 2004 Plan. This summary is qualified and amplified in its entirety by the detailed provisions of the text of the actual 2004 Plan, which is filed as Appendix C to Bancorp's definitive proxy statement on Schedule 14A for the 2004 annual meeting of shareholders available on the SEC's website at www.sec.gov. A copy of the 2004 Plan may also be obtained upon request to Bancorp and without charge to any shareholder upon written request to C. Edward Jordan, Jr., Executive Vice President, Commerce Bancorp, Inc., Commerce Atrium, 1701 Route 70 East, Cherry Hill, New Jersey, 08034-5400.

Purpose

The purpose of the 2004 Plan is to provide additional incentive to employees of Bancorp by encouraging them to invest in Bancorp Common Stock and thereby acquire a proprietary interest in Bancorp and an increased personal interest in Bancorp's continued success and progress.

Administration

The 2004 Plan is administered by the Compensation Committee ("Committee") which is appointed by the board of directors and consists only of directors who are not eligible to receive options under the 2004 Plan. The Committee determines, among other things, which officers and key employees receive an option or options under the 2004 Plan, the type of option (incentive stock options or non-qualified stock options, or both) to be granted, the number of shares subject to each option, the rate of option exercisability, and, subject to certain other provisions to be discussed below, the option price and duration of the option. No individual may be granted a number of options that is more than 50% of the total number of shares of Bancorp Common Stock authorized for issuance under the 2004 Plan and incentive stock options first exercisable by an employee in any one year under the 2004 Plan (and all other plans of Bancorp) may not exceed \$100,000 in value (determined at the time of grant).

24

The Committee may, in its discretion, modify or amend any of the option terms hereafter described, provided that if an incentive option is granted under the 2004 Plan, the option as modified or amended continues to be an incentive stock option.

Aggregate Number of Shares

The aggregate number of shares which may be issued upon the exercise of options under the 2004 Plan is 15,000,000 shares of Common Stock. In the event of any change in the capitalization of Bancorp, such as by stock dividend, stock split or what the board of directors deems in its sole discretion to be similar circumstances, the aggregate number and kind of shares which may be issued under the 2004 Plan will be appropriately adjusted in a manner determined in the sole discretion of the board of directors. Reacquired shares of Bancorp Common Stock, as well as unissued shares, may be used for the purpose of the 2004 Plan. Common Stock of Bancorp subject to options which have terminated unexercised, either in whole or in part, will be available for future options granted under the 2004 Plan.

Option Price

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

The option price for options issued under the 2004 Plan must be at least equal to 100% of the fair market value of the Common Stock as of the date the option is granted. As of April 23, 2004 the closing sale price of the Common Stock on the NYSE was \$59.80.

Payment

Payment of the option price on exercise of options granted under the 2004 Plan may be made in (a) cash, (b) (unless prohibited by the Committee) Bancorp Common Stock which will be valued by the Secretary of Bancorp at its fair market value or (c) (unless prohibited by the Committee) any combination of cash and Common Stock of Bancorp valued as provided in clause (b).

Under the terms of the 2004 Plan, the board has interpreted the provision of the 2004 Plan which allows payment of the option price in Common Stock of Bancorp to permit the "pyramiding" of shares in successive exercises. Thus, an optionee could initially exercise an option in part, acquiring a small number of shares of Common Stock, and immediately thereafter effect further exercises of the option, using the Common Stock acquired upon earlier exercises to pay for an increasingly greater number of shares received on each successive exercise. This procedure could permit an optionee to pay the option price by using a single share of Common Stock or a small number of shares of Common Stock to acquire a number of shares of Common Stock having an aggregate fair market value equal to the excess of (a) the fair market value (as determined above) of all shares to which the option relates over (b) the aggregate exercise price under the option. A vote in favor of this Proposal is also a vote in favor of this interpretation.

25

Exercisability

Except as otherwise described below, none of the options granted under the 2004 Plan may be exercised during the first year after the date granted. Thereafter, each optionee may exercise options held more than one year based upon option holding period pursuant to the following schedule:

Option Holding Period	Vesting Schedule
0-1 year	0%
1-2 years	25%
2-3 years	50%
3-4 years	75%
More than 4 years	100%

In the event of a "change in control" of Bancorp, as defined in the 2004 Plan, each optionee may exercise the total number of shares then subject to the option. The Committee has the authority to provide for a different rate of option exercisability for any optionee.

Option Expiration and Termination

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Unless terminated earlier by the option's terms both incentive stock options and non-qualified stock options expire ten years after the date they are granted.

Options terminate three months after the date on which employment is terminated (whether such termination be voluntary or involuntary), other than by reason of death or disability. Options terminate one year from the date of termination due to death or disability (but not later than the scheduled termination date).

Transferability

Options granted pursuant to the 2004 Plan are not transferable, except (i) by the will or the laws of descent and distribution in the event of death, and (ii) the board, the Committee or a designee thereof has the authority to provide for the transferability of options. A transfer permitted by the board, the Committee or a designee thereof may be on a general or specific basis, and may impose conditions and limitations on any permitted transferability. During an optionee's lifetime, the option is exercisable only by the optionee, including, for this purpose, the optionee's legal guardian or custodian in the event of disability and the optionee's transferee to the extent permitted by the board, the Committee or a designee thereof with respect to stock options.

Amendment or Termination; Plan Expiration

Bancorp's board of directors has the right at any time, and from time to time, to modify, amend, suspend or terminate the 2004 Plan, without shareholder approval, except to the extent that shareholder approval of the 2004 Plan modification or amendment is required by the Code, to permit the granting of incentive stock options under the 2004 Plan. Any such action will not affect options previously granted. If the board of directors voluntarily submits a proposed modification, amendment, suspension or termination for shareholder approval, such submission will not require any future modifications, amendments, suspensions or terminations (whether or not relating to the same provision or subject matter) to be similarly submitted for shareholder approval.

ERISA Compliance

The 2004 Plan is not subject to any provisions of the Employee Retirement Income Security Act of 1974, as amended.

FEDERAL INCOME TAX CONSEQUENCES OF THE 2004 PLAN

THE FOLLOWING INFORMATION IS NOT INTENDED TO BE A COMPLETE DISCUSSION OF THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF PARTICIPATION IN THE 2004 EMPLOYEE STOCK OPTION PLAN AND IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE CODE, AND THE REGULATIONS ADOPTED PURSUANT THERETO. THE PROVISIONS OF THE CODE DESCRIBED IN THIS SECTION INCLUDE CURRENT TAX LAW ONLY AND DO NOT REFLECT ANY PROPOSALS TO REVISE CURRENT TAX LAW. AN OPTIONEE WHO ACQUIRES SHARES OF COMMON STOCK UNDER THE 2004 PLAN SHOULD CONSULT HIS OR HER OWN TAX ADVISOR WITH RESPECT TO HIS OR HER INDIVIDUAL TAX POSITION AND THE EFFECT OF ANY LEGISLATIVE REVISIONS ON SUCH POSITION.

