Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers

Section 2-418 of the Maryland General Corporation Law establishes provisions that a corporation may (and, unless otherwise provided in the corporation's charter, if the party to be indemnified is successful on the merits or otherwise, must) indemnify any director or officer made party to any threatened, pending or completed civil, criminal, administrative or investigative action, suit or proceeding by reason of service in the capacity of a director or officer, against judgments, penalties, fines, settlements and reasonable expenses incurred in connection with such proceeding, unless it is proved that (a) the act or omission for which the director or officer seeks indemnification was material to the matter giving rise to the action, suit or proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of a criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. If the proceeding is a derivative suit in favor of the corporation, indemnification may not be made in any proceeding in which the director or officer is adjudged to be liable to the corporation. The statute also provides for indemnification of directors and officers by court order.

The Registrant's Articles of Incorporation and Bylaws provide for indemnification and the advancement of expenses for any person who is serving or has served as a director or officer of the Registrant to the fullest extent permitted under Maryland law.

The Registrant maintains officers' and directors' liability insurance in the amount of \$5,000,000.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

1. To file, during any period in which it offers or sells securities, a post-effective amendment to this registration statement to:

- (i) Include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) Reflect in the prospectus any facts or events which, individually or together, represent a fundamental change in the information in the registration statement; and notwithstanding the forgoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospects filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in the volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) Include any additional or changed material information on the plan of distribution; provided however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.
2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To file a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.
4. That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
