Item 8.01 Other Events.

On March 27, 2013, Superior Industries International, Inc. ("Superior") announced that its board of directors has approved a new stock repurchase program authorizing Superior to repurchase up to \$30 million of its common stock. This new repurchase program will replace Superior's existing share repurchase program. Under the repurchase program, Superior may repurchase common stock from time to time on the open market or in private transactions. Superior expects to fund the repurchases through available cash, although credit options are being evaluated in the context of total capital needs. The timing and extent of the repurchases will depend upon market conditions and other corporate considerations at Superior's sole discretion. Superior currently has approximately 27.3 million shares of common stock outstanding and had \$207 million of cash, cash equivalents and short-term investments at the end of fiscal year 2012.

A copy of the press release dated March 27, 2013, announcing the company's stock repurchase program is incorporated herein by reference and is attached hereto as Exhibit 99.1.