OPTIONEES SUBJECT TO TAXES IMPOSED BY STATE, LOCAL AND OTHER TAXING

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

AUTHORITIES, INCLUDING FOREIGN GOVERNMENTS, SHOULD CONSULT WITH THEIR OWN ATTORNEYS OR TAX ADVISERS REGARDING THE TAX CONSEQUENCES THEREUNDER.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES APPLICABLE TO PERSONS SUBJECT TO POTENTIAL LIABILITY UNDER SECTION 16(b) OF THE EXCHANGE ACT AND THE RULES THEREUNDER MAY BE DIFFERENT THAN THE U.S. FEDERAL INCOME TAX CONSEQUENCES APPLICABLE TO PERSONS WHO ARE NOT SUBJECT TO SECTION 16(b) OF THE EXCHANGE ACT. PERSONS SUBJECT TO SECTION 16(b) SHOULD CONSULT THEIR OWN TAX ADVISORS FOR MORE SPECIFIC INFORMATION.

Incentive Stock Options

Generally, under the Code, an optionee will not realize taxable income by reason of the grant or the exercise of an incentive stock option (see, however, discussion of Alternative Minimum Tax below) granted pursuant to the 2004 Plan. If an optionee exercises an incentive stock option and does not dispose of the shares until the later of (i) two years from the date the option was granted and (ii) one year from the date of exercise, the entire gain, if any, realized upon disposition of such shares will be taxable to the optionee as long-term capital gain, and Bancorp will not be entitled to any deduction. If an optionee disposes of the shares within the period of two years from the date of grant or one year from the date of exercise (a "disqualifying disposition"), the optionee generally will realize ordinary income in the year of disposition and Bancorp will receive a corresponding deduction, in an amount equal to the excess of (1) the lesser of (a) the amount, if any, realized on the disposition and (b) the fair market value of the shares on the date the option was exercised over (2) the option price. Any additional gain realized on the disposition will be long-term or short-term capital gain and any loss will be long-term or short-term capital loss. The optionee will be considered to have disposed of a share if he sells, exchanges, makes a gift of or transfers legal title to the share (except transfers, among others, by pledge, on death or to a spouse). If the disposition is by sale or exchange, the optionee's tax basis will equal the amount paid for the share plus any ordinary income realized as a result of the disqualifying disposition.

The exercise of an incentive stock option may subject the optionee to the alternative minimum tax. The amount by which the fair market value of the shares purchased at the time of the exercise exceeds the option exercise price is an adjustment for purposes of computing the so-called alternative minimum tax. In the event of a disqualifying disposition of the shares in the same taxable year as exercise of the incentive stock option, no adjustment is then required for purposes of the alternative minimum tax, but regular income tax, as described above, may result from such disqualifying disposition.

An optionee who surrenders shares as payment of the exercise price of his or her incentive stock option generally will not recognize gain or loss on his surrender of such shares. The surrender of shares previously acquired upon exercise of an incentive stock option in payment of the exercise price of another incentive stock option, is, however, a "disposition" of such stock. If the incentive stock option holding period requirements described above have not been satisfied with respect to such stock, such disposition will be a disqualifying disposition that may cause the optionee to recognize ordinary income as discussed above.

Under the Code, all of the shares received by an optionee upon exercise of an incentive stock option by surrendering shares will be subject to the

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

incentive stock option holding period requirements. Of those shares, a number of shares (the "Exchange Shares") equal to the number of shares surrendered by the optionee will have the same tax basis for capital gains purposes (increased by any ordinary income recognized as a result of a disqualifying disposition of the surrendered shares if they were incentive stock option shares) and the same capital gains holding period as the shares surrendered. For purposes of determining ordinary income upon a subsequent disqualifying disposition of the Exchange Shares, the amount paid for such shares will be deemed to be the fair market value of the shares surrendered. The balance of the shares received by the optionee will have a tax basis (and a deemed purchase price) of zero and a capital gains holding period beginning on the date of exercise. The incentive stock option holding period for all shares will be the same as if the option had been exercised for cash.

Non-Qualified Stock Options

Generally, there will be no U.S. federal income tax consequences to either the optionee or Bancorp on the grant of non-qualified stock options pursuant to the 2004 Plan. On the exercise of a non-qualified stock option, the optionee has taxable ordinary income equal to the excess of the fair market value of the shares acquired on the exercise date over the option price of the shares. Bancorp will be entitled to a federal income tax deduction (subject to the limitations contained in Section 162(m)) in an amount equal to such excess, provided that Bancorp complies with applicable reporting rules.

Upon the sale of stock acquired by exercise of a non-qualified stock option, optionees will realize long-term or short-term capital gain or loss depending upon their holding period for such stock. Capital losses are deductible only to the extent of capital gains for the year plus \$3,000 for individuals.

An optionee who surrenders shares in payment of the exercise price of a non-qualified stock option will not recognize gain or loss with respect to the shares so delivered unless such shares were acquired pursuant to the exercise of an incentive stock option and the delivery of such shares is a disqualifying disposition. See "Incentive Stock Options." The optionee will recognize ordinary income on the exercise of the non-qualified stock option as described above. Of the shares received in such an exchange, that number of shares equal to the number of shares surrendered have the same tax basis and capital gains holding period as the shares surrendered. The balance of shares received will have a tax basis equal to their fair market value on the date of exercise and the capital gains holding period will begin on the date of exercise.

In the event of a permitted transfer by gift of a non-qualified stock option, the transferor will remain taxable on the ordinary income realized as and when such non-qualified stock option is exercised by the transferee. All other tax consequences described above will be applicable to the transferee of the non-qualified stock option. A permitted transfer by gift of a non-qualified stock option may result in federal transfer taxes (gift tax) to the transferor at such time as the option is transferred, as well as such later time or times as the non-qualified stock option vests, if not fully vested on the date of the initial transfer.

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Section 162(m) of the Code will generally limit Bancorp's federal income tax deduction for compensation paid in any year to its chief executive officer and its four highest paid executive officers to \$1,000,000, to the extent that such compensation is not "performance based." Under Treasury regulations, a stock option will, in general, qualify as "performance based" compensation if it (i) has an exercise price of not less than the fair market value of the underlying stock on the date of grant, (ii) is granted under a plan that limits the number of shares for which stock options may be granted to an employee during a specified period, which plan is approved by a majority of the shareholders entitled to vote thereon, and (iii) is granted and administered by a compensation committee consisting solely of at least two outside directors (as defined in Section 162(m)). If a stock option to an executive referred to above is not "performance based", the amount that would otherwise be deductible by Bancorp in respect of such stock option will be disallowed to the extent that the executive's aggregate non-performance based compensation paid in the relevant year exceeds \$1,000,000.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act") requires Bancorp's directors and executive officers, and persons who own more than 10% of a registered class of Bancorp's equity securities, to file with the SEC reports about their beneficial ownership of Common Stock and other equity securities of Bancorp. All such persons are required by SEC regulation to furnish Bancorp with copies of all Section 16(a) reports they file.

Based solely on review of the copies of such reports furnished to Bancorp and written representations that no other reports were required during the fiscal year ended December 31, 2003, Bancorp believes all Section 16(a)

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were timely complied with, except that the following persons filed reports that were inadvertently late: (a) Daniel Ragone filed a Form 4 in connection with a disposition of common stock which was not timely; (b) William Schwartz filed a Form 4 in connection with a purchase of common stock which was not timely; and (c) Edward Jordan, Douglas Pauls, David Wojcik and the individuals (other than John P. Ferguson and Joseph J. Plumeri) listed on the Security Ownership of Management and Certain Beneficial Owners table on page 2 of this proxy statement, each filed a Form 4 in connection with the grant of stock options which was not timely.

APPROVAL OF AMENDMENT TO BANCORP'S RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK WHICH BANCORP IS AUTHORIZED TO ISSUE

The board of directors of Bancorp has determined that it is advisable to increase the number of shares of Common Stock which Bancorp is authorized to issue by 350,000,000 shares to a total of 500,000,000. The Restated Certificate of Incorporation currently provides that Bancorp is authorized to issue 150,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock.

As of April 23, 2004, there were 78,305,816 issued shares of Common Stock. Of the unissued 71,694,184 shares, 13,096,559 shares of Common Stock were reserved for issuance under Bancorp's 1994 and 1997 Employee Stock Option Plans, 3,346,571 shares of Common Stock were reserved for issuance under Bancorp's Dividend Reinvestment and Stock Purchase Plan, and 1,262,236 shares of Common Stock were reserved for issuance under Bancorp's 1989 and 1998 Stock Option Plan for Non-Employee Directors, leaving 53,988,818 shares of Common Stock unreserved and available for issuance. If the proposed amendment is approved and becomes effective, a total of 403,988,818 shares of Common Stock will be unreserved and available for issuance. All outstanding and reserved shares have been adjusted to reflect all stock splits and stock dividends through April 23, 2004.

As of April 23, 2004, no shares of Preferred Stock were outstanding. Under Bancorp's Restated Certificate, the board of directors is authorized, without further shareholder action, to provide for the issuance of the Preferred Stock in one or more series, with such designations, dividends, number of shares, relative rights (including, without limitation, voting rights, conversion rights, redemption rights and/or liquidation rights), preferences and limitations as shall be set forth in resolutions providing for the issuance thereof adopted by the board of directors. The proposed amendment does not increase the number of shares of Preferred Stock unreserved and available for issuance.

The increase in authorized shares will not affect shareholders' equity in Bancorp or the capital or surplus account of Bancorp.

Except as set forth herein, Bancorp has no present plan, commitment, arrangement, understanding, or agreement, written or oral, regarding the issuance of shares subsequent to the increase of the authorized shares of Common Stock upon adoption of this proposal; however, in the judgment of the board of directors, the increase in authorized Common Stock will provide Bancorp with greater flexibility in meeting future stock needs without the delay and expense involved in holding a special meeting of shareholders to authorize the issuance

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

of such shares. Such shares could be used for future financings, acquisitions, employee benefit plans, stock splits, stock dividends, or other proper corporate purposes.

Shares will have no preemptive rights with respect to such additional authorized shares of Common Stock and such shares may be issued solely upon the action of Bancorp's board of directors for any proper corporate purpose determined by the Board without further authorization from the shareholders except where because of particular circumstances under which any such shares will be issued, shareholder approval is required by law and/or the rules of the NYSE. However, the issuance of such additional shares of Common Stock may adversely affect current shareholders. See "Anti-takeover Provisions and Management Implications" below. These additional shares of Common Stock, when issued, will have the same rights as Bancorp's presently authorized shares of Common Stock.

If the recommendation of the board of directors is approved, the first sentence of Article Fifth of Bancorp's Restated Certificate of Incorporation will be amended to read as follows:

"FIFTH: The aggregate number of shares which the corporation shall have authority to issue shall be 510,000,000 shares of which 500,000,000 shares shall be common stock with a par value of \$1.00 per share and of which 10,000,000 shares shall be preferred stock without par value."

30

Required Vote

Pursuant to the NJBCA, the affirmative vote of a majority of the votes cast by the holders of shares entitled to vote thereon is necessary for adoption of this proposal to amend Bancorp's Restated Certificate of Incorporation. For purposes of determining the votes cast, only those votes "FOR" or "AGAINST" are included. Abstentions and broker non-votes will be counted solely for the purpose of determining whether a quorum is present.

The board of directors unanimously recommends that the shareholders vote "FOR" the amendment to Bancorp's Restated Certificate of Incorporation to increase the number of shares of Common Stock that Bancorp is authorized to issue by 350,000,000 shares.

"Anti-Takeover" Provisions and Management Implications

Bancorp's Restated Certificate of Incorporation requires the affirmative vote of the holders of at least 80% of the outstanding capital stock of Bancorp entitled to vote thereon in order to permit the consummation of any of the following transactions: (i) any merger or consolidation of Bancorp with or into any other corporation, or (ii) any sale, lease, exchange or other disposition of all of the assets of Bancorp to or with any other corporation, person or other entity. The 80% voting requirement does not, however, apply to any transaction approved by the board of directors of Bancorp prior to the consummation thereof. As previously set forth, Bancorp's Restated Certificate of Incorporation also provides for the issuance of up to 10,000,000 shares of Preferred Stock, the rights, preferences and limitations of which in most circumstances may be determined by the board of directors of Bancorp without further authorization from the shareholders.

The provisions in the Restated Certificate of Incorporation relating to

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

the 80% voting requirements and the issuance of Preferred Stock may have the effect not only of discouraging tender offers or other stock acquisitions but also of deterring existing shareholders from making management changes. Issuances of Preferred Stock, while providing flexibility in connection with possible acquisitions and other corporate purposes, could make it more difficult for a third party to secure a majority of outstanding voting stock. Similarly, absent the 80% voting requirement provision relating to mergers and dispositions of assets, the transactions described above could be consummated upon the favorable vote of the holders of a majority of the votes cast by holders of shares entitled to vote thereon.

Accordingly, these provisions (together with the proposed amendment to Bancorp's Restated Certificate of Incorporation to increase its authorized shares of Common Stock) may enhance the possibility that a potential bidder for control of Bancorp will be required to act through arm's-length negotiation with respect to such major transactions as a merger, consolidation or purchase of substantially all the assets of Bancorp. Such provisions may also have the effect of discouraging tender offers or other stock acquisitions, giving management of Bancorp power to reject certain transactions which might be desired by the owners of a majority of Bancorp's voting securities. These provisions could also be deemed to benefit incumbent management to the extent they deter such offers by persons who would wish to make changes in management or exercise control over management. Bancorp has no present plans to adopt any other "anti-takeover" provisions. The board of directors of Bancorp does not presently know of a third party that plans to make an offer to acquire Bancorp through a tender offer, merger or purchase of substantially all the assets of Bancorp.

RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee has appointed Ernst & Young LLP, independent auditors, 2001 Market Street, Philadelphia, PA 19103, to serve as Bancorp's independent auditors for the year ending December 31, 2004. Shareholders will be asked to ratify this appointment. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of independent auditors to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of Ernst & Young LLP, the selection of independent auditors may be reconsidered by the Audit Committee. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and to have the opportunity to make a statement, if they desire to do so, and to be available to respond to appropriate questions.

Principal Accountant Fees and Services

Aggregate fees (1) for professional services rendered for Bancorp by Ernst & Young LLP as of or for the years ended December 31, 2003 and 2002 were:

Audit Fees.....	\$1,210,500	\$ 817,000
Audit Related fees.....	38,000	17,500
Tax Fees.....	39,386	61,500

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Total.....	\$1,318,134	\$941,000
	=====	=====

The Audit fees for the years ended December 31, 2003 and 2002, respectively, were for professional services rendered for the audits of the consolidated financial statements of Bancorp, quarterly reviews, issuance of consents, review of registration statements filed with the SEC, and required regulatory reporting under FDICIA.

Audit Related fees for the years ended December 31, 2003 and 2002, were for employee benefit plan audits and other attest services not required by statute or regulation.

Tax fees for the years ended December 31, 2003 and 2002, were for services performed in connection with tax compliance, tax advice and tax planning and other corporate tax services other than those directly related to the audit of the income tax accrual.

All other fees for the year ended December 31, 2003 and 2002 were for licensing fees associated with cash management services and for an asset/liability review project.

The Audit Committee has considered and determined that the services provided by Ernst & Young LLP are compatible with maintaining Ernst & Young LLP's independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee pre-approved all of the audit and non-audit services provided to Bancorp by Ernst & Young LLP in fiscal year 2003.

 (1) The aggregate fees included in Audit are fees billed for the fiscal years for the audit of the registrant's annual financial statements and reviews of financial statements and statutory and regulatory filings or engagements. The aggregate fees included in each of the other categories are fees billed in the fiscal years.

The board of directors unanimously recommends that you vote "FOR" the ratification of the appointment of auditors.

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

committee of more than two public companies unless the Board determines that such simultaneous service would not impair the ability of such Audit Committee member to effectively serve on this Audit Committee and discloses such determination in Commerce's annual proxy statement or, if Commerce does not file an annual proxy statement, in Commerce's annual report on Form 10-K filed with the SEC.

The Board on the recommendation of the Nominating and Governance Committee will elect the members of the Audit Committee; members will serve in accordance with Commerce's Bylaws and until their successors will be duly elected and qualified. While the fundamental responsibility for Commerce's financial statements and disclosures rests with management, the Audit Committee will review (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in Commerce's selection or application of accounting principles, and major issues as to the adequacy of Commerce's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative generally accepted accounting principles ("GAAP") methods on the financial statements; (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of Commerce; and (iv) the type and presentation of information to be included in earnings press releases (paying particular attention to any use of "pro forma," or "adjusted" non-GAAP, information), as well as review any financial information and earnings guidance provided to analysts and rating agencies.

The Board will elect or appoint a chairperson of the Audit Committee (or, if it does not do so, the Audit Committee members will elect a chairperson by vote of a majority of the Committee); the chairperson will have authority to preside at all meetings of the Audit Committee and to act on behalf of the Audit Committee between meetings.

Operating Policies

1. The Committee will take the minutes of all Committee meetings (designating in its discretion individuals to record the minutes) and approve them by subsequent action. The Committee will circulate the minutes of the Committee meetings to the full Board for review.

The Committee will determine the extent of funding necessary for the payment of (1) compensation to any registered public accounting firm engaged

for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for Commerce; (2) compensation to any such advisors so retained; and (3) the ordinary administrative and operating expenses

This Charter will be made available on Commerce's website.

Limitations

The Audit Committee is responsible for the duties and responsibilities set forth in this charter, but its role is oversight and therefore it is not responsible for either the preparation of Commerce's financial statements or the auditing of Commerce's financial statements. Management has the responsibility for preparing the financial statements and implementing internal controls and the independent auditors have the responsibility for auditing the financial statements and assessing the effectiveness of the internal controls, subject, in each case, to the oversight of the Audit Committee described in this charter. The review of the financial statements by the Audit Committee is not of the same character or quality as the audit performed by the independent auditors.

APPENDIX C

COMMERCE BANCORP, INC.
2004 EMPLOYEE STOCK OPTION PLAN

1. Purpose of Plan

The purpose of the 2004 Employee Stock Option Plan (the "Plan") is to provide additional incentive to officers and other key employees

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

of Commerce Bancorp, Inc. ("Commerce") and each present or future parent or subsidiary corporation by encouraging them to invest in shares of common stock, par value \$1.00 per share ("Common Stock"), of Commerce and thereby acquire a proprietary interest in Commerce and an increased personal interest in Commerce's continued success and progress, to the mutual benefit of officers, employees and shareholders.

2. Aggregate Number of Shares

15,000,000 shares of Commerce Common Stock shall be the aggregate number of shares which may be issued under this Plan. Notwithstanding the foregoing, in the event of any change in the outstanding shares of the Common Stock of Commerce by reason of a stock dividend, stock split, combination of shares, recapitalization, merger, consolidation, transfer of assets, reorganization, conversion or what the Committee (defined in Section 4(a)), deems in its sole discretion to be similar circumstances, the aggregate number and kind of shares which may be issued under this Plan shall be appropriately adjusted in a manner determined in the sole discretion of the Committee. Reacquired shares of Commerce Common Stock, as well as unissued shares, may be used for the purpose of this Plan. Shares of Commerce Common Stock subject to options which have terminated unexercised, either in whole or in part, shall be available for future options granted under this Plan. No individual may receive options under the Plan for more than 50% of the total number of shares of Commerce Common Stock authorized for issuance under this Plan.

3. Class of Persons Eligible to Receive Options

All officers and key employees of Commerce and of any present or future Commerce parent or subsidiary corporation are eligible to receive an option or options under this Plan. The individuals who shall, in fact, receive an option or options shall be selected by the Committee, in its sole discretion, except as otherwise specified in Section 4 hereof.

4. Administration of Plan

(a) This Plan shall be administered by the Compensation Committee ("Committee") appointed by Commerce's Board of Directors provided, however, that at the option of the Board of Directors, the Plan may be administered by the Board of Directors of Commerce at any time and from time to time. The Committee shall consist of a minimum of three members of the Board of Directors, each of whom shall be a "Non-Employee Director" within the meaning of Rule 16b-3(b)(3) under the Securities Exchange Act of 1934, as amended or any future corresponding rule, except that the failure of the Committee or of the Board of Directors for any reason to be composed solely of Non-Employee Directors shall not prevent an option from being considered granted under this Plan. The Committee, in addition to its other authority and subject to the provisions of this Plan, shall determine which individuals

C-1

shall be granted an option or options, whether the option shall be an Incentive Stock Option or a Non-Qualified Stock Option (as such terms are defined in Section 5(a)), the number of shares to be subject to each of the options, the time or times at which the options shall be granted, the rate of option exercisability, and, subject to Section 5 hereof, the price at which each of the options is exercisable and the duration of the option. The term "Committee," as

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

used in this Plan and the options granted hereunder, refers to the Committee or to the Board of Directors, if the Board elects to administer the Plan as provided above.

(b) The Committee shall adopt such rules for the conduct of its business and administration of this Plan as it considers desirable. A majority of the members of the Committee shall constitute a quorum for all purposes. The vote or written consent of a majority of the members of the Committee on a particular matter shall constitute the act of the Committee on such matter. The Committee shall have the right to construe the Plan and the options issued pursuant to it, to correct defects and omissions and to reconcile inconsistencies to the extent necessary to effectuate the Plan and the options issued pursuant to it, and such action shall be final, binding and conclusive upon all parties concerned. No member of the Committee or the Board of Directors shall be liable for any act or omission (whether or not negligent) taken or omitted in good faith, or for the exercise of any authority or discretion granted in connection with the Plan to the Committee or the Board of Directors, or for the acts or omissions of any other members of the Committee or the Board of Directors. Subject to the numerical limitations on Committee membership set forth in Section 4(a) hereof, the Board of Directors may at any time appoint additional members of the Committee and may at any time remove any member of the Committee with or without cause. Vacancies in the Committee, however caused, may be filled by the Board of Directors, if it so desires.

5. Incentive Stock Options and Non-Qualified Stock Options

(a) Options issued pursuant to this Plan may be either Incentive Stock Options granted pursuant to Section 5(b) hereof or Non-Qualified Stock Options granted pursuant to Section 5(c) hereof, as determined by the Committee. An "Incentive Stock Option" is an option which satisfies all of the requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") and the regulations thereunder, and a "Non-Qualified Stock Option" is an option which either does not satisfy all of those requirements or the terms of the option provide that it will not be treated as an Incentive Stock Option. The Committee may grant both an Incentive Stock Option and a Non-Qualified Stock Option to the same person, or more than one of each type of option to the same person. The option price for Incentive Stock Options issued under this Plan shall be equal at least to the fair market value (as defined below) of Commerce's Common Stock on the date of the grant of the option as determined by the Committee in accordance with its interpretation of the requirements of Section 422 of the Code and the regulations thereunder. The option price for Non-Qualified Stock Options issued under this Plan shall also be equal to at least the fair market value (as defined below) of Commerce's Common Stock on the date of the grant of the option as determined by the Committee. If an Incentive Stock Option is granted to an individual who, at the time the option is granted, owns stock possessing more than 10 percent of the total combined voting power of all shares of stock of Commerce or any parent or subsidiary corporation of Commerce (a "10% Shareholder"), the option price shall not be less than 110 percent of the fair market value of Commerce's Common Stock on the date of grant of the option and such option shall not be exercisable after the expiration of five years from the date the option is granted, all as more fully set forth in Section 422 of the Code and the regulations promulgated thereunder. The fair market value of Commerce's Common Stock on any particular date shall mean the last reported sale price of a share of Commerce's Common Stock on any stock exchange on which such stock is then listed or admitted to trading, or on the New York Stock Exchange, on such date, or if no sale took place on such day, the last

such date on which a sale took place, or if the Common Stock is not then quoted on the New York Stock Exchange, or listed or admitted to trading on any stock exchange, the average of the bid and asked prices in the over-the-counter market on such date, or if none of the foregoing, a price determined in good faith by the Committee to equal the fair market value per share of the Common Stock.

(b) Subject to the authority of the Committee set forth in Section 4(a) hereof, Incentive Stock Options issued pursuant to this Plan shall be issued substantially in the form set forth in Appendix I hereof, which form is hereby incorporated by reference and made a part hereof, and shall contain substantially the terms and conditions set forth therein. Incentive Stock Options shall not be exercisable after the expiration of ten years (five years in the case of 10% Shareholders) from the date such options are granted, unless terminated earlier under the terms of the option. At the time of the grant of an Incentive Stock Option hereunder, the Committee may, in its discretion, modify or amend any of the option terms contained in Appendix I for any particular optionee, provided that the option as modified or amended satisfies the requirements of Section 422 of the Code and the regulations thereunder. Each of the options granted pursuant to this Section 5(b) is intended, if possible, to be an "Incentive Stock Option" as that term is defined in Section 422 of the Code and the regulations thereunder. In the event this Plan or any option granted pursuant to this Section 5(b) is in any way inconsistent with the applicable legal requirements of the Code or the regulations thereunder for an Incentive Stock Option, this Plan and such option shall be deemed automatically amended as of the date hereof to conform to such legal requirements, if such conformity may be achieved by amendment.

(c) Subject to the authority of the Committee set forth in Section 4(a) hereof, Non-Qualified Stock Options issued pursuant to this Plan shall be issued substantially in the form set forth in Appendix II hereof, which form is hereby incorporated by reference and made a part hereof, and shall contain substantially the terms and conditions set forth therein. Non-Qualified Stock Options shall expire ten years after the date they are granted, unless terminated earlier under the option terms. At the time of granting a Non-Qualified Stock Option hereunder, the Committee may, in its discretion, modify or amend any of the option terms contained in Appendix II for any particular optionee, including, without limitation, the extent of the assignability and/or transferability of such option.

(d) Neither Commerce nor any of its current or future parent, subsidiaries or affiliates, nor their officers, directors, shareholders, stock option plan committees, employees or agents shall have any liability to any optionee in the event: (i) an option granted pursuant to Section 5(b) hereof does not qualify as an "Incentive Stock Option" as that term is used in Section 422 of the Code and the regulations thereunder; (ii) any optionee does not obtain the tax treatment pertaining to an Incentive Stock Option; or (iii) any option granted pursuant to Section 5(c) hereof is an "Incentive Stock Option."

6. Modification, Amendment, Suspension and Termination

Options shall not be granted pursuant to this Plan after the expiration of ten years from the date the Plan is adopted by the Board of Directors of Commerce. The Board of Directors reserves the right at any time, and from time to time, to modify or amend this Plan in any way, or to suspend or terminate it, effective as of such date, which date may be either before or after the taking of such action, as may be specified by the Board of Directors; provided, however, that such action shall not affect options granted under the Plan prior to the actual date on which such action occurred. If a modification or amendment of this Plan is required by the Code or the regulations thereunder to be approved by the shareholders of Commerce in order to permit the granting

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

of "Incentive Stock Options" (as that term is defined in Section 422 of the Code and regulations thereunder) pursuant to the modified or amended Plan, such modification or amendment shall also be approved by the shareholders of Commerce in such manner

C-3

as is prescribed by the Code and the regulations thereunder. If the Board of Directors voluntarily submits a proposed modification, amendment, suspension or termination for shareholder approval, such submission shall not require any future modifications, amendments, suspensions or terminations (whether or not relating to the same provision or subject matter) to be similarly submitted for shareholder approval.

7. Effectiveness of Plan

This Plan shall become effective on the date of its adoption by Commerce's Board of Directors, subject however to approval by the holders of Commerce Common Stock in the manner as prescribed in the Code and the regulations thereunder.

8. General Conditions

(a) Nothing contained in this Plan or any option granted pursuant to this Plan shall confer upon any employee the right to continue in the employ of Commerce or any present or future parent, affiliated or subsidiary corporation or interfere in any way with the rights of Commerce or any present or future parent, affiliated or subsidiary corporation to terminate his employment in any way.

(b) Corporate action constituting an offer of stock for sale to any employee under the terms of the options to be granted hereunder shall be deemed complete as of the date when the Committee authorizes the grant of the option to the employee, regardless of when the option is actually delivered to the employee or acknowledged or agreed to by him.

(c) The terms "parent corporation" and "subsidiary corporation" as used throughout this Plan, and the options granted pursuant to this Plan, shall (except as otherwise provided in the option form) have the respective meanings ascribed to such terms when contained in Section 422(b) of the Code and the regulations thereunder, and Commerce shall be deemed to be the grantor corporation for purposes of applying such meanings.

(d) References in this Plan to the Code shall be deemed to also refer to the corresponding provisions of any future United States revenue law.

(e) The use of the masculine pronoun shall include the feminine gender whenever appropriate.

INCENTIVE STOCK OPTION

To: _____

Date of Grant: _____

You are hereby granted an option, effective as of the date hereof, to purchase _____ shares of Common Stock, par value \$1.00 per share, ("Common Stock") of Commerce Bancorp, Inc. ("Commerce") at a price of _____ per share pursuant to the Commerce 2004 Employee Stock Option Plan (the "Plan") adopted by the Commerce Board of Directors effective _____, 2004. Your option price is intended to equal at least the fair market value of Commerce Common Stock as of the date hereof; provided, however, that if, at the time this option is granted, you own stock possessing more than 10% of the total combined voting power of all shares of stock of Commerce or any parent or subsidiary corporation of Commerce (a "10% Shareholder"), your option price is intended to be at least 110% of the fair market value of Commerce Common Stock as of the date hereof.

Except as provided below, no option may be exercised within one year from the date of grant. Options held more than one year may be exercised based upon option holding period pursuant to the following schedule:

Option Holding Period		Vesting Schedule
-----		-----
0-1 year-		0%
1-2 years	-	25%
2-3 years	-	50%
3-4 years	-	75%
More than four years	-	100%

This option shall terminate and is not exercisable after the expiration of ten years from the date of its grant (five years from the date of grant if, at the time of the grant, you are a 10% Shareholder) (the "Scheduled Termination Date"), except as hereafter provided. To the extent this option does not quality as

C-5

an incentive stock option for any reason, it shall be considered a non-qualified stock option.

In the event of a "change of control" (as hereafter defined) of

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

Commerce, your option may, from and after the date of the change of control (but in no event later than the Scheduled Termination Date), and notwithstanding the second paragraph of this option, be exercised for up to 100% of the total number of shares then subject to the option minus the number of shares previously purchased upon exercise of the option (as adjusted for any changes in the outstanding Commerce Common Stock by reason of a stock dividend, stock split, combination of shares, recapitalization, merger, consolidation, transfer of assets, reorganization, conversion or what the Committee deems in its sole discretion to be similar circumstances).

A "change of control" shall be deemed to have occurred upon the happening of any of the following events:

1. A change within a twelve-month period in a majority of the members of the board of directors of Commerce;
2. A change within a twelve-month period in the holders of more than 50% of the outstanding voting stock of Commerce; or
3. Any other event deemed to constitute a "change in control" by the Board of Directors.

You may exercise your option by giving written notice to the Secretary of Commerce on forms supplied by Commerce at its then principal executive office, accompanied by payment of the option price for the total number of shares you specify that you wish to purchase. The payment may be in any of the following forms: (a) cash, which may be evidenced by a check and includes cash received from a stock brokerage firm in a so-called "cashless exercise"; (b) (unless prohibited by the Committee) certificates representing shares of Common Stock of Commerce, which will be valued by the Secretary of Commerce at the fair market value per share of Commerce Common Stock (as determined in accordance with the Plan) on the last trading day immediately preceding the date of delivery of such certificates to Commerce, accompanied by an assignment of the stock to Commerce; or (c) (unless prohibited by the Committee) any combination of cash and Common Stock of Commerce valued as provided in clause (b). Any assignment of stock shall be in a form and substance satisfactory to the Secretary of Commerce, including guarantees of signature(s) and payment of all transfer taxes if the Secretary deems such guarantees necessary or desirable or determines that such taxes are due and payable.

Your option will, to the extent not previously exercised by you, terminate three months after the date on which your employment by Commerce or a Commerce parent or subsidiary corporation is terminated, whether such termination is voluntary or not, other than by reason of disability as defined in Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, or death, in which case your option will terminate one year from the date of termination of employment due to disability or death (but in no event later than the Scheduled Termination Date). After the date your employment is terminated, as aforesaid, you may exercise this option only for the number of shares which you had a right to purchase and did not purchase on the date your employment terminated. If you are employed by a Commerce subsidiary corporation, your employment shall be deemed to have terminated on the date your employer ceases to be a Commerce subsidiary

C-6

corporation, unless you are on that date transferred to Commerce or another Commerce subsidiary corporation. Your employment shall not be deemed to have terminated if you are transferred from Commerce to a Commerce subsidiary

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

corporation, or vice versa, or from one Commerce subsidiary corporation to another Commerce subsidiary corporation.

Anything in this option to the contrary notwithstanding, your option will terminate immediately if your employment is terminated for cause (as determined by Commerce in its sole and absolute discretion). Your employment shall be deemed to have been terminated for cause if you are terminated due to, among other reasons, (i) your willful misconduct or gross negligence, (ii) your material breach of any agreement with Commerce or (iii) your failure to render satisfactory services to Commerce.

If you die while employed by Commerce or a Commerce parent or subsidiary corporation, your legatee(s), distributee(s), executor(s) or administrator(s), as the case may be, may, at any time within one year after the date of your death (but in no event later than the Scheduled Termination Date), exercise the option as to any shares which you had a right to purchase and did not purchase during your lifetime. If your employment with Commerce or a Commerce parent or subsidiary corporation is terminated by reason of your becoming disabled (within the meaning of Section 22(e)(3) of the Code and the regulations thereunder), you or your legal guardian or custodian may at any time within one year after the date of such termination (but in no event later than the Scheduled Termination Date), exercise the option as to any shares which you had a right to purchase and did not purchase prior to such termination. Your legatee, distributee, executor, administrator, guardian or custodian must present proof of his authority satisfactory to Commerce prior to being allowed to exercise this option.

In the event of any change in the outstanding shares of the Common Stock of Commerce by reason of a stock dividend, stock split, combination of shares, recapitalization, merger, consolidation, transfer of assets, reorganization, conversion or what the Committee deems in its sole discretion to be similar circumstances, the number and kind of shares subject to this option and the option price of such shares shall be appropriately adjusted in a manner to be determined in the sole discretion of the Committee.

Unless specifically authorized by the Board of Directors, the Committee or a designee thereof, this option is not transferable otherwise than by will or the laws of descent and distribution, and is exercisable during your lifetime only by you, including, for this purpose, your legal guardian or custodian in the event of disability. Such transfer permitted by the Board of Directors, the Committee or a designee thereof may be on a general or specific basis, and may impose conditions and limitations on any permitted transferability. Until the option price has been paid in full pursuant to due exercise of this option and the purchased shares are delivered to you, you do not have any rights as a shareholder of Commerce. Commerce reserves the right not to deliver to you the shares purchased by virtue of the exercise of this option during any period of time in which Commerce deems, in its sole discretion, that such delivery would violate a federal, state, local or securities exchange rule, regulation or law.

Notwithstanding anything to the contrary contained herein, this option is not exercisable until all the following events occur and during the following periods of time:

(a) Until the Plan pursuant to which this option is granted is approved by the shareholders of Commerce in the manner prescribed by the Code and the regulations thereunder;

(b) Until this option and the optioned shares are approved and/or registered with such federal, state and local regulatory bodies or agencies and securities exchanges as Commerce may deem necessary or desirable; or

C-7

(c) During any period of time in which Commerce deems that the exercisability of this option, the offer to sell the shares optioned hereunder, or the sale thereof, may violate a federal, state, local or securities exchange rule, regulation or law, or may cause Commerce to be legally obligated to issue or sell more shares than Commerce is legally entitled to issue or sell.

(d) Until you have paid or made suitable arrangements to pay (which may include payment through the surrender of Common Stock, unless prohibited by the Committee) (i) all federal, state and local income tax withholding required to be withheld by Commerce in connection with the option exercise and (ii) the employee's portion of other federal, state and local payroll and other taxes due in connection with the option exercise.

(e) Until Commerce has registered its Common Stock under the Securities Exchange Act of 1934, as amended.

The following two paragraphs shall be applicable if, on the date of exercise of this option, the Common Stock to be purchased pursuant to such exercise has not been registered under the Securities Act of 1933, as amended, and under applicable state securities laws, and shall continue to be applicable for so long as such registration has not occurred:

(a) The optionee hereby agrees, warrants and represents that he will acquire the Common Stock to be issued hereunder for his own account for investment purposes only, and not with a view to, or in connection with, any resale or other distribution of any of such shares, except as hereafter permitted. The optionee further agrees that he will not at any time make any offer, sale, transfer, pledge or other disposition of such Common Stock to be issued hereunder without an effective registration statement under the Securities Act of 1933, as amended, and under any applicable state securities laws or an opinion of counsel acceptable to Commerce to the effect that the proposed transaction will be exempt from such registration. The optionee shall execute such instruments, representations, acknowledgements and agreements as Commerce may, in its sole discretion, deem advisable to avoid any violation of federal, state, local or securities exchange rule, regulation or law.

(b) The certificates for Common Stock to be issued to the optionee hereunder shall bear the following legend:

"The shares represented by this certificate have not been registered under the Securities Act of 1933, as amended, or under applicable state securities laws. The shares have been acquired for investment and may not be offered, sold, transferred, pledged or otherwise disposed of without an effective registration statement under the Securities Act of 1933, as amended, and under any applicable state securities laws or an opinion of counsel acceptable to Commerce that the proposed transaction will be exempt from such registration."

The foregoing legend shall be removed upon registration of the legended shares under the Securities Act of 1933, as amended, and under any applicable state laws or upon receipt of any opinion of counsel acceptable to Commerce that said registration is no longer required.

The sole purpose of the agreements, warranties, representations and legend set forth in the two immediately preceding paragraphs is to prevent violations of the Securities Act of 1933, as amended, and any applicable state

Edgar Filing: COMMERCE BANCORP INC /NJ/ - Form DEF 14A

securities laws.

It is the intention of Commerce and you that this option shall, if possible, be an "Incentive Stock

C-8

Option" as that term is used in Section 422 of the Code and the regulations thereunder. In the event this option is in any way inconsistent with the legal requirements of the Code or the regulations thereunder for an "Incentive Stock Option," this option shall be deemed automatically amended as of the date hereof to conform to such legal requirements, if such conformity may be achieved by amendment.

This option shall be subject to the terms of the Plan in effect on the date this option is granted, which terms are hereby incorporated herein by reference and made a part hereof. In the event of any conflict between the terms of this option and the terms of the Plan in effect on the date of this option, the terms of the Plan shall govern. This option constitutes the entire understanding between Commerce and you with respect to the subject matter hereof and no amendment, modification or waiver of this option, in whole or in part, shall be binding upon Commerce unless in writing and signed by the President of Commerce. This option and the performances of the parties hereunder shall be construed in accordance with and governed by the laws of the State of New Jersey.

Please sign the copy of this option and return it to Commerce's Secretary, thereby indicating your understanding of and agreement with its terms and conditions.

The payment may be in any of the following forms: (a) cash, which may be evidenced by a check and includes cash received from a stock brokerage firm in a so-called "cashless exercise"; (b) (unless prohibited by the Committee) certificates representing shares of Common Stock of Commerce, which will be valued by the Secretary of Commerce at the fair market value per share of Commerce's Common Stock (as determined in accordance with the Plan) on the last trading day immediately preceding the date of delivery of such certificates to Commerce, accompanied by an assignment of the stock to Commerce; or (c) (unless prohibited by the Committee) any combination of cash and Common Stock of Commerce valued as provided in clause (b). Any assignment of stock shall be in a form and substance satisfactory to the Secretary of Commerce, including guarantees of signature(s) and payment of all transfer taxes if the Secretary deems such guarantees necessary or desirable or determines that such taxes are due and payable.

Your option will, to the extent not previously exercised by you, terminate three months after the date on which your employment by Commerce or a Commerce parent or subsidiary corporation is terminated, whether such termination is voluntary or not, other than by reason of disability as defined in Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder, or death, in which case your option will terminate one year from the date of termination of employment due to disability or death (but in no event later than the Scheduled Termination Date). After the date your employment is terminated, as aforesaid, you may exercise this option only for the number of shares which you had a right to purchase and did not purchase on the date your employment terminated. If you are employed by a Commerce subsidiary corporation, your employment shall be deemed to have terminated on the date your employer ceases to be a Commerce subsidiary corporation, unless you are on that date transferred to Commerce or another Commerce subsidiary corporation. Your employment shall not be deemed to have terminated if you are transferred from Commerce to a Commerce subsidiary corporation, or vice versa, or from one Commerce subsidiary corporation to another Commerce subsidiary corporation.

Anything in this option to the contrary notwithstanding, your option will terminate immediately if your employment is terminated for cause (as determined by Commerce in its sole and absolute discretion). Your employment shall be deemed to have been terminated for cause if you are terminated due to, among other reasons, (i) your willful misconduct or gross negligence, (ii) your material breach of any agreement with Commerce or (iii) your failure to render satisfactory services to Commerce.

If you die while employed by Commerce or a Commerce parent or subsidiary corporation, your legatee(s), distributee(s), executor(s) or administrator(s), as the case may be, may, at any time within one year after the date of your death (but in no event later than the Scheduled Termination Date),

exercise the option as to any shares which you had a right to purchase and did not purchase during your lifetime. If your employment with Commerce or a Commerce parent or subsidiary corporation is terminated by reason of your becoming disabled (within the meaning of Section 22(e)(3) of the Code and the regulations thereunder), you or your legal guardian or custodian may at any time within one year after the date of such termination (but in no event later than the Scheduled Termination Date), exercise the option as to any shares which you had a right to purchase and did not purchase prior to such termination. Your legatee, distributee, executor, administrator, guardian or custodian must present proof of his authority satisfactory to Commerce prior to being allowed to exercise this option.

In the event of any change in the outstanding shares of the Common Stock of Commerce by reason of a stock dividend, stock split, combination of shares, recapitalization, merger, consolidation, transfer of assets, reorganization, conversion or what the Committee deems in its sole discretion to be

similar circumstances, the number and kind of shares subject to this option and the option price of such shares shall be appropriately adjusted in a manner to be determined in the sole discretion of the Committee.

Unless specifically authorized by the Board of Directors, the Committee or a designee thereof, this option is not transferable otherwise than by will or the laws of descent and distribution, and is exercisable during your lifetime only by you, including, for this purpose, your legal guardian or custodian in the event of disability. Such transfer permitted by the Board of Directors, the Committee or a designee thereof may be on a general or specific basis, and may impose conditions and limitations on any permitted transferability. Until the option price has been paid in full pursuant to due exercise of this option and the purchased shares are delivered to you, you do not have any rights as a shareholder of Commerce. Commerce reserves the right not to deliver to you the shares purchased by virtue of the exercise of this option during any period of time in which Commerce deems, in its sole discretion, that such would violate a federal, state, local or securities exchange rule, regulation or law.

Notwithstanding anything to the contrary contained herein, this option is not exercisable until all the following events occur and during the following periods of time:

(a) Until the Plan pursuant to which this option is granted is approved by the shareholders of Commerce in the manner prescribed by the Code and the regulations thereunder;

(b) Until this option and the optioned shares are approved and/or registered with such federal, state and local regulatory bodies or agencies and securities exchanges as Commerce may deem necessary or desirable; or

(c) During any period of time in which Commerce deems that the exercisability of this option, the offer to sell the shares optioned hereunder, or the sale thereof, may violate a federal, state, local or securities exchange rule, regulation or law, or may cause Commerce to be legally obligated to issue or sell more shares than Commerce is legally entitled to issue or sell.

(d) Until you have paid or made suitable arrangements to pay

(which may include payment through the surrender of Common Stock, unless prohibited by the Committee) (i) all federal, state and local income tax withholding required to be withheld by Commerce in connection with the option exercise and (ii) the employee's portion of other federal, state and local payroll and other taxes due in connection with the option exercise.

(e) Until Commerce has registered its Common Stock under the Securities Exchange Act of 1934, as amended.

The following two paragraphs shall be applicable if, on the date of exercise of this option, the Common Stock to be purchased pursuant to such exercise has not been registered under the Securities Act of 1933, as amended, and under applicable state securities laws, and shall continue to be applicable for so long as such registration has not occurred:

(a) The optionee hereby agrees, warrants and represents that he will acquire the Common Stock to be issued hereunder for his own account for investment purposes only, and not with a view to, or in connection with, any resale or other distribution of any of such shares, except as hereafter permitted. The optionee further agrees that he will not at any time make any offer, sale, transfer, pledge or other disposition of such Common Stock to be issued hereunder without an effective registration

statement under the Securities Act of 1933, as amended, and under any applicable state securities laws or an opinion of counsel acceptable to Commerce to the effect that the proposed transaction will be exempt from such registration. The optionee shall execute such instruments, representations, acknowledgements and agreements as Commerce may, in its sole discretion, deem advisable to avoid any violation of federal, state, local or securities exchange rule, regulation or law.

(b) The certificates for Common Stock to be issued to the optionee hereunder shall bear the following legend:

"The shares represented by this certificate have not been registered under the Securities Act of 1933, as amended, or under applicable state securities laws. The shares have been acquired for investment and may not be offered, sold, transferred, pledged or otherwise disposed of without an effective registration statement under the Securities Act of 1933, as amended, and under any applicable state securities laws or an opinion of counsel acceptable to Commerce that the proposed transaction will be exempt from such registration."

The foregoing legend shall be removed upon registration of the legended shares under the Securities Act of 1933, as amended, and under any applicable state laws or upon receipt of any opinion of counsel acceptable to Commerce that said registration is no longer required.

The sole purpose of the agreements, warranties, representations and legend set forth in the two immediately preceding paragraphs is to prevent violations of the Securities Act of 1933, as amended, and any applicable state securities laws.

It is the intention of Commerce and you that this option shall not be an "Incentive Stock Option" as that term is used in Section 422 of the Code and the regulations thereunder.
